OUR SCHOOL

The Chatsworth Park School opened Sept. 7th with an enrollment of 463, an all-time high registration. The large enrollment has made necessary half-day sessions for part of the first grade, all of the second grade, part of the third grade, and all of kindergarten.

The community is fortunate to have Mrs. LaVerne Lee as the principal again. Her outstanding work and devotion to this community, where she has already served ten years, would be hard to surpass.

Two new teachers have been added to the teaching corps: Mrs. Helen Burke and Mrs. Georgia Jackson; Mrs. Juanita Gerard has transferred. The other teachers, who have served so faithfully in the past, have returned: Mrs. Gertrude Katz, Dorothea Verner, Kathleen Hollander, Margaret Burgess, Edith Holliday, Frances Reding, Eloise Overlin, Agnes Van Noy, Patricia Holmblad, Theresa Glenn and Betty Hughes.

BASEBALL GAME 2:00 p.m. Sunday, at Orcutt Park. Valley All-Stars vs. Chatsworth ROTARY CLUB. This is the boys' team managed by Leonard Chenard. Tickets will be sold in various business houses thru Saturday at 25¢ and all proceeds will go to the Chatsworth Youth Foundation.

A hearing was held before the State Board of Equalization last Tuesday on the application for a BEER & WINE li-

The first session of the Chatsworth Elementary School PTA was held Sept. 18th and HOSPITALITY PLUS was the order of the day. Mrs. Lee gave a short talk about the school and especially welcomed the mothers of the new children. Old and new business was thoroughly discussed and handled extremely well by the new President, Mrs. James Armstrong.

Newly ratified chairmen were announced as follows: Mrs. Dan Barton and Robert Huggins, Ways and Means; Ray Moon, Community Chest; John E. Farrell, School Education. Mrs. Geo. Cruse illustrated all the new methods the Hospitality Committee will put into effect this year. Committees featured were Hospitality, Youth Services, Membership, Magazines and Program. Refreshments consisting of a huge punch bowl of fruitcup, homemade muffins, tea and coffee were prepared and served by Room Representative Mrs. Edson Older and her co-chairmen, Mrs. Joseph Snook and Lloyd Davis.

cense at TOWN & COUNTRY CAFE. Twelve citizens appeared personally in protest. Mr. Zekvich presented his petition of signatures in favor of this application along with two of the signees. Facts and findings of this hearing will be presented to Sacramento for their decision which should be forthcoming within thirty days. WE CONTEND AN ON-SALE BEER & WINE LICENSE IS TOO CLOSE TO OUR SCHOOL.

"Fun" & "Puppy Match"

Anyone interested in English Setter dogs is invited to attend an event of special interest -- admission is free!

The California English Setter Club will hold a "Fun Match" and a "Puppie Match" starting at 5:00 p.m. on Saturday, September 29 at Haleridge Kennels, 8921 Canoga Avenue, Canoga Park.

Entries in the Fun Match will be judged according to various parts of the dog. There will be Champions competing with puppies -- all for fun.

The Puppy Match, first one for the C. E. S. C., will debut for competition a beautiful group of English Setter puppies.

The judge for these events will be Mrs. Emma Phillips of North Hollywood, who is a well known setter breeder, owner, and judge.

Further information may be obtained from the secretary of the club, Evelyn Hale - Diamond 8-7372.

The Hales' Champions General Lee Jones and Waterford My Choice went Best of Breed and

and Best Opposite Sex, respectively, at the Beverly Riviera Kennel Club Show September 15 and both will be shown at the match at Haleridge Kennels on the 29th.

JOHN SCHULZ of Longbow Archery has just returned from a 10-day hunting trip at Beaver, Utah, where he shot a 4-point buck with his bow and arrow!

The SELDON PARNHAMS of Chatsworth Street enjoyed a visit recently from his mother, Mrs. Nellie Parnham of Sacramento.

Mr. and Mrs. TOM DAVIDSON, son Anstr and daughter Ann, have moved back to Chatsworth from Glendale where they have been residing for over a year.

A farmer was trying hard to fill out a railway company claim sheet for a cow that had been killed on the track. He came down to the last item: "Disposition of the carcass." After puzzling over the question for some time, he wrote: "Kind and gentle."

Rev. Leonard Eilers, cowboy preacher from the Hollywood Christian Group, was the guest speaker at the meeting of the METHODIST MEN of the Comm. Church at White Oak Hall. Rev. Eilers is doing evangelistic work all over the U. S. and abroad, and just recently returned from three months in New York State. President Jack O'Shea presided; in the short business session, the matter of the beautification of the church grounds came before the men, who hope to get the work started soon. The meeting was preceded by a wonderful meal, catered by ELIZABETH CAFE.

The LEGION POST had a good turnout Wednesday night for a cleanup of the grounds around the hall. The job was bigger than they anticipated

and wasn't completely finished, but the members are assured that another work night will complete the job. Refreshments rewarded them for their labors.

