FLAG DAY-JUNE 14th

On July 4, 1776 Congress accepted the Declaration of Independence and on June 14th, a year later, this resolution was adopted: "That the Flag of the United States be thirteen stripes, alternate red and white; that the Union be thirteen stars, white in a blue field representing a new constellation."

Decades later, 1916 to be exact, President Woodrow Wilson proclaimed June 14th as Flag Day. The stripes of the flag represent the thirteen original states; the stars record the growth of the nation. With the addition in 1912 of New Mexico and Arizona, the stars in the flag reached 48, the number we have today. To this flag, over 130,000,000 Americans now pledge allegiance.

The flag is a symbol of our national unity; it tells of the struggle for independence, of union preserved, the sacrifices of human blood. It means America first;

CHATSWORTH has many boys who are doing their part in solidifying our freedom and we know the lonely hours they spend away from home and loved ones. There is One who is always at your side; talk your burdens over with Him and He will give you strength and courage.

ED BURGETT, 21, son of Lynn and Hattie Burgett of 10353 Owensmouth is home (and what a wonderful word that is) from his months of service in Guam. He arrived in the states last week, was able to come home over the weekend, but returned to Fort Ord for his processing out and next weekend will find him "at home". Glory Hallelujah!

BILL MILLER, 17, is home with his mother, the James Kimbles of 10831 DeSoto Street, on a 30-day furlough from Shepard Field in Texas, but leaves next weekend for a 30-month service in Japan; a long time to be away. He leaves behind his mother, Claramae, Jr. Hi brother Butch, and his adoring grandmother, Mrs. Sparkyl Miller Allison, whose late son, Ted, was his father.

that to each generation comes its patriotic duty; and upon our willingness to sacrifice and endure, rests the national hope.

It speaks of equal rights; of liberty under law intelligently conceived and impartially administered.

There is not a thread in it but scorns self-indulgence, weakness and rapacity.

It is eloquent of our common destiny.

ALL HAIL TO THE STARS AND STRIPES OF OUR BELOVED COUNTRY

Recent Winner Atwater Kent Award. - - - - The Dichiera family moved to Chatsworth two months ago from Tarzana, and this is the third time they have used The Grapevine for ads, saying without words that they have faith in us and in your reading. That shows love for Chatsworth.

DAN and ROSE CRESCENT of Craggy View were up at Sequoia last week-end with friends from Burbank; they spent the night in Three Rivers BUT DIDN'T KNOW THEY WERE IN SPITTIN' DISTANCE OF OUR CHATSWORTH FRIENDS WHO OWN THE DOUBLE DEE RANCHERO. Rose, after you read this, you better sit down and write Myna deLespinasse a letter, apologizing all over the place. When Rose was told, she was just heartsick!!

MRS. SADIE HARRISON of 10811 1/2 Santa Susanna entertained a group of out-of-town friends for dinner on Memorial Sunday and later paid their respects to family and friends at Oakwood Cemetery. Among the guests was Ira Lewis of Santa Susanna, who was the barber here for years and years before Jack Allen took over the shop, who is busily engaged in counting out his second million.

As you continue reading throughout this lovely, lovely paper, we can't see how anybody can live without it - so - would you like to solicit subscriptions for it on a commission basis? Call Di.8-7643 If you like to interview people, you're the one for it.

ANYTHING TO BRIGHTEN LIFE'S
PATHWAY

Many newspapers have what they call "Personalities of the Month" or some such title and The Grapevine being what it is, the thought was given to us: why not "The Character of the Month". Sounds interesting - will publish said character in the 15th issue of each month, so as you travel along life's highway and come upon an amusing incident, share it with us for the enjoyment of all.

Read on - - and you'll come upon our "Character of the Month"

- - - - -

On second thought we'll enlighten you a little further and tell you who gave us the idea - George Cruse of 10403 DeSoto, Commander of our American Legion - and he'll be the first to deny it, seeing as how we haven't seen him to discuss this matter. However, we understand that in his Chicken Emporium from which roll out the largest eggs in the world, he has clever signs directing him through the maize of chicken equipment; and he it was who encouraged the Fuller Brush Man to lighten the day's load by stating: 'Here comes Carey' on the front, and 'There goes Beanblossom' on the back of his Willys station wagon, just to make life a little more humerous, and Carey it was who spread the word to us - and so, for a lilt in our activities surely you know a 'character' too. Someone who usually goes along in a normal way, but there comes a time when he goes off his rocker - and you were there!!!

