Her Majesty! The Queen

(by Glenna Schrader)

Well folks, remember in our last issue it was reported that a group of ladies from up here attended the Queen For a Day broadcast a week or so ago with no success, and we urged them to keep trying. Really didn't think it would happen so soon, but on October 10 Madeline and Tessa Mason and their mother-in-law Mrs. O. L. Mason from Oklahoma took a wild chance and went in to attend the show without tickets, as the ones they had sent for would not be good until the 19th -- by which time the older Mrs. Mason would be started back for home.

So they left early and stood in the No-Ticket line, and were lucky enough to be given tickets to get in. They hurriedly scribbled their wishes, little dreaming that one of their midst would be chosen the special 3, 000th Queen For a Day, with many added prizes than those which the daily Queen receives. It was our own little (and she is) Madeline Mason who was chosen for such an honor. Many of you probably witnessed the broadcast, but for those of you who didn't and are interested in details: She asked for

A Bank for Chatsworth

This is great news! We have it on good authority that the Security First National Bank will establish a branch here in Chatsworth, located next door to Morgan's Hardware Store on Devonshire, sometime around the first of the year. No further information is to be had at the present time but that is enough to make us all happy. Lorna just knows she'll be able to save more money if there's a bank in town.

Commendation for Heroism

Last Saturday the four Peters children of 21016 Lassen Street were baby-sitting each other: David (16), Carol (12), Linda (9), and Denny (5). In playing, Linda made a dash for the kitchen with her arms outstretched expecting the glass-door to swing open, but it did not; it had been locked by little Denny, and Linda plunged through the glass into the kitchen where David was.

He immediately grabbed her torn arms and, as in a vise, held onto them as a tourniquet until Carol was able to summon the police, ambulance, and nurse when she was taken to a doctor's office. This vise-

PATRICIA ANN SHEBANEK, daughter of Mrs. Laurence Shebanek of Canoga Park, became the bride of DEHNE WILLIAM McGINNIS, son of Mr. and Mrs. William McGinnis of 22280 Devonshire in a lovely double-ring ceremony on Friday, October 12, in Corvallis. The wedding took place at the groom's college home at Oregon State, Hechart Lodge, and was followed by a reception and banquet at the Lodge.

Mrs. Shebanek and the bride's brother, Larry, accompanied the bride to Corvallis, and Mrs. McGinnis flew up to attend the ceremony.

Following a short honeymoon at Ocean Beach, the young couple will return to their school duties at the college, where the groom is in his third year and the bride in her freshman year.

The groom has been a resident here since he was a small boy, attending our local elementary school. Both he and his bride were graduates of Canoga High where the romance began.

The congratulations and best wishes of their many friends!

SHARON WRIGHT and WILLIAM ASBURY were married in a simple double ring ceremony Friday, October 12 at the Reseda Community Church. The bride is the daughter of Mr. and Mrs. Al Wright of Reseda, and the groom is the son of Mr. and Mrs. Leslie Johnson, formerly of Chatsworth but now of Lancaster.

The bride was attended by Arlene Poskow and the groom by her brother, Harvey Poskow. Only members of the family and intimate friends attended the ceremony.

The groom has been a resident of Chatsworth for nearly 15 years, and attended the local grammar school and Canoga Park High School. He was in the service three years, serving overseas for about two years of that time.

The young people enjoyed a week honeymoon trip to Utah, and are now making their home in West Van Nuys.

"I chose my wife, as she did her wedding gown, for qualities that would wear well."--Goldsmith.

 a collie dog for her little 3-year-old son, J. R., who has been blind since birth, and a fence to keep them in. J. R. had a dog named Torpedo who was poisoned a few months ago and the little fellow keeps calling for him. Well, now he'll get a new dog and a fence, a Shetland Pony and play-school toys. Madeline and husband Arvy enjoyed a whirl of Hollywood with lunch at the MGM Studios, dinner at the Sportsmans Lodge, and later on to Don the Beachcombers, being chauffeured

place to place in a gold Cadillac. On Oct. 21 they will be flown to Honolulu for a week's vacation while a Registered Nurse stays home to care for their two boys while they are gone. Among many of the gifts Madeline received were a steam and dry iron, Helbrose wrist watch, swim suits, shoes, raincoat, hose, lingerie, dresses, hat, sweaters, five-piece luggage set, Revere Movie Camera and Projector, dryer, freezer, refrigerator, dish washer, Magnavox combination radio and record player and a Tappan Range.

Congratulations,
 Madeline!!!!

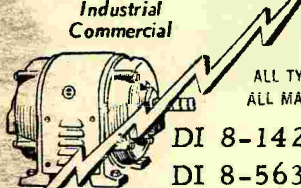

Mrs. HILMAN SMITH of Italy, Texas, is here for an extended visit with her daughter and family, Dale and Roy ROGERS.

The BUCK WASHBURNS (our local plumber) have closed up shop for two weeks and gone fishing in Colorado -- they left last Saturday with their trailer and new glass-bottom boat. So 'bear with your troubles until November 1, and give our plumber a chance to get the kinks out of his plumbing arm.

Mr. and Mrs. GUY CLARKE of 10154 Canoga Avenue left this morning for a month's tour of the United States. Their first stop is with their daughter's family in Orinda where a pre-birthday celebration for the daughter will be held next Sunday, and then the Clarkes will be on their way.

sert luncheon and hankie shower for Mrs. Clarke last Wednesday, a week ago, and those who enjoyed the afternoon were Mdms. Leslie Hadley, R.J. Cooley, Aileen Carroll, Edna Holland, Harold Sunde, Edward Roach and Kate Sheridan.