Mr. and Mrs. GLEN POGUE and Mrs. Bill Pogue flew to San Mateo Saturday to see the football game between Valley Junior College and San Mateo Jr. College. The main reason for the trip was to see Bill in action on the Valley team and were very happy, of course, to see Valley win. They remained overnight and returned home Sunday.

Mrs. CECIL WOODALL was honored with a stork shower Thurs. night at the home of Mrs. Dolores Finney of Santa Susana, with Mrs. John Woodall of Chatsworth as co-hostess. Carol received many lovely gifts.

MRS. CLARA BRANDT had the misfortune to fall and wrench her knee so severely as to use crutches. Last Fri. she fell again and fractured a rib. Added excitement at her ranch last Mon. was the arrival of a black diamond rattle snake on the front lawn. Ray Johnson was not at home so Red Ewalt was called to dispose of said snake, who waited.

God's Extras

God could have made the sun to rise
Without such splendor in the skies;
He could have made the sun to set
Without a glory greater yet.

He could have made the corn to grow
Without that sunny, golden glow;
The fruits without those colors
bright,
So pleasant to the taste and sight.

And caused the apple trees to bloom
Without the scent that doth perfume
Those dainty blossoms, pink and
white,
That fill our hearts with sheer delight.

He could have made the ocean roll
Without such music for the soul--
The mighty anthem, loud and strong--
And birds without their clear, sweet
song.

The charm of kittens' dainty grace,
The dimples in a baby's face--
All these are "extras" from His hand,
Whose love we cannot understand.

The God who fashioned flow'rs and
trees,
Delights to give us things that please,
And all His handiwork so fair
His glory and His love declare.

Yes, He Who made the earth and skies
Gave "extras" for our ears and eyes,
And while my heart with rapture sings
I thank Him for the "extra" things.

FRANCES MINER's mother, Roquetta Giangregorio from S. San Gabriel is visiting the Miners for an indefinite time.

On Wednesday, September 12, Elzada Ball's son VERN THOMAS and his wife from L.A. stopped by on their way to a deer-hunting trip, and treated her to dinner at the Town and Country.

The LaRoy BRIGGS family have recently returned from a 6-weeks stay up in Oregon.

JACK DAVEY, son of the W. H. Grays, was discharged from the Navy on August 25 and is resting up and taking life a little easy while he decides what he wants to do in civilian life. The Grays went to Paso Robles for a couple of days to visit another son who is a Methodist minister there.

More Labor Day week-end reports: Wilbur and Frances Queen of Rollins Road, entertained with a Bar-B-Q for 20 guests after which the gang spent the afternoon at Corriganville. Most of the guests recently moved to California from Illinois and live in Fontana; two couples who work at Rocketdyne with Wilbur; and the Tony McGraw family from Canoga Park who recently bought property up here near the Queens and expect to build soon...since they will be new neighbors I thought they deserved honorable mention!!

JAY and EMILY LUCE went to visit his brother in

Reno, Nevada.

The RONALD BOUCHER's went camping at a campsite outside of Santa Paula with three couples from Canoga Park.

FLOYD CORNETT, a bachelor, who lived in Sleepy Hollow House, has moved to Roseville up near Sacramento to be near his brother.

OLAF WILSON has been confined to his bed for two weeks with an inflammation of the heart lining. His has been a month for birthdays and those celebrated up here this past week were:

Dougie Loveless, who was 4 on the 17th--he had several little friends in to share his ice cream and cake: David, Melody and Eileen Baucher, Penny Schrader, and of course his little sister Arlene and baby brother Danny.

On the same afternoon Diana Snow had her 4th birthday party and her guests were Susan, Renee and Gary Briggs, Toddy and Danny Mason, Marie and Tony Marcucci, Ronnie Parpeno, Penny Schrader and brothers Bobby and Arnie Snow.

On Friday night the 21st, Pat Schrader had a slumber party to mark the passing of her 12th birthday (please turn to page 9)

When a man is rich, God gets a partner or a man loses his soul.

Woman's Club

The Chatsworth Woman's Club held their last summer luncheon this month at the club rooms. Mmes. Frank Scheppler and Lew Wallace were co-chairmen, and were assisted by members of the club in the last third of the alphabet.

Following the luncheon, the members were privileged to hear both sides of the controversial proposition No. 4 on the November ballot. Mrs. Jerry Bugbee represented the opposition, while Jack Woods presented arguments in favor of it.

Dr. Joseph Schurter, Chatsworth chairman for the coming Community Chest Drive, in a brief talk, asked the cooperation of the club, not only as individual volunteer workers, but as a unit, to carry on the campaign more successfully this year. Mrs. Perry Mulholland announced the Blood Mobile at C. P. High School Sept. 24 from 3 to 7 p.m.

A fire of possible extensive damage was averted in the office of Dr. Wines last Fri. by the interest and quick thinking of Chas. Janess. Passing by the building at 9:30 pm he saw an apparent white vapor thru the window. Closer inspection reveal-

ed a fire in the couch of the rear room, presumably caused by a cigarette. The Fire Dept. was called and arrived while it was still confined to the couch and quickly taken from the room. The cooler-blower eliminated the smoke.