FOR DAD

When Pa is sick, he's scared to death
 And Ma and us just holds our breath;
 He crawls in bed, and puffs and grunts
 And does all kinds of crazy stunts.

He wants the doc in mighty quick
 For when Pa's ill he's awful sick;
 He gasps and moans, and sort of sighs
 He talks so queer and rolls his eyes;

Ma jumps and runs and all of us and
 All the house is in a fuss
 And peace and joy is mighty skeerce
 When Pa is sick, it's somethin fierce!

THE TOWN CRIER

There comes a time in every man's life when something has to give, and in this issue we have to sacrifice our "Town Crier" page for the press of news item. So we continue:

A REPORT FROM TWIN LAKES

by Catherine Leverton, Secy.

This little Grapevine deal is really catching on and the residents of Twin Lakes think we should get right in on the ground floor along with the other neighboring communities and make it a real home-like get together every month. So here is my very poor but sincere effort in breaking the ice and reporting the news from this neck of the woods.

Other than the back fence tete-a-tetes, our main social get-togethers stem from the Twin Lakes Club, which will be held hereafter on the fourth Saturday of each month. As usual, there will be a potluck dinner and if you like good food there's where you'll find it.

We have a brand new board of officers from the President right on down and last month's meeting got off with a bang. Our President, Mr. Carlos Dorman just insists that he won't get things done, nevertheless, he roped seven women into volunteering as dinner chairmen for the next seven months.

Our Rev. Carmichael was appointed as a committee of one to send cards to the members who are ill. A nice, cherry get-well card always makes one feel better. Mr. Ernie Baldrige will report to the committee who is ill. If any one is qualified for this job, Ernie is, since he gets around and sees just about everybody at least once a week. However, Ernie takes his

too seriously - now he feels everybody's pulse to make sure they are all right. Heavens-to-betsy, bring out the stretchers - there's liable to be an epidemic.

Aside from kidding Ernie, we do have some neighbors who are ill, and we all wish a speedy recovery to Mrs. Paul Marriott who has just returned home from the hospital, and to Miss Mary Hughes who is in the Valley Hospital at the present time.

There has been quite a bit of building and remodelling going on in Twin Lakes recently and we are happy to welcome Mr. & Mrs. Lowry (Mary of the Postoffice) who are nicely settled in their home on Mayan Drive.

There has been a good deal of talk going around that the Lake will be opened up in time for the fall rains, and we hope it is true. It's a shame we have a lake so close and not in use for the community when many people are driving long distances to swim or fish. With the lake open it would mean added business for our local merchants, especially on the weekends.

Well, so long folks, see you next month.

- - - - -
Many, many thanks, Catherine, for this lovely letter which came in the mails for our attention. All of us want to know more about what you mountain people are doing, and so we will look forward to your report after each meeting!!

DR. F. J. BRAINARD

Our Dr. Brainard is in White Memorial Hospital, Boyle Heights, Los Angeles! After a series of preliminary examinations, he finally had to submit to an examination under anesthesia at the hospital on Tuesday, June 7th, and on Wednesday morning he had throat surgery. He is in great discomfort, has three special nurses, and Mrs. Brainard has rented a room in the hospital to be near him.

His release from the hospital is dependant upon his recovery and Mrs. Brainard hopes that they will be able to enjoy a little vacation before he comes back to the office around the first of July.

Dr. Sidney Mintzer has taken over Dr. Brainard's practice until he is able to come back, with Mrs. Glasow as his assistant. The office is open as usual and Dr. Mintzer will answer all home calls day or night by calling the regular numbers - the exchange has been notified.

We wish for you a speedy recovery, Dr. Brainard, and that your previous throat condition will be a thing of the past!

Welcome to Chatsworth, Dr. Sidney Mintzer!!

RONALD and LUCILLE BOUCHER are leaving for a two-weeks trip to Bozeman, Montana to visit relatives on both sides, and Lucille tells me she has just received a letter from a kid brother in the service in Germany WHOM SHE DIDN'T EVEN KNOW EXISTED, as her parents gave all the children away when they were small. This is a thrilling moment for her and she's looking forward to the time when she can see him in person which won't be for another year when he can come home. She also told me of finding a sister when by coincidence they attended the same school and noticed their resemblance to each other.

We rejoice with you, Lucille, in this wonderful re-union!! You should take time out to write a book on the lives of your brothers and sisters.

