Two Lovely Weddings

Miss Nellie Clark, daughter of Mr. and Mrs. Bythal Clark of 11301 Mason Avenue, was joined in holy matrimony to Robert James Taylor of Eureka, on Sunday, October 28th, and became the first wedding to take place in the newly-finished Four Square Church on Canoga Avenue, with Rev. Carl Burns officiating.

Their vows were taken at the close of the morning service with the entire congregation as witnesses. Nellie was gowned in the traditional white lace with edgings of pink, shoulder-length veil and carried a bouquet of pink and white carnations. Her maid-of-honor, sister Sue, was gowned in blue net and carried a replica of the bride's bouquet.

The groom was attended by his best man, Mickey Manuel, and the reception followed at the home of the bride's parents. Bob is in the marines stationed at Camp Pendleton and has five more months of service when the young couple will make a home for themselves.

Congratulations and best wishes to you both from all of us.

The Chatsworth Community Church was the scene of a lovely wedding last Sunday afternoon at four when Mrs. Jessie Fowler of Chatsworth became the bride of Mr. John Mungall, Jr. of San Fernando. Dr. Harold Hayward performed the double-ring ceremony, with Mrs. R. L. Johnson at the organ.

The bride was attended by her daughter, Rita, as maid of honor, and the groom's daughter, Darlene, was the bridesmaid.

The bride wore an afternoon gown of brocaded Japanese silk, and a small sequin hat. She carried her mother's New Testament, the cover of which was made from olive wood from Jerusalem, and a beautiful bouquet of white butterfly orchids and bouvardia. She was given away by her uncle, Albert Simpson.

The maid of honor wore pink nylon and carried fans of matching cymbidium orchids, and the bridesmaid was gowned in blue nylon with matching orchids. Both wore small matching hats.

The groom was attended by a boyhood friend of his from the east, as best man (Cont. on page 12)

Dr. JOSEPH SCHURTER of Chatsworth Street held open house for doctors and their wives Sunday afternoon for his newly-opened orthodontic offices at 18710 Sherman Way.

Our Chatsworth Lake correspondent, GLENNA SCHRADER, underwent surgery for a tumor last Tuesday morning at Northridge Hospital and will convalesce at home for several days before she's her normal self again.

WALTER LOHMAN called the other day and said that between him and Earl Ulery of Chatsworth Street they're taking care of a tag-less stray female Boxer, and if she belongs to you they would like to have you come and get her.

Mrs. DON LILJA of 9735 Topanga and son David left by plane Monday night to spend two weeks with Don's folks in Washington, D. C., and thence on to New Jersey for a 2-weeks visit with her folks.

At the Community METHODIST Church next Sunday night at 7:30 Mr. Ted Whitesell, a Christian business man, will be the guest speaker. Mr. Whitesell has attended spiritual healing missions in England, France and Switzerland and will bring first-hand knowledge of the spiritual movement throughout the world. The public is most cordially invited to attend and Mr. Whitesell will be glad to minister to your need.

Chatsworth has an ATTORNEY: Mr. S. T. Benjamin has taken occupancy of the offices at 21715-1/2 Devonshire in the Lohman block, and his phone number is DI 8-7720 if your needs are such that you can't wait to get down there. Welcome to Chatsworth Mr. Benjamin.

"What for did ye tell him there was plenty of fishin' when there aren't two trouts in the stream?"

"Well, an' the less fishes there is the more fishin' to get 'em, ain't there?"

DOINGS HERE AND THERE

R. L. (Kelly) JOHNSON flew to Phoenix Friday in company with Ralph Shamhart, a former resident here, to attend the Annual Fifth District Pigeon Show, returning Sunday afternoon, completely sold on air travel. Kelly won 3 first places, a second and a fifth with the eight silver king pigeons he entered in the show.

DALE SMITH, who has received his summons from Uncle Sam, left Wednesday for Fort Ord for his basic training. When this is completed, he will be sent on to Halliburton, Md. for special training in Intelligence. Mrs. Smith will remain here while Dale is at Fort Ord, but will go with him to Maryland.

