## AUTUMN

A Condensation by Roger Wray

In the waning of the year, the world is full of sombre solemnity and a pathetic sense of old age, according to our poets. "The melancholy days are come, the saddest of the year, of wailing winds, and naked woods, and meadows brown and sere." So says William Cullen Bryant. And Longfellow tells us "Yes, the year is growing old, and his eye is pale and bleared." Accordingly, when I went a long ramble through the countryside this morning I was fully prepared to observe the sad tokens of autumn. But a glorious surprise met me at the moment of my lamentation to exultation -- for who are the ones who wail and declare them solemn? Who are the ones who in gales and talk about senility? Who are the ones who paint each flower with delicate work -- the child of summer's joy -- of paint about in wildest carelessness. The leaves reserved for roses and tulips are splashed and the old creeper-covered eaves are dipped and soaked in fiery flames. The old man never rest till he has used up the pantomime-woods and declared that the whole world is his was her shroud! The whole spirit is as that of an eager child.

The occasional quietness is more

CONSTITUTION WEEK

This event was grandiosely recognized by the Santa Susanna Chapter of the D.A.R. at an impressive ceremony held on Monday, September 19th at Chatsworth Center. Flags, flowers from Chatsworth Florists, and a beautifully set refreshment table greeted the eye as a goodly representation from various organizations within our community, and individuals, gathered together to hear the message from the Hon. Edgar W. Hiestand, California's representative to Congress.

Mrs. Minnie Lanahan, Regent, opened the meeting by having the colors advanced by a member of the cubscout troop and the Pledge of Allegiance to the Flag was led by Mr. George Cruse, Commander of our American Legion, Post #622. Then followed one verse of the song "Star Spangled Banner" with Mrs. Kate Sheridan, President of our Women's Club at the piano. The Invocation Prayer was given by Father Murray of the Episcopal Church, St. Martins-in-the-Field which was followed by a solo from Mrs. Helen Fladwed "The Lord's Prayer" accompanied by Mrs. Sheridan.

The President's Proclamation setting aside the week of Sept. 17th to 23rd to recognize the founding and terms of our Constitution was read by Mrs. Arthur Fink. Mrs. Flora Boughton acquainted the assemblage with the amendments in the Bill of Rights. Thereafter, Mrs. Lanahan introduced representatives from our organizations, and then turned the meeting over to Mr. Hiestand

who spoke in a very free and easy manner of the rights and freedoms we enjoy under the terms of our Constitution. He recounted them one by one and declared that our Constitution is the greatest document ever drawn and is more effective today than at the time it was formulated. Although the name of God is no where mentioned, surely and truly the fathers of this instrument were guided by Him in making this nation safe for democracy. It is an instrument that is a stumbling block to the Communists because its terms are not centered in Washington, D.C. but in the individual forty-eight states; therefore, subversive action would have to take place in forty-eight states. Mr. Hiestand encouraged everyone to acquaint themselves with this document and its 22 amendments (ask any librarian for a book on this subject and become better acquainted with the laws of our country and your rights as a citizen).

Dr. Hayward offered the Benediction at the close of the speaker's message, at which time the colors were retarded before the meeting adjourned for the social hour.

A lovely tribute to our country, and Mrs. Lanahan extends her appreciation and thanks to all who came to make it such a memorable occasion.

FIRST FALL MEETING OF W.S.C.S.

Mrs. Frances Mahieu presided over the meeting held Sept. 21st in her capacity as president and the meeting opened with the singing of the hymn "In the Service of the King" with Mrs. Estelle Kearns leading the group in devotions.

The business at hand was taken up and a discussion ensued on the preparations for the annual turkey dinner and bazaar which is scheduled for Friday, November 4th. The Ann Johnson Circle will be in charge of the Bazaar in the Gift House; the Love Circle will prepare and serve the food in the kitchen and the Esther Circle and Girl Scouts will man the dining room.

The day's meeting proceeded with Mrs. Kearns and Mrs. Mahieu presenting "Echoes" of the Officers Convention which they attended at Redlands University Aug. 22-26th. Mrs. Katharine Johnson brought the group sharply back to earth when she related the hardships of families in Korea where war has devastated any semblance of family unity and homelife. (We could do with half and still live in the lap of luxury—all of us!! Christmas is coming up and a few CARE packages from you would help tremendously).

The social hour was enjoyed through luncheon which was deliciously prepared and served by members of the Ann Johnson Circle.

WALTER ALLISON, 10309 Variel, is in Caspar, Wyo. enjoying his annual trek of being guide to wild game hunters. When the season is over, Sparkyl will fly up and join him.

on Thurs. Sept. 22nd, FRANK & LOIS MORRIS and daughters, Mrs. Rueben Halverson and Marie Morris of L.A. spent a wonderful day at Knott's Berry Farm, having their pictures taken and enjoying a delicious fried chicken dinner.

