A PROCLAMATION

BY THE PRESIDENT OF THE UNITED STATES OF AMERICA

"WE the People of the United States, in order to form a more perfect Union, establish Justice, insure domestic Tranquility, provide for the common Defence, promote the general Welfare, and secure the Blessings of Liberty to ourselves and our Posterity, do ordain and establish this CONSTITUTION for the United States of America."

On September 17, 1787, the delegates to the Federal Convention in Philadelphia met for the last time and approved these familiar words now enshrined not only in our Nation's basic Instrument of Government but also in the hearts of our citizenry. Led by the President of the Convention, Goerge Washington, the great majority of the delegates signed the newly drafted Constitution, and on the following day their Secretary set off for New York by stage coach to deliver the engrossed document to the United States in Congress there assembled. Within a week the proposed Constitution had been printed and circulated in both Pennsylvania and New York, and the great principles by which our country still is governed had been dispatched or carried home by delegates from other States as well. On September 28, 1787, the Congress resolved to transmit the draft test officially to the States of the Confederation for action.

CONSTITUTION WEEK PROGRAM

Representative Edgar W. Hiestand will be the principal speaker at the ceremonies slated for next Monday afternoon at Chatsworth Center and every loyal American is encouraged to attend.

The program is sponsored by the Santa Susanna Chapter of the D.A.R. and refreshments will be served during the social hour.

Because the Honorable Mr. Hiestand and his wife are making a particular effort to be with us on that date, the ladies are making an especial appeal to the men in our community for their presence at this program. We trust they will make an all-out effort to be present.

PIERCE COLLEGE is in need of a West Valley rooting section and your participation is encouraged. Take the children and have a wonderful evening at the first football game of the season - Pierce College versus Los Angeles City College - at Van Nuys High - Friday night, Sept. 16 at 8 p.m.

MR. & MRS. BURT TAYLOR, nee Eleanor Baile, and small son are now in Spain, where Burt is employed as an architect in building government air bases there. Burt flew over August 23 and Eleanor and the baby followed him two weeks later when he had found a home for them. They will be gone about two years.

WEDDING BELLS

MISS BARBARA BURTON, 19, daughter of Mr. and Mrs. John Burton of Box Canyon, and WILLIAM MILES, 20, son of Mr. and Mrs. Louis H. Miles of Pacoima, were joined together in holy matrimony before an intimate assemblage of friends last Saturday, September 3, at 8:30 p.m. at the Canoga Park Methodist Church with Rev. C. L. Palmer officiating.

Following the exchange of vows a reception was held at the Burton home, after which the couple departed for a weekend in Monterey. Both are students at UCLA and will resume their studies next Monday; Barbara is a sophomore and Bill is a junior.

Attending them were Barbara's sister Betty as maid of honor, and Peggy Hood of Van Nuys as bridesmaid; Wm. R. Lee as best man and Wm. Burton as usher.

Their marriage culminated a romance of two and a half years which has thoroughly seasoned their ship as they embark upon the sea of matrimony. Our very best to these young people in their marriage career.

ALEX & JESSIE SUMMERS of 10719 Lurline left last Saturday for a three-week vacation trip, part of which will be spent salmon fishing in Oregon and the remainder deer hunting in northern California. They will be joined shortly by MR. & MRS. G.K. BAILE of 22152 Devonshire, who are visiting relatives en route north.

AWARDS FOR WATER SAFETY

Last Friday night, friends and parents of advanced swimmers gathered around the lovely pool at the Gordon Watt's residence, 10955 DeSoto and witnessed a demonstration of water safety and rescue.

The boys and girls were excellent in their demonstration of throwing out the lifeline to a sinking person, retrieving articles from the bottom of the pool, various techniques in combating an agitated sinking person, or one almost lifeless, etc. It was thrilling and we certainly hope some or all of them are around when we need help.

The boys and girls receiving their Red Cross emblems which completed 18 hours of instructions were: Karin Cruse, Marita Spotts, Linda Dahl, Kathy Morgan, Bonnie Baer, Ted Miller, Jim Woodman, Douglas Watts, Gene Croman, Roger Moon. Toni Altomari participated in the exhibition but did not receive the award as she had not been able to complete the necessary 18 hours.