The SENIOR MYF of the Comm Church enjoyed a supper last Sunday at the home of the James Woodman on Nordhoff, with Mdms. Jos. Fladwed, Harry Briggs and Fabian assisting as hostesses. Following the evening meeting and church service, the young people returned to the Woodman home for some of grandma Mahieu's cinnamon rolls. 50 young people enjoyed the f'l'shp.

More merchants helped with the Halloween festivities at Orcutt Park: Chatsworth Market, Roy Rogers Ranch, Lohman's and the Nissens.

The DUMP for Spahn Ranch on the Pass has been granted. If you're interested in trying to stop it, telegrams to the County Regional Planning Board may help.

PHILIP HASKELL celebrated his 11th birthday Saturday with a luncheon for his friends and all the party trimmings: Jay Myers, Donald Rosene, Michael Patrick, Donald Smith, Randy Davis and Gregory ? (the studdings are still in evidence on their new home on Canoga Ave.)

Twenty-four students from our school's orchestra and chorus had a special treat last Tuesday morning when they were taken by bus to the new Hollywood High School by special invitation to hear the Philharmonic Orchestra.

Don't cook at home tonight - enjoy a full-course TURKEY DINNER at the American Legion Hall, and Bazaar. Thursday.

TROOP #81

Our Intermediate and Junior High Girl Scouts and the Mariners had a full day last Saturday. Nineteen scouts, with Mrs. Bess Braun in charge, with many assisting adults, participated in the Juliette Low (founder of Girl Scouts in America) World Friendship Ingathering presented by the Catalpa Neighborhood Scout groups (West Valley) at Orcutt Park. In their specialty number our girls, under the direction of Mrs. Ingrid Cruse, presented a Swedish folk-dance.

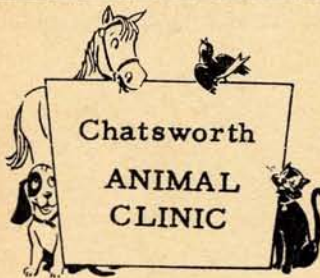

The Mariner Scouts, 21 in all, under the leadership of Mdms Eileen Janess, Dorothy Watts, Ann Werren, Lila Schepler, Mssrs. Braun and Schepler, motored to the Port of Long Beach and visited the Todd Shipbuilding Yards, the Matson Lines Bldg., and explored the Coast Guard cutter "Ponchartrain" (the rescuing ship of the recent plane-ditching episode in the Pacific.) The day also highlighted the occasion of Elsa Braun's birthday when her father presented the

DEEPEST SYMPATHY

Our deepest sympathies are extended to the Lacesa family of 20954 Chatsworth Street in the death of their beloved husband and father, Mr. Carman Lacesa, age 59. Mr. Lacesa was a passenger in a pickup truck driven by W. Westendorf of Canoga Park last Saturday morning and driving north on DeSoto collided with the car of Dr. Burroughs Hill and his son, Reid Hill, of 10000 Tampa Avenue, sending all four to the Northridge Hospital where Mr. Lacesa succumbed from his injuries.

Rosary was held at the Lorenzen Mortuary last Tuesday evening with services at Our Lady of the Valley Church yesterday morning, and interment at San Fernando. He leaves his wife, Cesidia, son Guido, and daughter Genevieve, to continue operating their little restaurant "Mama Lucias" in Granada Hills.

group with a huge ice-cream cake. Our youth will keep the kinks from developing in us oldsters, that's for sure.

Chatsworth Lake Highlights

by Glenna Schrader
DI 8-3079

DON'T FORGET to attend the Chatsworth Lake Improvement Association meeting on the night of Tuesday, November 14, as we need your support.

This month's HOBBY CLUB will meet at the home of Frances Bolan on Wednesday the 12th -- no birthdays this time.

JENNY HURBAN, former resident who now lives in Vista, spent several days visiting her daughter Mayme Kern and family and also renewing old friendships. Was good seeing her again.

NORENE and ED OSBORNE who used to live on Thompson and now live in Granada Hills, are the proud parents of a baby girl born October 26 at the Northridge Hospital. This, their eighth child, is named Kathleen Marie.

