HELP WANTED -- FEMALE

With the steady growth of Chatsworth there has been a steady growth of the Chatsworth Girl Scout Troop #81 which has served here for the past ten yrs. With girls in the troop from 10 years of age through high school, two meetings a week have been held to take care of the varied ranks and ages. It now becomes necessary to form a new troop for the girls of 10 years of age until they enter Jr. High. There

is a wonderful group of girls ready to form the nucleus of this new troop. The desperate need is for a leader and another assistant; one ass't. is already in training. If you have a real interest in our growing girls won't you volunteer for this very worthwhile and fascinating work? Call DI 8-8686 (evenings) if you can lend a hand where it is really needed!

THE COST OF MEDICINALS

Relatively expensive prescriptions tend to be for antibiotics, hormones, and newer drugs that cure or arrest disease in ways impossible a decade or so ago. Its human to remember the cost of a drug that may have prevented a serious illness before it really got started, or even an operation that never happened. It might surprise you to know that 62% of all prescriptions cost \$2 or Less. In 1954, the average cost of a prescription was \$2.27. The expensive ones, costing \$5 or more, amounted to LESS than 7% of all prescriptions filled. It costs the average pharmacy from 75¢ to \$1 just to fill the simplest prescription, quite apart from cost of ingredients. Many of our most important drugs, such as antibiotics, can't be put together by the pharmacist from simple ingredients. Their production requires complex equipment and intricate controls for Processing raw materials through numerous critical stages of manufacture. Averaged out, we citizens spend about \$6.50 per year for a little more than 2 1/2 prescriptions per year!

Begins Sunday!!

"Behold, All Things Are Become New" is the week-long theme at the First Baptist Church when Rev. Claude Farris, evangelist, brings his dynamic messages nightly, beginning this Sunday, October 28, (except Saturday).

Rev. Farris was a bomber pilot in World War II, flying a B-47 in many a raid. He was shot down over Germany, baled out, and was a prisoner of war in a Nazi Concentration Camp for 15 months.

These experiences and many more are skilfully woven into his stirring sermons and we are sure you will not want to miss a single one.

Sermon topics for the eight days of Special Meetings are as follows:

Sunday morning (Oct. 28)--"A New Creation"

Sunday evening: "A New Pattern For Our Life"

Monday evening: "A New Message"

Tuesday evening: "A New Mission"

Wednesday evening: "A New Convert on a New Continent"

Thursday evening: "A New Lesson to be Learned"

Friday evening: "A New Church"

Saturday evening: Rev. Farris will speak at the Valley Youth Roundup at Van Nuys Baptist.

Sunday morning (Nov. 4): "A New Hope"

Sunday evening: "A New Home"

Each evening service begins promptly at 7:30 p. m., and the Sunday morning services begin at 11:00 a. m. Make these meetings a must to attend -- you will be richly rewarded.

DALE EVANS and her mother, Mrs. Smith, left last Sunday for Chicago for a two-day stay in the windy city when Dale will make a personal appearance at the National Safety Council; thence on to New York for a family visit with her brother and his wife.

The Bass' Chatsworth FEED STORE of 21706 Devonshire was robbed in broad daylight last Monday and absconded with the money-till which held about \$80-85. The thief was recognized as a customer and chase given, but the trail was lost in clouds of dust.

Jack O'Shea, President of the Methodist Men of the Chatsworth COMMUNITY CHURCH, presided over a busy meeting Tuesday night at White Oak Hall.

John Pauly, a member of the group who is also the church treasurer and an outstanding member of the church, was especially honored by the club. John, with Martha and the children, will move to Wasco next month, to the regret of the entire church (not to mention the community at large!). Appreciation was expressed for his faithful service and keen interest and help in all the church activities.

Dr. Hayward gave a short informal talk on Science and Religion, and Jack O'Shea spoke on "Being a 24-hour a Day Christian".

A fine dinner preceded the meeting, with Dr. Hayward as chief chef. Twenty-three men enjoyed this wonderful evening of fellowship.

Next Sunday night at 7:30 TIM SPENCER will be the guest speaker at the Community Church in addition to the old-fashioned songfest and quiz program. Mr. Spencer, of the original "Sons of the Pioneers", has a stirring testimony to present.

TEN TV COMMANDMENTS ---

1. Thou shalt not permit thy television set to come between thee and devotion to Christ and the church.
2. Thou shalt not cause it to become a graven image, demanding above its due in time and money.
3. Thou shalt not prize any program of higher value than the prayer meeting or Sunday evening service.

4. Thou shalt carefully evaluate the programs and not permit thy mind to become so cluttered with base thoughts that the virtues of Christ and the presence of His Spirit are crowded out.

5. Thou shalt seek in the programs a balanced diet of entertainment, information, education, and inspiration.

6. Thou shalt be prompt to turn off the TV set upon the arrival of company and turn it on only when it will be an aid to genuine hospitality.

7. Thou shalt not permit the television to crowd out family conversation and counselling, but use it for the mutual benefit of all its members.

8. Thou shalt use its dramatic advertisements as opportunities to teach children what is wrong with the wrong and right with the right.

9. Thou shalt enlist the support of fellow Christians in expressing by mail approval of religious and respectable programs and sponsors.

10. Thou shalt enlist fellow Christians in expressing by mail disapproval of such sponsors and programs as oppose Christian concepts and convictions.

The Primary Dept. of the Community Methodist Church had a festive occasion last Sunday morning when over 50 children were guests at a breakfast sponsored by their teachers: Mdms. Joan Fasken, Supt.; Ellen Little, Marian Erickson, Marion Cruckshank, and Stephen Carey. The "Harvest Theme" predominated in the table decorations, and God's World in picture narration interspersed with the songs the little Primary children love the best. The menu included orange juice, scrambled eggs, orange rolls, milk, and homemade maple-sugar candies.