The THOS. GRAYS have sold their home on Raymond and bought a new home in San Fernando at 619 Lizard St. They have been living in Eagle Rock for the past year or so, and their many friends will be glad to know that they are back in our valley.

On Tues. Sept. 6th, the FRANK BENNETT celebrated their 33rd wedding anniversary with a family dinner, which also honored their son's birthday, Russell, which was the day before.

HAPPY BIRTHDAY TO US

On October 4th, next Tuesday, ye old West Valley Letters, from which office stems The Grapevine, will observe their first year in business. Yep, one year has passed since we opened our doors as two broken down housewives in a secretarial service and we haven't done so badly; the creditors are still on the outside of the door; there have been times when they've almost gotten their feet in, but we've been able to hold them back. Now, at the end of one year, our foundation is pretty secure.

You often see on letterheads: 50 years experience - established since 1905. Would you suggest we put on our stationery: Established in 1954 - one year experience - ?? No, we'll wait awhile. Anyway, we've had a lot of fun in our little business, thanks to all the gay times you contribute toward it, and we both feel that this little business will go on and on, thanks to our Third Partner - our Almighty God.

Congratulations to West Valley Letters for a wonderful little business!!

THIS TOWN IS GROWING AND SO IS EVERYTHING IN IT. Janess Warehouse is being forced to expand so Chuck is going to remain in the warehouse and perform the extra duties that are being prevailed upon him. Note additional services in ad on Page 6. This is not your birthday, but we'll congratulate you too. We're in a congratulatory mood this issue.

AQUA SIERRA SPORTSMEN'S CLUB

Tomorrow, October 2nd, the Fifth Annual Palmer Shoot will be held at the club grounds, participated in by the members; however, the fields are open to the public and an invitation is extended by the Club for any and all to come and witness this exhibition and to use the fields for your own practice.

Shotguns of 12, 16, 20, 28 and 410 gauge are permissible, and are also for rent. The grounds comprise 60 acres, with six fields: four combination, either trap or skeet, one single trap and one single skeet, plus a 60' hightower for bird practice. Shells and "flying saucers" are available on the grounds.

Miss Helen Thomas, 15, a Junior High student and a member of this Club, won the Women's Championship in Trap Shooting at Vandalia, Ohio recently and is the youngest in history to win in a national competition. She bears a handicap in that she is a deafmute which makes this accomplishment all the more praiseworthy. Her family are all members of our Club, and one day last week Art Baker of "You Asked For It" on Channel 7, came out and took pictures of Helen's prowess and which will be televised in the very near future, so look for it on Sunday nights.

When you go out to the Club, make yourself acquainted because they, the members, would like to know you too. The Hillmans, Chatsworth residents for years, operate the food emporium, and will be glad to see you, and they will introduce you around.

THE CARLOUS DORMANs of Twin Lakes enjoyed a recent visit with Ida's cousins, Mr. & Mrs. Stillfield and Mr. & Mrs. Seth Riddle from Kansas City at the home of relatives in San Fernando. On the 18th friends from LaHabra came early Sunday morning to spend the day. On the 20th they were awakened out of a sound sleep at 12:30 a.m. by the ringing of the telephone and received the announcement from their son Don that they had become great-grandparents to twins, a boy and girl, born to Don's son's wife. On the 22nd relatives honored Ida Dorman with a dinner party in celebration of her birthday.

MRS. ROSA PIERCE of Lincoln, Neb. is here visiting the Bill Fish family on Jordan Avenue. Mrs. Pierce is a spry young girl of 82 years and is the GREAT, GREAT grandmother of Bill and Joy's daughter's children, of whom Edith has three, the oldest being now 7 years of age. With Mrs. Pierce' excellent health she could become a great, great, great grandmother yet!! Now, can anybody top that???

Our loved ones are travelling the road ahead of us - just blazing the trail. Are you prepared to follow? They would want you to be. This world is not our home-we're only passing through; and they would say to us: 'Don't wait - - prepare - - don't wait - - prepare. Every moment is so precious - - and there are so few!'

CIVIL DEFENSE MEETING

Block Wardens and the Citizens Committee of this area were called together for a meeting of the Civil Defense & Disaster Corps last Monday night at Chatsworth Center and a goodly number were in attendance.

Refreshments concluded an informative evening, presided over by Eugene Hornbostel, District Coordinator and Zone Warden for the entire San Fernando Valley, Mr. Bishop, Asst. Executive Director, and Alta Potter of the Women's Division.

HEAD-ON COLLISION

ART YOUNG of 22516 Lassen, was driving home from work Monday, Sept. 19th, and was on the curve north of Nordhoff Street on Topanga when a passing car from the other lane hit him. He is expected home today from the hospital.