BIRTHDAY PARTY

MRS. FRANCES MAHIEU went about her work all day long on June 8th, and as the day waned, she just knew that everybody had forgotten about her birthday because nobody, just nobody, bothered to mention it. Came dinner time and she managed to put on a brave smile, and as she entered the dining room, there was the expansive table, set in her honor, and besides the immediate family of the Jim Woodman's 21920 Nordhoff Street, with whom she makes her home, there were her lovely friends, Grace Hageman, Peggy Coen and Sadie Harrison.

What rejoicing and such laughter. Mrs. Mahieu's eyes are still dewy from her memories of that lovely dinner party, with all her favorite dishes as only her daughter, Celia, could prepare!

Mrs. Mahieu is the incoming President of the W.S.C.S. and we will have a great year under her leadership.

FOR DAD

The day he came a-wooing
Says his most devoted wife
I used to think twould easy be
With him to spend my life;
His speech was, oh, so gentle,
And so tall and straight was he
I never dreamed how terrible
He'd prove some day to be.

I never dreamed I'd wake at night
To give his ribs a whack
With "Darling, please turn over
You're sleeping on your back!"
When life was all before us
And our single path uphill
I never dreamed the time would
come - I'd wish his voice was still.

And when "for better or for worse"
To cling to him I vowed
I never dreamed so nice a man
Could make a noise so loud;
Now, night long thru I elbow him
Until he's blue and black
And say "Turn over, darling, please!
You're sleeping on your back!"

At times it's like a whistle's shriek
At times a grunt and groan
And then a buzz-saw at a knot
And then a fearful moan!
There comes a second's silence
When I think he must be dead

THE CHARACTER OF THE MONTH

The Jacobsons of 21111 Lassen Street, with the Strolsies of Newport Beach, have just returned from a two-months tour of these United States, going down through Florida, up the east coast to Maine, etc. etc. etc., staying in motels, eating all meals in restaurants, buying knick-knacks, postcards, etc. They visited the Rushmore Monument in the Black Hills of South Dakota; for 10¢ one could use the telescope to get a closer view. One thin, small dime was extracted and inserted, but Jake says he didn't see anything because when it was his turn, it clicked off!!!

These Swedes didn't like the coffee down south so they bought a jar of instant coffee and had the waiters bring them hot water, and he says they ordered a meal each time - but were you there???

What a lovable character!!!

MRS. DOROTHY WATTS of 10955 DeSoto underwent surgery at West Valley Hospital yesterday but expects to be home tomorrow. The way things are speeded up nowadays!! You no more enter the front door than it's whacked off, bells ring announcing another cash customer and you're out the back and home before anybody knows about it. (Before the existance of The Grapevine, that is). Oh, me - remember the days when the nurses took time to put the flowers out of the room at night and how they lined the corridors - and you stayed long enough to have your friends come and visit!!

CHATSWORTH CHAMBER OF COMMERCE

Next Tuesday night at 6:30, and you're invited, our Chamber is putting on a Chuck-Wagon Dinner, prepared by our famous chef, Coe Malcolm of Cabin Cafe - good, hearty beef stew and all the trimmin's. This you can't afford to pass up!! A very, very reasonable donation!!

At 8 o'clock there will be a short business meeting, reading of the minutes, etc. to give you an idea of how the Chamber is run, and then a good program is being offered. Mr. Wm. McGinnis, 1st Vice-President will preside over the evening's activities in lieu of President, Judge David Fulwider, whose previous plans make his absence compulsory, and he publicly states his regrets.

Now come to the Center next Tuesday night - dinner served from 6:30 to 8:00 P.M. - you're all invited!!

The young people of the Community Church had their regular devotional period last Sunday night, and then had their fellowship at the home of the Ahlstroms at 22024 Lassen Street, which was also a farewell party for Lloyd Fellows, Jr. who has already departed for his summer experience in Lebanon. The group presented him with a traveling kit of toiletries, and those enjoying these last moments with him were: Phyllis Fladwed, Barbara Trembley, Jerry Owens, Jim Roesch, John Ahlstrom, Ed Iverson, Bob Nesbitt, and the counsellors, Ed & Lorna Ahlstrom and Betty Straka.

NEWCOMERS: HERALD and GENEVIEVE PHILLIPS and their 7 children, in ages ranging from 16 down to 16 mos. have moved into the Merle Buck residence. They are from Oraville, Illinois. Herald came out here in February but Genevieve motored through with the 7 children just a week ago. What a brave girl!

THE JAMES ARELL family (four children from 12 to 7 mos) have bought the former Parker home on Brook Road. They have spent the last year in Willow Springs, Mo. but were old-time residents in Canoga Park, so these parts are not unfamiliar to them. Welcome!