Virginia Ruff, Charleen Janess, Virginia Kimble and Dave Riley were not able to attend but will receive their emblems for completed work.

Refreshments were brought and served by the parents and a wonderful social hour was enjoyed, everyone proud of the children's achievements. An envelope was given to Dorothy Watts for the purchase of some needed feature for the pool, in deep and sincere appreciation from the boys and girls for her devotion to them.

HOWARD & COTY MORROW on Vassar are enjoying the visit of her brother, Lyle Goss, and his son-in-law, Harry Brasier, from Geneseo, Illinois. Coty's father, Chas. Goss, also from Geneseo, left last week after a three-week's visit.

MISS DIANE DOWNING, daughter of the Sam Downings, former Chatsworthians and now residing in Newport, is, at the present time, staying with the Don Pauls on Shoup and attending Canoga Park High in order that she may graduate in February. It seems Newport doesn't have mid-term graduation and Diane is anxious to get her basic education behind her in order to try her wings. Glad to have you with us again, Diane!

HAROLD AND CAROLINE FROST, he of Oakwood Cemetery and she of Chatsworth Cleaners, were riding along joyously, minding their own business, Saturday before Labor Day, on their way to spend the weekend with friends in Independence, when 10 miles this side of Lone Pine another car loomed up out of nowhere and made contact. Caroline was knocked senseless and all of her unmentionables strewn over the desert, the car receiving a rough working over. Harold fared a little better; however, they still had their weekend with their friends and were able to drive the car back for a fix-up job here. We're glad they came out alive!!

How beautiful a day can be when kindness touches it!

--Elliston

CHATSWORTH LAKE HIGHLIGHTS

On August 17th, BUELL GRIFFITH, age 11, son of Mr. and Mrs. L.I. Karr, was playing with an ice pick, throwing it into the side of a tool shed and it flew back and hit him in the eye. He is in Los Angeles General Hospital and will be confined there for some time, and it is not known whether he will lose the sight of the eye.

MR. & MRS. RUSSELL HAMLIN are home again after spending the last seven months at Arlington, Calif. where their children attended La Sierra College last semester. Donald will resume his medical studies again this fall, while the youngest daughter, Bonnie, will take a year off from her studies to gain practical experience as clerical typist at Lockheed in Burbank. Their oldest daughter, JoAnn, was happily united in marriage on August 20th to LaMott J. Bryant, X-ray technician at St. Joseph and Van Nuys Hospitals. They will be at home to their many friends the first of October.

On August 7th, MRS. HILDRED COLLINS became a grandmother for the first time when her daughter in Northridge gave birth to a little girl, 8#1oz. and named Jeanet Lee Janes.

THE BUCK WASHBURNS have a new fenced-in patio which they are going to use for selling used plumbing supplies. The neighbors look longingly over the fence, wishing it would be a dance pavilion instead with its smooth, cemented floor - just what the neighbors need, they say.

DR. & MRS. ELMO SILCOX celebrated the anniversaries of Mr. & Mrs. Joe Charman and Mr. & Mrs. Neumann Watkins Saturday evening at Kraft's in Santa Monica. Without fanfare, Doc is Cupid's assistant in San Fernando Valley. When he still had his practice in North Hollywood, seven years ago, he introduced Virginia Cetrone, a patient to Joe Charman...and they married... then, came Mr. Larry Fry whom he introduced to Lillian Charman.. and they married..then, he came out to Chatsworth and introduced Sandy Krone, a former patient, to Bob Keidatz..they have twins.... then, Elva Buck to the Frito-Man, Mr. Lawrence Anderson...then Babe de Freest, the former movie stunt girl and patient of Doc's, to Warren Lewis of Chatsworth. Hear tell around that if he keeps gaining weight, he'll look like Cupid.

