COCAPACHAVI WON SLOOP AT GAM

Everything's all right - you haven't lost your senses.

COCAPACHAVI is the name of our Mariner troop of Girl Scouts.

SLOOP is the rank they won.

GAM, in maritime terminology, means a frolic or gathering of whales. In former times whaling vessels were at sea for many months, and when ships met in mid-ocean it was customary to slack sails while the crews entertained with demonstrations of seamanship skills and general sociability. This activity became known as a "gam", and so it was that Hansen Dam was the completely undeveloped site chosen for this year's Gam, held last Friday, Saturday, and Sunday, and a completely top-of-the-world experience was had by all.

There were 1100 girls present in addition to their mates and skippers, and among them was our small but forceful group of girls: Louise Scheppler, Virginia Ruff, Sandra Stalkup, Suzanne Playford, Bonnie Baer, Elsa Braun, Carol Riley, Carol Smith, Sue Smalley, Carole Snee, Virginia Kimble, Charleen Janess, with Skipper Mrs. Eileen Janess and Mate Mrs. Dorothy Watts.

Points were given for each achievement, whether on land in camping techniques, or in the water. A great sense of fellowship and helpfulness prevailed among all the troops;

no one girl was permitted to participate in all the events; and in the awarding of merit certificates, starting from catboat with scores from 0-51, Sloop, then Schooner and top award Clipper, no mention was made that this troop or that troop excelled over and above their sisters in points.

Our troop was organized last September and in April received their book on what would be expected of them in this "Gam" so our girls have really been working and it was one of their wildest dreams to be given the award of "Sloop" but they made it. Hurray!

Worship Services were arranged for all to participate - girls of the Jewish faith had their services on Saturday - Catholic girls were taken to mass - and Protestant girls congregated together - 800 strong at the break of dawn on Sunday morning, all attired in their blue Mariner uniforms.

Truly it was a city within a city, of tents, and flags, and creativeness in arranging their own camp site. The girls all glow from the inside through their sun-tanned faces, revealing a mountain-top experience in their young lives.

Their heartfelt thanks are expressed to all who helped through the Bake Sale, which helped make it possible for them to participate.

Welcome, Debby Lee

IN AE LEE, Korean-American orphan, age four this coming August, was scheduled to fly into the arms of our mayors yesterday via Pan-American Airways from its last stop-over in Tokyo, Japan. She will be renamed Deborah Lee Rogers, and Debby and Dodie, their youngest up to now, will be playmates for each other.

What a blessing are people like the Rogers, and the Holts up in Oregon, and many, many others who are taking into their homes, or otherwise supporting these war orphans of American GI's--orphans who are shunned to a certain extent by the natives of the countries across the way, and yet who are as much a child of God's as we who are secure in our heritage.

"World Vision", a Christian organization, has taken over the sponsorship of these little waifs, numbering about 800, and Dr. Bob Pierce himself is bringing this current plane-load of 25 children from Seoul, Korea, and depositing them all over the United States where applications have been made

for them. For the small sum of \$10.00 per month you may support one of these children in the orphanages they have for them in Korea, Japan, etc.

Our most cordial and hearty welcome to our newly-arrived Chatsworthian -- Debby Lee Rogers.

On May 15 little FRANK, son of Dr. Joe and Rose SCHURTER on Chatsworth Street, crushed his finger in a closing door and instead of yelling for help pulled his hand away, severing the end of his finger. With assistance from all directions, he was rushed down to Dr. Brainard's office and flesh and bones put back in shape and now has it in splints. Never a dull moment, and the Schurters have four of them. A wonderful family!

Mrs. GEORGE GALPERIN (Shirley) on DeSoto left on May 16 to attend the funeral of her mother who passed away from a heart attack at her home in New York. Papa George is at home tending the chickens with son Ira's help, and little Ellen a big help in the house.

A wonderful get-together was had at the CHATSWORTH LAKE COMMUNITY CHURCH when the McKaughan family, Rev. Roy with the trombone, Mrs. McKaughan at the piano, and their daughter at the marimba, entertained the assemblage prior to the showing of their film. Rev. Roy, who comes from the Winnetka Christ Community Church (who also helped our Rev. Hughes when he first started out in the Baptist Church) will take over the ministerial responsibility of the congregation until more definite plans are made in the future.