CHATSWORTH BOYS from 9 to 12, regardless of their playing ability, will have an opportunity to play baseball next summer, in the newly formed Chatsworth Jr. League.

Organizers of the league are Al Brain, Curley Alward, Hank Crowley, Johnny Konigsfeld, Harold Frost, and Russell McElvain.

Mrs. Jean Saal (Chatsworth Realty) has offered the use of a two-acre field on Farralone north of Devonshire, as playing field, and shirts will be donated by local merchants.

Mr. and Mrs. ALFRED COOK left Monday for a two-week vacation in Colorado where they will visit relatives.

Chatsworth Lake Highlights

On Sunday, October 7, Louise LOVELESS was hostess to a bridal shower for her sister Grace Phumalee, with about 40 guests in all. Those from this area were Dell Townsend, Mary and Suzann Leidman, Loretta Karr, Lucille Boucher, Billie Jean Morre, Della Belkowski, former resident Marian Hood. Those who sent gifts but could not attend were Frank and Lois Morris, Mrs. Elmer Carter, Violet Green, Margaret Epkins, and Mrs. Earl Townsend. As Grace and Bryce do not have the mailing address of everyone who attended or sent a gift they would like to extend their THANKS to one and all for the many lovely things they received.

The Rocky GREEN family spent the weekend of the 5th of October in Palm Springs for the benefit of their son Jimmy who suffers with bronchial trouble every year at this time.

Eleanor and Bernie SCHMITZ have just returned from a 12-day trip to Carmel-by-the-Sea, Monterey, Lake Virginia, and the High Sierras -- just a sight-seeing tour.

On October 8, Bud and Arvy MASON's folks, Mr. and Mrs. O. L. Mason and sons Dewey, Huey, Whiley, and Frankie, all from Tulsa, Oklahoma, arrived to spend a week.

The Chatsworth Lake Mutual Water Corp. held its Annual Stockholders Meeting on the night of October 11.

At the Improvement Assn. meeting held on Tuesday the 9th arrangements were made for the purchasing and installing of four redwood posts to designate the area for the playground.

Civil Defense

The Civil Defense for Area 5 (Canoga Park, Chatsworth, and Winnetka) held a reorganization meeting on October 8 at the Legion Hall. Temporary headquarters will be opened at the Health Center in Canoga Park, 7107 Remmet, every Monday evening from 8:00 to 10:00. Mrs. Starr, Mrs. Ulery, and Mrs. Robinson represented the Auxiliary at the reorganizational meeting and graciously supplied coffee and refreshments.

The PAUL MURRAY family of Chatsworth St. have bought the Sam Armstrong place at 10501 Variel and the moving out and the moving in will be accomplished

about the 1st of the month.

The Armstrongs are going to Van Nuys.

Dr. Henry B. Hall of the NARCOTIC EDUCATIONAL FOUNDATION of America gave a terrific message from the pulpit of the Community Church last Sunday when he exposed the constantly increasing criminal arrests, averaging one every fifteen seconds, and largely due to the narcotic habit. Dr. Hall emphasized the fact that how can we warn our children if, we, as parents, are not informed on this subject. The film presented in the evening service showed the results of narcotic addiction and the tortures of withdrawal. Dr. Hall is available as a speaker for any group, and we would recommend that the group include teenagers and their parents, so that both ages may be informed together. Face the problem now before it is too late.

Mrs. CARRIE MARTIN of 10414 Variel was stricken with a severe heart attack Sunday, just following the morning service at the First Baptist Church. Much prayer was offered while awaiting Dr. Miner's arrival, and while waiting for the ambulance which took her to the Valley Hospital. She

is still at Valley Hospital at this writing, resting comfortably (if you can hold that woman down!) and in high spirits -- our prayers continue to be with you, Mrs. Martin -- just rest and mind the doctor so the Lord can do His work in healing the damage!

JACKIE SWEARINGEN of Baden Ave. was honored with a stork shower last Saturday, given by Jack's mother and sister, Mrs. Mina Swearingen and Barbara of DeSoto Street. Twenty guests were in attendance, among them Norma, Carol and Laura Woodall, Delores Finney and Anita Kenealy all of Chatsworth. A profusion of gifts for the little one expected any moment now, and refreshments highlighted the afternoon's fellowship.

Dr. J. DEAN PARK is recovering from a serious attack of pneumonia which followed an injury several days ago. He is still hospitalized but is recovering so nicely that he hopes to be home sometime this week.

like grip extended to about 30 minutes, all the while David spoke encouraging words to his little sister, and aid arrived when it seemed that his hands could no longer retain their grip.

Linda had five stitches taken in her right arm and 32 stitches in her left arm, and as we go to press there is a great possibility that much surgery must be performed. Because of David's quick action and level thinking, the doctor reports that her life was saved -- she would have bled to death before aid arrived 30 minutes later.

David, on behalf of all of us in Chatsworth, we wish to commend you for saving the life of your little sister, and as a baby-sitter you would be most welcome in any home, because of your trust-worthiness.

We would welcome any news items from SANTA SUSANA -- either phone, write, or stop in. This also applies to TWIN LAKES. We don't know what you're doing up there and over there.

BILL and JEAN JANESS of 10342 Jordan Avenue left Aug. 15 for a month's vacation back to Rochester, N. Y. and vicinity. While there, complications set in with Mr. Janess' hip and he had to submit to surgery at the Veteran's Hospital in Buffalo. So, what started out to be a month's vacation is extended till now, and no doubt they will remain in the east over the winter, as they were driving.