Those who stay away from church because Sunday is the only day they have for recreation would have no day at all for recreation if it were not for those who go to church!

Chatsworth Lake Highlights

DI 8-3079

New officers elected at the annual meeting of the Chatsworth Lake Mutual Corporation are: George Stacy, Pres.; Doc Silcox, V. P.; Katheryn Slater, Secy-Treas.; and Frank Bell and Orville Talbert, Board Members.

Have you noticed? The county line road that branches off Thompson is being paved.

Evelyn Martin recently visited her mother Louise Casey, at Lomita, who is suffering with a heart ailment.

The flu bug caught up with Mrs. Reed Bogart who was confined to her bed for several, and Myrna Reynolds lost several days of school because of this infection.

Somehow this item escaped me, but better late than never. Little Carol Ann Foster has been out of school for two and a half weeks with a broken arm and fractured shoulder which happened when she was running across a field and tripped in a hole.

Grandma and Grandpa Olive and Russell Hamlin are really the proud ones these days, as their

daughter Jo-Ann and LaMont Bryant of Van Nuys presented them with their very first grandchild, a little girl, Debra Jean, who was born on Monday October 15, at 7:34 a. m. at the Northridge Hospital, tipping the scales at 6# 14 oz. Jo-Ann and baby are with Olive for a couple of weeks in case you want to walk over and take a peek in that bassinette.

Mr. and Mrs. George Trinastich of Kansas City, Mo., recently returned after a 10-day visit with their mother, Mrs. Emily Trinastich and sister Katheryn Slater and two other brothers in Reseda and Santa Monica. They had been to San Francisco to attend a convention for Electrical Engineers in construction work and stopped off here on their way home.

Bonnie Averyl was the honored guest of Jane Russell (yes, the movie star) on Saturday night, October 20.

Welcome to newcomers Peggy and Jack Martin and 5 children who come to us from New York!

Chatsworth PTA members are looking forward to the Hallowe'en Festival which will be held Tuesday, October 30, at the school, from 12 noon to 3:00 p. m. Those who come may plan to eat there at the noon hour, as the PTA will serve lunch.

There will be a potted plant booth, baked goods, White Elephant booth, and bazaar articles. Game booths will provide fun for the children and adults who wish to participate. Anyone having donations of aprons, doll clothes, and other articles for Bazaar booth, bring them to the school Oct. 25 and 26. There will be some one to receive them. White Elephant donations may also be brought in on these days. Entertainment will be

provided by the Thompson Marionettes, who will present "Jack and the Beanstalk." Mrs. Earl Muehlenbach will present films on "Animals of our National Parks".

Proceeds for the affair will go toward the local PTA fund.

The Oct. meeting of the Association was held Tuesday in the school auditorium with the president, Mrs. James Armstrong, presiding. Members heard a fine talk by Mrs. Floyd Minghini, illustrated by slides.

Mrs. Ray Moon, Community Chest Chairman, still needs volunteer workers for the coming fund drive and would appreciate hearing from anyone who can help.

At the Oct. 16 meeting of the PTA Mrs. Gordon Watts, aquatic instructor, presented seven Life-Saving Certificates to those eligible in her most recent class: Mdms Don Paul, T.K. Wyre, W.H. Rasmussen, Wm. Mandel, J.E. Jurnecka, Russell Doubleday, and Nell Hultgren. This group comprised an 18-hour senior life-saving course of the American Red Cross, and several of the ladies will continue in an instructor's course so they may teach.

Mrs. DORIS BERKEMEYER of 10407 Santa Susana was in the Northridge Hospital from the 11th 'til the evening of the 14th for major surgery, and now convalescing as well as can be expected at home.

Our most humble apologies to the GREEN SHEET: We said in our last issue that Alice Morse was "Society Editor" at their new branch in Canoga Park. Our Alice is a feature-writer and an assistant to the West Valley editor.

It is not a good preparation for your first Sunday in heaven to have mis-spent your last Sun. on earth.

Congratulations!

Engagement rings were in great evidence at Chatsworth Florist last Saturday. The Crowley's daughter, Jessie Fowler, received her ring from John Mungall, Jr., of San Fernando, and Jessie's daughter, Rita Fowler, received her engagement ring from Michael Dickson, 10357 DeSoto. Jessie and John will be married at the Community Meth. Church Sunday afternoon, Nov. 4th, and the flowers for this wonderful occasion will be arranged by the Crowleys on Saturday evening so that worshippers at the Sunday morning service may enjoy their beauty. Rita and Mike's marriage is not planned to take place until far in the future.

After a series of tests and careful observation, doctors have diagnosed the chronic illness of Kay Asbury, 10965 Santa Susana, as rheumatic fever complicated with a stomach ailment. She must remain in bed for at least a month, and cards and letters will help her pass this time more pleasantly.

Mr. and Mrs. Robert Cooley and family have returned to Chatsworth from Northridge where they have resided for over a year. They have purchased the property on north DeSoto Street adjoining the Gordon Watts Ranch and the home of the late Lionel Barrymore, and are happy to be relocated again in Chatsworth.

Mrs. Juanita Caulfield of Santa Susana Ave. left Monday for a visit with her son and family in Texas. She will return before the election as she is a worker on one of the precinct boards.

Mr. and Mrs. G.K. Baile, in company with Mr. Baile's 89-year-old father, left Saturday for Missouri. The trip was mainly to take father Baile to his home, but it is understood that Mr. Baile will do some pheasant hunting while there.

Mrs. Jerry Kimble was surprised on her birthday Wednesday when she was taken out to dinner at the Red Barn by her three girls, Jeannette, Virginia, and Kathy, and was joined there by several of her friends from North