PAT SCHRADER visited five days with her great-aunt and uncle, the Livingstons in Glendale. TED SCHRADER moved into his very own room on Sept. 3, on which project his Dad has been working for over a year, so it is quite an event in the Schrader household for Ted to have his own room. As a sort of room-warming present, Grandma Letha Schrader of Sun Valley, came over loaded down with feather pillows for the entire family. She had them made from a feather bed that contained feathers from the geese her parents owned before she was born which means the family is sleeping on pillows with feathers over a hundred years old!

ED BURGETT, 10353 Owensmouth, went to work as usual Sept. 6th on his motorcycle and as he neared the entrance to Lockheed in Burbank, things became unusual and he and a truck made contact. He is confined to the Glendale Emergency Hospital and is fortunate enough to have no more than a fractured fifth vertebrae which will keep him in the hospital another two or three weeks; then he will be fitted with a brace and his return to work is indefinite.

Those attending were the Richard Nuttings of Eagle Rock, the Raymond Harris' and Robert Eastons of San Fernando, Robert Sanford of Pacoima and Miss Jean Simmons of San Francisco. These men are the operating engineers of the Valley Steam Plant on Woodman in Pacoima (the one with the red lights) which manufactures all the electricity for the valley.

THE TOM ZIMMERMANS, 22345 Plummer, are home from their vacation trip to Mt. Lassen Park, Sacramento, etc. visiting relatives.

CHATSWORTH MARKET et al

There have been a few changes made in McElvain's Market down there on Topanga. Mac and Charlie Tuttle are holding down the meat department.

JOHN BRADLEY has taken over the grocery department and his assistant is PAUL CRAWFORD. Mac says he's going to knock the back wall out in order to have more room, which will be a good thing.

John and his family of two small boys, one who is entering our elementary school, will move into one of Ken Morgan's new houses at 10343 Hillview just as soon as it is ready for occupancy. John has been the Borden salesman for this area for the last five years and so Chatsworth Market is like coming home. Paul lives in Panorama City and hopes to move here shortly.

Dorothy McElvain is still on the job every morning helping out and, with a twinkle in her eye, is looking forward to tackling new vistas.

A welcome to our newcomers and we most sincerely hope that this change will be beneficial to everyone.

FOR SALE: HUDSON '47 4-door sedan. The lady says it runs good and would be excellent transportation for anyone who has \$50.00. It can be seen and admired in the rear of 10414 Variel, or call DI.8-7015 to make sure you get it.

You get out of Life what you put into it - what do you put into it?

You remember in previous issues we told you that the GERALD JACKS sold their home and Associated Service Station and left for the east, with future plans undetermined.

They toured the east, visited their relatives and friends, went south and clear over to Florida, just looking, analyzing, etc. and came to one conclusion - there was no place like Chatsworth!

For the present they are living at Birmingham Trailer Court and Fern is transporting her boys, one to Canoga High, one to Sutter and one to Chatsworth, until their new home on Nordhoff Street is out of escrow and they can move in.

Welcome back, Jacks - somehow, you never seemed to be away - we must have known that you'd be back.

THE ALTOMARIS on Hillview enjoyed a week's vacation up in Sequoia.

THE RAY MOONS on Independence, with their four children, used the Roscoe Harris' trailer and went to San Clemente for a week.

THE FRED MILBURNS of 10670 Andora have sold their home to the Gersts who will take occupancy October 1st, and are building at 9744 Baden which should be ready in a couple of months.

MRS. SADIE HARRISON of 10811 $\frac{1}{2}$ Santa Susanna, our travelling grandmother, is back home after a month and a half visit with her daughter, the Eggles of Escalon, above Modesto.

IN THE PERFORMANCE OF DUTY

W N

MRS. RAY COOK of 10647 Variel in her capacity as school bus driver for Saunder's Private School in Burbank, suffered a collision, and a mangled left hand August 31.

She had driven her load of children to the school that morning but was asked to go and pick up another youngster, which was accomplished, and was about a half block from his home when the school bus was hit on the right side and turned over, pinning her left arm under the bus; and in her gallant attempt to ease the cries of the youngster she wrenched her arm away and made it to the rear exit. The child was, most fortunately, not hurt and ran home, but the ambulance was there in seconds and Mrs. Cook remained in the North Hollywood Hospital until September 8th, but makes daily trips to the hospital for therapy which will continue for six weeks. Amputation of the third and fourth fingers of the left hand was suggested but Ray advised the doctors that even if it meant a series of treatments, inconvenience and pain, to preserve the fingers at all cost; however, there is still a question whether they can be saved.