On the night of November 2, POLI and DOC SILCOX had overnight guests, Nina and LeRoy Carlson of Taft. Mr. Taft is principal of the Lincoln school there. On the same night Doc's sister Marcia and her husband Eddie Church, a professional musician, and Warren Lewis and

his wife, joined them and they had a sort of "jam session" with Eddie playing Silcox's organ and Warren with his electric guitar. More fun!

On Saturday morning, November 3, around 10:00 a.m. a fire broke out in this area over near the Lake, and what the children call Ghost Mountain. The Ernie Hills turned in the alarm as they noticed the fire when they were heading for town. Four unidentified neighbors hurried to the scene and fought the fire with dirt until the Fire Department arrived. Took them over an hour to put it out.

"What's wrong, Henry?" asked his wife. "My razor", boomed the voice within the bathroom. "It doesn't cut at all."

"Don't be silly. Your beard can't be tougher than linoleum."

"If you fall in a hole, the only way out is up!"

JR. BASEBALL LEAGUE

A general meeting of the newly formed Chatsworth Junior Baseball League will be held on Monday Nov. 19th at 8:00 p. m. at the Chatsworth Center, 10332 Santa Susanna.

FRANK KELLEHER, former player for the Hollywood Stars, will be the featured speaker of the evening.

All boys between the ages of 9 - 12, regardless of playing ability, who are interested in playing baseball next spring and summer are urged to attend this very important general meeting. Parents of the boys are also urged to come and help complete plans for this baseball league.

CANOGA HIGH SCHOOL

These questions confronting the parents of seniors at Canoga Hi will be answered according to the pres. of PTA Mrs. Robert Randall and program chairman Mrs. Scott Kirkpatrick who planned the program with principal Mr. Henry Dyck: "What qualifies a senior? Does he have the proper credits

for graduation? What are the expenses, what about sweaters, pictures, announcements, and all night parties and the many other activities?" Come to the Nov. meeting next Tuesday in the school cafeteria and hear the answers at 7:45. The meeting will be preceded by a potluck Dime-a-dip dinner featuring turkey, planned by PTA members; time 6:30.

The last half of the program will be a talent program presented by the senior class. Speaker will be Canoga Hi's first exchange student, Elizabeth Rothenbach, from Germany, daughter of the late Dr. Martin Rothenbach, author, critic and teacher from Cologne. Elizabeth is a well-qualified speaker, having traveled and lived also in France and the Netherlands, though only 17.

Mrs. Randall has received information that Canoga is the first school to have received the three stars from state on over 100% magazine subscription, the honor going to the Magazine chairman, Mrs. Harold Buckingham.

The preacher is sometimes accused of being narrow-minded because he insists upon the Christian's forsaking all to follow Christ.

But all of life is narrow, and success is to be found only by passing through the narrow gate and down the straight way.

There is no room for broad-mindedness in the chemical laboratory. Water is composed of two parts hydrogen and one part oxygen. The slightest deviation from that formula is forbidden.

There is no room for broad-mindedness in music. There can be only eight notes in an octave. The skilled director will not permit his first violin to play even so much as one half of a note off the written note, chord, and key.

There is no room for broad-mindedness in the mathematics classroom. Neither geometry, calculus, nor trigonometry allows any variation from exact accuracy, even for old times' sake. The solution of the problem is either right or it is wrong -- no tolerance there.

There is no room for broad-mindedness in biology. One varying result out of a thousand experiments will invalidate an entire theory.

There is no room for broad-mindedness on the athletic field. The game is played according to the rules, with no favors shown for charity's sake.

There is no room for broad-mindedness in the garage. The mechanic there says that the piston rings must fit the cylinder walls within one-thousandth part of an inch. Even between friends there cannot be any variation if the motor is to run smoothly.

How, then, shall we expect that broad-mindedness shall rule in the realm of religion and morals?
--Emmanuel

*****The man who walks with God always gets to his destination.

*****Many walk through much light to enter the everlasting midnight.

*****Men do not contradict the Bible because it contradicts itself, but because it contradicts them.