Thy Will Be Done

Love not the world, neither the things that are in the world. If any man love the world, the love of the Father is not in him. For all that is in the world, the lust of the flesh, and the lust of the eyes, and the pride of life, is not of the Father, but is of the world. And the world passeth away and the lust thereof: but he that doeth the will of God abideth forever.

PTA

The new officers of the Chatsworth PTA were installed in a lovely ceremony at the school auditorium Tuesday afternoon, by the school principal, Mrs. LaVerne Lee. Mrs. Lee used the theme of art and had the installation ceremony written in her usual clever verse.

Officers installed were Mrs. James Armstrong, president; Mrs. Joseph Jurnecka, first vice pres.; Mrs. Sidney Fasken, second vice pres.; Mrs. Eloise Overlin, third vice pres.; Mrs. John Thornton, secretary; Mrs. Walter Rasmussen, treasurer; Mrs. George Cruse financial secretary; Mrs. T. K. Wyre, auditor; and Mrs. Earl Meuhlenbach, historian.

The theme of the day was "The Arts For Our Children" and a special feature was a group of flower arrangements made by the pupils. Several ribbon awards were made and the members were greatly surprised at the almost professional work of some of the displays.

Music was provided by the school chorus directed by Mrs.

Frances Reding.

Room Mothers from Mrs. Gertrude Katz's room were hostesses for the refreshment hour.

This is the last official meeting of the PTA for the current year. Now for a couple of months rest and then start in all over again! Happy vacations.

JAMES KIMBLE is wearing a back support for a time, because of recent injuries sustained in a fall down-hill while on duty with the County Forestry Department.

Mr. and Mrs. RONNIE FROST and two daughters have returned from Washington, D. C., where Mr. Frost has been stationed for three years. He has re-enlisted for six years and is now attending the Howard Hughes Radar School in Santa Monica where he is located with his family. Upon conclusion of the course in six months he will go back to Washington, D. C., for further assignment.

Chatsworth Lake Highlights

By GLENN A SCHRADER

On Saturday night, May 12, as a special Mother's Day treat, Allan LOVELESS took his wife, Louise, to the Ice Capades. Louise's sister, Ann Philmalee, and her friend Lefty also went with them. Jim SIMONS had to work on Mother's Day, so Dot's brother George Boomhower took the family for a nice drive along the coast and they brought home a Chinese dinner so Mom wouldn't have to cook. The KERN family went to visit son Tom at the Preparatory Seminary in Compton. The Bud MASON family went to Bakersfield on Saturday, May 12, for a family reunion and camped overni ght at Littlerock Dam. Maxine and LaRoy BRIGGS and children went to Santa Paula for a picnic Bill SCHRADER took his family to Rand's Roundup for a real feast. Mattie ARTER was confined to her bed a few days with a bad case of flu. Ralph HARTMAN, who is a patient at Sawtelle, was brought home one day last week for a few hours by his sister Billie Louk, to pick up

a few things and gave his neighbors a chance to run in and say "hello" and wish him well. On Monday night, May 14, Betty and Al MARCUCCI gave a farewell party for Bonnie and Ed WILLIAMS who left by plane on the night of May 16. Bonnie and children were headed for Hopkinsville, Kentucky, to visit her folks for a month as Ed was transferred to Huntsville, Alabama, in his line of work for North American. He will be there for two weeks and then return to Huntsville and establish a home so Bonnie and children can join him. Getting back to the party, it was a lovely affair with dancing and refreshments, and a set of dishes was presented to them as a going-away gift. Their friends who attended were Tessa and Bud Mason, Madeline and Arvy Mason, Maxine and LaRoy Briggs, Frances and Harriet Hayley, two couples from Canoga Park, and little ole Me.

 Along with writing for the Grapevine, Glenna tells us now she's going to take orders for bronzed baby shoes!

Last Thursday Journalism Class, period 1, went to the L. A. Times to see how a big paper works. Some of the things they saw were the teletype and telephoto service, and the work behind the women's and sports pages. They saw a "mat" from which the printing is done, then the folding, marking and distribution of the paper. Later that day they visited the City Hall. Second period will go on the same trip next Thursday, May 31st.