THE DORMANS of Twin Lakes have had an influx of enjoyable company. Mr. & Mrs. Ben Sager and Mrs. Lydia Lambert of Detroit, Mich. arrived during our extreme hot spell which caused a lack of water up in them thar hills and they had to go to the Dorman's daughter's place in Santa Monica for a bath, and to make the trip worthwhile, they all spent the night. Mrs. Paul Gess of

RAY COOK, 10821 Santa Susanna, is the winner of the men's single meet just completed at the Tarzana Bowling Alley - and he has a trophy to prove it!

The picture "Kiss of Fire" currently showing at various theatres, is based on the novel "The Rose and the Flame" written by none other than our very own author, Jonreed Lauritzen of 10945 Santa Susanna, the San Adriel Ranch. He is re-writing a novel which was burned in our fire last fall; his children's book "The Trial of the Young Hunter" won the award by the Child Guidance Commission of New York last year as being the best.

OUR BOBCATS, Chatsworth soft-ball league, are the best cats around and a trophy in McElvains Chatsworth Market proves it. They have won it for two years and if they win again next year, that retires the trophy and it is theirs for keeps. After the game last Tuesday night, the boys and their girl friends were entertained with a party at Chatsworth Center - dancing and a wonderful buffet supper.

Hisperia, that new community near San Bernardino, Ida's sister, arrived on the 9th for a few days.

ACTIVITIES OF COMMUNITY CHURCH

MRS. ESTELLE KEARNS, in her capacity as Spiritual Life advisor in the W.S.C.S. has been the principal speaker at the three ladies' circles this past week. The theme of her message has been an inspiration to each and everyone in that we would do our work more joyously and without thought "to the little foxes that spoil the vine" if we would commit our work unto the Lord and for His honor and glory, not ours.

At the Official Board meeting last Monday it was agreed that all commissions would meet on the second Wednesday of each month and immediately thereafter convene for the monthly board meeting in order to consolidated as many meetings as possible into one evening. Most joyously received.

OUR COMPASSION

On September 4th, Kay Patrick, 10238 Vassar, drove her husband, Bob, to the airport for his sojourn in St. Louis, and FRED MILLER of 21325 Devonshire accompanied her. On the way Fred was stricken with a heart attack and driven immediately to the Valley Hospital where he has been under an oxygen tent. He will be in the hospital another two or three weeks more and then remain quietly at home for four months.

Virginia Miller and the three children stayed with Kay Patrick on Vassar until last Saturday when she went back to her own home. Her mother, Mrs. Young and Fred's brother Bob have arrived from Jamestown, New York to be of great assistance to the entire family.

Our sympathies to Fred and Virginia in this period of confinement and adjustment and we want you to know that this entire community, through Rotary, the churches and the service organizations, and individuals stand ready to help whenever you say the word - willingly and ably!

The day Bob Patrick left, their young Billy fell and broke his arm but the cast came off the day school started.

The ladies of the Community Church are honoring the members of the choir and their families with a dinner tonight in appreciation for their unswerving devotion to producing the finest music every Sunday, this side of Heaven.

THE FRANK STRICKLIN family enjoyed a tour of Northern Calif. for 9 days.

MRS. ALICE MORSE, Asst. Editor of Canoga Park Herald, is on a leave of absence and resting quietly at her home on Craggy View before going into the Good Samaritan Hospital again next Thursday for another major operation. We certainly hope, after this one, no more!

THE SCHEPLER CLAN are having their ups and downs - Patriarch Schepler is on the up trend as we see him out there on that corner acreage where the Standard Station is going up, waving his arms and supervising the job. Stay right in there, Dad - if it's for Chatsworth, we want it right!

The Frank Schepler children, Eddie, Billy and Caroline are home with the mumps and mama Lillian (they of the Patio Hamburger Stand) certainly hopes they're ready for school next Monday. This is the confinement period and keeping three lively children within the house, from rising till bedtime, is making mama look forward to a straight jacket. It can always get worse, Lillian, so take cheer.

