VACATIONING PTA

by Anna R. Werren

It is not strange that people who work so harmoniously together differ on where to go to relax on one's vacation. Just such people are the board members of the Chatsworth Park Elementary School PTA.

The Roscoe Harris and Ray Moon families took off for Lake Cachuma with fishing in mind. Our school Principal, Mrs. LaVerne A. Lee, with Mr. Lee, departed for Kansas City, Missouri, to visit relatives.

The Wilbur Todds will leave Saturday for Bass and Clear Lakes on the western side of the Sierras, while the Robert Werren family will be northward bound for Twin Lakes on the eastern slope.

June Lake is calling the Ralph Christensens and the seashore beckons the Earl Muehlenbachs to Carpenteria, while the R. L. Johnson Jr. and Wm. McGinnis families will travel southward to Balboa for two weeks.

Carlsbad Caverns and a visit with relatives in Albuquerque will be the destination of the J. T. Larsons. Mrs. John Thorton's mother, Mrs. E. McKenna, is arriving from New Orleans and later the family will vacation at Lake Gregory.

Newcomers to Chatsworth and California are members of the Edw.

Art Tour

Four carloads of ladies from the Chatsworth Woman's Club spent an unusual and very enjoyable afternoon Wednesday when they made a tour of the Paul Getty museum in Santa Monica. There was a fine display of French furniture and the conductor gave an interesting history of it. They also saw the fine art and sculpture display and were thrilled with the beauty of the gardens which maintains as far as possible the natural flora and fauna.

The ladies enjoyed a picnic lunch on the Palisades before touring the Museum. The trip was planned by the art chairman of the club, Mrs. Arthur Young.

Mr. and Mrs. RAY BERNHARD entertained Mr. Bernhard's sister, Mrs. Carmen Ramos, and two children of Los Angeles last week.

CARLOUS DORMAN celebrated his 70th birthday last week when he was the honored guest at a family reunion at the home of a cousin in S. Monica.

Harris family who plan to drive coast-wise north to the Redwood Empire then cross over and back through the Yosemite area. They are anxious to see the wonders of California, hoping they are as beautiful as they have been told.

The LYLE COOPERS of 10028 Canoga returned last Saturday night from a 3-weeks vacation in Minnesota and South Dakota visiting friends and relations. A wonderful trip.

MILDRED TAYLOR, age 15, arrived Monday, July 16 from Ellendale, Minn., to spend the remainder of the summer with her aunt and uncle, Mr. and Mrs. Frank Stricklin of 10831 Andora.

"Are you taking a vacation this year?"
"No, I decided that I need a rest."

Mrs. JEAN ELLIOTT and her daughter Margaret from Waco, Texas, are here on a 3-weeks visit with her folks, Mr. and Mrs. R.P. Boggis of 9939 Topanga.

"Live so the preacher can tell the truth at your funeral"

Mrs. ROSEMARY JOHNSTON and her group of Junior High girls from the Community Methodist Church are down at Cedar Glen Camp at Julian, near San Diego this week. Those enjoying this outing are: Marita Spotts, Karin Cruse, Ellouise Marriott, Virginia Ruff, Sandra Robinson, Kathy Morgan, Carla Rae Schoonhoven, and Toni Altomari. They are indebted to the Men's Club of the church for giving them \$90 toward their expenses; and they are also indebted to Dr. Miner for giving them a clear bill of health prior to their departure last Saturday.

As you read this, ye editor Viola Haskell along with son Philip and his friend Randy Davis are braving the ocean waves on a long-promised trip to Catalina. And the work still piles up on her desk!! The call of the open sea gets us l at one time or another. Have fun!!

Thy Will Be Done

But if we walk in the light, as he is in the light, we have fellowship one with another, and the blood of Jesus Christ his Son cleanseth us from all sin.

If we say that we have no sin, we deceive ourselves, and the truth is not in us.

If we confess our sins, he is faithful and just to forgive us our sins, and to cleanse us from all unrighteousness.

Spiritual Lambs

The Chatsworth Community Church had as special guests the youth group from the Canoga Park Methodist Church, to share in the program Sunday evening when a group of negro singers, the Spiritual Lambs of Pacoima, presented a delightful program of songs and spirituals, followed by refreshments supplied by the youth. Adults of the church were invited as well, combining the Senior MYF with the regular evening service.

The singers were most generous with their renditions and their songs were thoroughly enjoyed by young and old alike. They are planning a 6-weeks tour through Texas and other southern states in the very near future.

Valley Youth Sing

Close to 200 youth invaded the First Baptist Church of Chatsworth Sunday evening for a Valley Youth Sing. This is an organization stemming from the Baptist youth organizations which meets regularly at various valley Baptist churches for songs and fellowship and devotion.

The local church has great plans for its youth in the way of spiritual and recreational programs, and with these combined get-togethers with fellow churches a wonderful future is seen for the furthering of God's Kingdom through our young people.

 "Expect great things from God; attempt great things for God."

Much remodelling has gone on in the Groth's estate at th^e old Pepper Tree Ranch on Chats. St. Besides tearing down the old home completely and building one to meet their needs, the Groths have rebuilt the guest house to accomodate Mrs. Groth's sister and husband, Mr. and Mrs. Mix from Maine. Last Saturday the Mix's daughter and family, Mr. and Mrs. Endress and son of New Jersey, took occupancy of their newly built home on the property.

A DRUG STORE IS DIFFERENT than any other merchandising establishment. It requires a college graduated pharmacist, licensed by the state, on duty at all times. **WHY?** To safeguard public health. If Mrs. Jones received carbolic acid instead of boric acid, you can realize the consequences. Know your **PHARMACIST** as you would your dentist or your doctor. He is part of the team that safely helps you **GAIN** and **KEEP** good health. Modern research and manufacturing methods enable all of us to live happier, healthier, and longer. **HEALTH IS WEALTH!!!!**

Our customers do not patronize us because we are "cut rate". **WHY?** We like to think that support is due to the fact that the latest, highest quality pharmaceuticals are stocked, that the clerks are the most pleasant, friendly, courteous, and "on the ball"; that "service is above all. Perhaps our plant isn't the most modern but our service is. We are here to **SERVE** you. Come in and see us often. We shall happily accept any constructive criticism for improvement of our relations!!!

The late CHARLES JOHNSON clan had a family gathering at the Harold Johnson ranch Sunday, July 15, and those present totalled 65 which included members of the Glen Pogue (Dorothy Johnson), Harold and Kelly Johnson families, and from Lancaster the Ernest and Leslie Johnsons. However, 65 is a small figure compared to the over-all total of the descendants of Charles and Emily Johnson, whose parents Neils and Ann Johnson settled in Chatsworth in 1871. The outdoor table groaned with a potluck picnic dinner and besides getting

re-acquainted with the relatives, swimming was enjoyed in the pool. Mrs. John Ecroid (Emmy Lou Pogue) was honored by the ladies with a stork shower and the day was also the birthday anniversary of Ray Johnson, Jr., and Mrs. Floyd Russell (Charlotte Johnson) and a special birthday cake honored this occasion.

Mrs. ELEANOR MANDEL of Chatsworth Street recently left for an extended European tour. She made the trip by plane over the Arctic Circle.