NEW NORTHRIDGE HOSPITAL

Our own nurse, Mrs. Celia Woodman of 21920 Nordhoff, is Supervisor of Nurses on the 3-11 shift. On the opening day, Celia registered six operative cases, on this shift alone.

MRS. ALICE MORSE of Craggy View left Good Samaritan Hospital last Monday after a very successful operation, and is resting at the home of friends.

Love little children, for it is not a slight thing when they, who are fresh from God, love us.

JOHN WOODALL, who has lived in Chatsworth since he was a small boy although his mother is currently living in Texas, was married to Laura Galbraith of Canoga Park in Las Vegas on July 20th. John has been overseas and returned about four months ago. They are making their home in Canoga Park, where they both attended school.

The granddaughter of FRED and GOLDIE ALLEN of Variel Avenue, Miss Pat Petersen of Canoga Park was married to Clarence Mallory in her home last Sunday afternoon. Miss Carol Smith of Vassar was her only attendant and step-father Mr. Clarence Stafford, attended the groom, with Dr. Hayward officiating. Little Miss Pat and her brothers are in and out of Chatsworth constantly, so they are not strangers. We hope you will be very happy, Pat.

DR. & MRS. BORROUGHS HILL and son REID, 12, are again at home - 10,000 Tampa - after a most enjoyable and thrilling three months vacation in the east. Dr. Hill was asked, as a visiting research scientist, to further his studies on cancer at Bethesda, Maryland, where they remained for two months. Then they spent a month touring United States, being able to participate in the Golden Wedding celebration of his parents in Virginia and for Mrs. Hill to visit her father in Cleveland. Reid received his "Citizenship in the Nation" merit badge in scouting while in Washington, D.C. where they were treated royally by members of government, and had a long visit with V.P. Richard Nixon.

BOB and RITA HOLMES, formerly of 9644 DeSoto and living up in Arcata, Calif. near Eureka, are homeless. It's been hot up there too but on Sept. 13th it cooled off and they fired up the old wood stove. At 1 a.m. they were awakened by a crackling noise and before assistance could come, the house burned to the ground; a defective flue. Bob is taking two months off to build another house. And so it goes - you never know!

GLENN SMITH, 10346 Vassar, was standing in the wrong place when a 350 lb. crate fell off the truck at General Motors and ripped his right leg, necessitating more stitches inside than outside. He has to be driven in daily to GM's infirmary for treatments, etc. and will be laid up for some time.

At CANOGA HIGH SCHOOL fourteen teachers were taken off the staff. Last year the enrollment was 2427, to date there are 1450 enrolled. That doesn't mean the teachers are unemployed! Mrs. Jennings went to Reseda High.

## FEATURE SECTION

ROTARY CLUB OF CHATSWORTH

In the span of time, it is such a little baby, but because of its basic, sound principles, the influence of this little club is certainly being felt in our midst. Every member seems to radiate an expectancy and the joy of fellowship in meeting together, as they do at White Sands every Wednesday noon.

In addition to helping individuals as the need arises, and which they are eager to do, our club is looking out for a foreign student at Pierce College, namely, one Monsuru Ola Disu from Liberia.

Disu is a member of the international organization called VISA (Visiting International Students Association) where all the foreign students are self-sustaining but are over here for higher education. Disu is studying the manufacture of dairy products, such as cheese, etc. but these students get lonely. Our club has furnished him with a bicycle for transportation and he lives on the campus, but would appreciate odd jobs, or social and dinner invitations.

On Sunday, Sept. 11th, Mssrs. Parchman, McKeeby, Dempsey and Mr. and Mrs. Crowley went to Lancaster and participated in the festivities planned for approximately 50 VISA students representing 22 different countries. The Lancaster and Palmdale Rotaries sponsored the day's activities by having a fried chicken dinner for everyone at a ranch, then on to the Fair and Rodeo, of which

some of the students had never seen the like, and then in the evening to a cafe in Bouquet Canyon for a smorgasbord dinner.

In November a dinner-dance is being planned for all of these students at Chatsworth Center and it would be an honor to be asked to attend or serve in some capacity.

On October 19th there will be a dinner-dance at the Center in a joint celebration with Tarzana for the organization of Rotary-Anns (the women's group).

Our club is also active in the Tournament League which bowls every Monday night at 9 o'clock in Reseda. The members on the team are: Bob Whiteford, Bill Dempsey, Chappie Hayward, Ray Hultman, Gay Minardi and Hank Crowley. To date they have played three games and held first and second place the first two games but fell back last Monday night.

Their weekly bulletins are outstanding in design, color and content. Each week items of interest are brought before the men, either international, national, district or local; and, of course, they have a tremendous system of ferreting out news and assessing fines upon the members for any infractions, which, all in all, tends to keep their enthusiasm to boiling point.

Their 4-point test is:

1. Is it the truth?
2. Is it fair to all concerned?
3. Will it build good will and better friendship?
4. Will it be beneficial to all concerned?