The Bill Scheplers of 22430 Lassen (Schepler Lane) were making preparations for a party and had all the guests notified when Lila's intermittent stomach aches exploded and she was operated on Thursday morning at 4 a.m. at Valley Hospital for ruptured appendix and in Dr. Miner's care. She came home last Sunday, is still in bed, but feeling fine - - and wanting to go back to work at Orcutt Playground; horrible thought; take it easy when you can, Lila; even operations have their compensations for that much needed rest - take it easy, sister!

GONE BUT NOT FORGOTTEN

MRS. JOSEPHINE NAGLE, 79, aunt of Mr. and Mrs. Paul Riner, passed away August 28th at the Van Nuys Rest Home. Services were held at Oakwood September 1st, with Dr. Hayward officiating.

Mrs. Nagle had been a resident of Chatsworth for 40-45 years at 22937 Chatsworth Street and it goes without saying that she watched this little town change and grow. Mr. Nagle was in real estate here and passed away 14 years ago. Up until four years ago Mrs. Nagle lived alone and was a familiar figure on her daily walks to the business section; then her favorite niece and husband came out and they purchased the property and remodelled the old home and she made her home with them, until two months ago when it was necessary for her to have constant care.

As we traverse that block between Devonshire and Chatsworth on Santa Susanna, we will often be reminded of her - her sweet smile - her gentle ways. The changes she saw in this town!

MRS. ANNA R. BRIGGS and MRS. LILLIAN SENZ, mother and aunt of Harry Briggs of 9155 Jordan, the honorable secretary of our Chamber of Commerce, changed their residence from smog-ridden Los Angeles to 21815 Nordhoff Street as of September 2nd. These two lovely ladies are both over 80 and they can well remember when their present site was a boysenberry farm. In the exuberance of getting settled, Mrs. Senz broke her arm!!

CECELIA, campfire girl, is following in her mother's footsteps by getting third for her peanut-butter cookies.

Our information on what the 4-H Club members accomplished at the Fair is so very incomplete that we could not do them justice - will give everyone credit in our next issue.

Did anyone else enter anything????

MRS. SCOTT BRADLEY, 9730 Andora, is featuring a broken arm!!

DR. & MRS. HAROLD HAYWARD of the Community Church sent out invitations to the entire membership for a fellowship in their home at 10878 Louise Avenue, Granada Hills, last Wednesday, Thursday and Friday evenings. This has been their yearly custom preceding the fall season of activities and one greatly enjoyed. Games, pictures, conversational tidbits and refreshments were the order of each evening.

Little Alice Anita, weighing 8 lbs.2 oz. arrived August 29th at Valley Maternity Hospital, to add her blessing to the home of the SAMUEL ARMSTRONGS on Varial Avenue, making the fourth little girl, sisters Jessie, Ruth and Susan.

No doubt her little girls will be artistic too, and following in her footsteps.

BIRTHDAY NO. 1

Little Bryce Aldon FRAZIER celebrated his first birthday on Sunday, August 14th and a family reunion was held at his home, 10216 DeSoto, with 10 adults and 4 children coming from Glendale, Los Angeles, Torrance, Covina and San Bernardino. From far and wide, they came.

After a refreshing swim in the pool, the guests were served a swiss steak dinner patio style, complete right down to the ice cream and beautifully decorated angel food cake, with one candle.

Thereafter, everyone moved indoors to view the birthday cards and gifts and to be the participants in all the snapshots taken.

LOCAL DINNER DANCE

The beautiful garden of the Harold R. Sunde's on DeSoto Ave. became the setting for a dinner dance Saturday, August 27th, in honor of Mr. and Mrs. Bud DuBrock of Long Beach, former Chatsworth residents. Twenty couples, who were close friends of the DuBrock's, were in attendance. After a delicious steak barbecue, the evening was spent dancing on the patio - the indirect lighting making a lovely setting.

CARL GUSTAFSON of Twin Lakes is home from a two-month's trip to Finland to settle his father's estate, flying both ways.