DON and DONNA MOUNT, Corky & Sharon, who were renting the little cement block house across from the gas station, have bought a new home in Buena Park to be near Don's work. They will most certainly be missed!

ILLNESS: Mary Steele is down with a virus infection. Joseph Fauque has been off work for six weeks with heart trouble and other complications.

HOUSE-GUESTS: Duane and Madeline Nowlin from Joplin, Mo. are visiting the Gordon Nowlins for a month.

John and Mary DeGroot have Mary's Mother, Mrs. J.S.Brand from Kenosha, Wis. and her sister, Adaline Stubbs, from Aurora, Ill. visiting them. They will be here for 2 weeks and Mary plans to have a week's vacation to show them the sights as they have never been out here before.

Mrs. Fay Driscoll (sister of Fern George at White Sands) and 7yr old son, Danny, visited her parents.

FOR DAD

"Well, what are you going to be, my boy
When you have reached manhood's years:
A doctor, a lawyer, or actor great
Moving throughs to laughter and tears?"
But he shook his head, as he gave reply
In a serious way he had:
"I don't think I'd care to be any of'em
I want to be like my Dad."

He wants to be like his Dad! You men,
Did you ever think as you pause,
That the boy who watches your every
move, Is building a set of laws?
He's moulding a life you're model for
And whether it's good or bad
Depends on the kind of example set
To the boy who'd be like his dad.

Would you have him go everywhere you go?
Have him do just the things you do?
And see everything that your eyes behold
And woo all the gods you woo?
When you see the worship that shines
In the eyes of your lovable lad,
Could you rest content if he gets
his wish - And grows to be like his Dad?

It's a job that none but yourself can
fill; It's a charge you must answer for;
It's a duty to show him the road to
tread ere he reaches his manhood's
door. It's a debt you owe for the
greatest joy on this old earth to be
had; This pleasure of having a boy
to raise - Who wants to be like

CHATSWORTH LAKE HIGHLIGHTS

Continued from Page 13

Mr. & Mrs. J.E.Scott on the weekend of June 3rd. Fay and Danny are from Lindsay, Calif.

Mary and Paul Ennis and family visited friends, the G.W.Abbott family in Trona, Calif. over Memorial weekend and in return were visited by the Abbotts on the weekend of June 3rd.

Mrs. Lida Miller of Burbank is visiting Mrs. W.L.Schultz for a week.

What a busy place Chatsworth Lake is!!

BILLIE BREIT celebrated her 11th birthday with a group of friends at Orcutt Park, and returning to her home for ice cream and cake, and to open her lovely gifts. Those attending were Tod and Dan Mason, Ardith Jack, Cecelia Roatcap and Patsy Schrader.

Thank you, Glenna, for all the wonderful news of Chatsworth Lake which we enjoy reading every issue.

The children of our elementary school were out on the lawn last Wednesday having their pictures taken when they witnessed a horrible accident. Pat Morrison of Hoots Hollow Ranch on Chatsworth Street was riding by on her horse, and as the photographer's flash was made, the horse shied, throwing Pat to the ground, and trampled by the horse. She was taken to Dr. Miner's office with multiple contusions and abrasions. Poor girl! How you must have suffered! When the children were asked if they were frightened, they said: "No, we weren't, but the teachers were."

Our lovely SHARON MORROW, daughter of Mr. & Mrs. Howard Morrow, that old philosopher who holds forth at his cobbler's bench at 10236 Topanga, became the bride of James Yopps of Milwaukee, Wis. recently. He leaves for Bremerton, Washington today for service aboard the USS Lexington, and whether Sharon joins him is contingent upon his duties there. Our very best wishes to you both for much happiness.

CUBSCOUTS from Dens 3 & 5 went up to Iverson's Ranch on June 1st to witness the taking of movies, and Ronald Reagan had his picture taken with them!! Oh, boy!!

BIRTHDAY PARTY

Always on June 4th, year in and year out, Douglas and Diana Watts of 10955 DeSoto celebrate their birthdays simultaneously, although there's four years difference in their ages, and just enough difference to make momma and poppa tear their hair on what to do, but this year it worked out well. Diana had a swimming party in the evening, and refreshments were Italian-style: pizzas, meatballs, salad, soft drinks, and cake which was decorated "Isle of Capri". Students from Pierce College were her guests.

Then Sunday was Doug's day and he wanted to go to the beach, so all the groceries were carted down to Zuma for an all day party which also included David Riley and Roger Moon.

DON'T FORGET: CHATSWORTH has everything that Dad would like for Father's Day!!
