JUNIOR BASEBALL LEAGUE

A windy and cold night Monday, a week ago, did not deter or lessen the enthusiasm of our youthful future baseball heroes and their parents as they assembled at Chatsworth Center to sign up for spring training. The Speakers' table included Curley Alward, Pres., Rod McKenzie, Dr. Haselfeld, Hank Crowley, John Konigsfeld, Fay Thomas, two guests from Simi and guest speaker Hollywood Baseball Star Frank Keleher. Russ McElvain, Al Brain and Harold Frost are also on the Board of Direct.

Parents willingly signed up, lending their support wherever needed as coaches, umpires, assistants, financially etc. Boys 9 thru 12 are eligible and the cost for outfitting each boy is estimated at \$15 per head, five teams, and all boys will PLAY BALL. 2 baseballs were given as door prizes and Michael Patrick and James Hyland were the lucky winners.

A film "Men of Tomorrow" was shown, explaining, in addition to Keleher's talk, the extensiveness of 7-Up's Youth Foundation program which covers over a million boys in baseball. Our Rotary Club had Johnny Lindell as a speaker about a year ago, also in the 7-Up program, which stimulated the thinking and action of our men toward this goal for our boys.

Donuts and pop, and coffee for the grownups, put a glorious finish to a very interesting and informative meeting. Now for spring-training.

Chatsworth PTA

Our School radiated understanding and fellowship in their Open House Tuesday, a week ago, giving the parents a chance to look over their children's work and understand the system taught in the interests of the children's growth and development. A miniature PTA meeting was also presented, with Mrs. Jas. Armstrong, president, presiding. Mrs. Thornton, secretary, read a letter from the Northwest Valley Council (that's us) to the 31st District asking for a definite commitment on the possible solution of the crisis which faces our schools, namely, complete half-day sessions for all grades up through high school.

Our School's boundary-line has been extended south to Schoenborn St. which includes the new Cinderella tract homes and as of next September, Chatsworth will go on half-day sessions. It's a serious situation facing our Board of Education, particularly looking ahead to the credits needed for college entrance.

CHATSWORTH is again in the metropolitan newspapers with our yearly siege of fires, which, however, have been more rampant this season. Oh, the personal loss that is suffered through thoughtlessness, or carelessness, or, perhaps, deliberately.

In this connection, we received a telephone call from Winfield Tarr of 10356 Farralone (Cont. page 12)

Youth Film

"SEVENTEEN", a film dramatizing from start to finish the answer to juvenile problems, a story that could happen anywhere in the U.S.A. telling of a group of teenagers that dared to stand up for what they believed, will be shown in full color and sound at the next San Fernando Valley Youth Round-up on December 1, 7:30 p.m., at the First Baptist Church of Van Nuys, 14800 Sherman Way. For transportation meet at the First Baptist of Chatsworth at 6:30 p.m.

Highly favorable comments have come from every part of the country, convincing all that it is a youth film every young person and adult must see. Music is by Ralph Carmichael, leading Christian composer of our day, who composes all music for the Billy Graham films. Romance, smiles, and action are added to the soul-winning emphasis that has packed auditoriums and filled altars from coast to coast.

Other special events for the evening will be Bible Quiz, the Choraliers, and Woodland Hills

Auxiliary

The Chatsworth Legion Auxiliary, at their last meeting, made extensive plans for their part in the Christmas program for veterans. The President, Mrs. Ruth Ulery, presided.

The meeting of the Unit last night revealed their Secret Pals. Members are still bringing articles of clothing for the "Humoresque Fashion Show" which will be held after the first of the year.

The membership drive is still in progress and the Unit hopes to reach their quota soon and even go over the top. Illness of the membership Chairman, Mrs. Ruth Williams, has temporarily slowed up the drive. Anyone interested in joining, however, may contact Mrs. Ulery at DI 8-6025.

At the ANNUAL BUSINESS MEETING of the First Baptist Church Wednesday night, Charter members affixed their names for all posterity to see--the Charter will be framed and hung prominently. Sextette.

All churches of all denominations are cordially invited!

At Rest

Funeral services for HERBERT M. LUCAS, 57, who passed away at his home on Monday, Nov. 12, were held at Oakwood Chapel, Thursday, November 15 at 2:00 p. m. with Dr. Harold Hayward officiating. Mr. Lucas was stricken with pneumonia a few days before, from which he failed to rally.

Born in Colorado in September of 1899, Mr. Lucas lived in Missouri and Kansas before coming to California. He has been a resident of Chatsworth for 24 years, except for a few years when the family lived in Woodland Hills.

He married Grace Parker 35 years ago, and to this union were born three children: Dorothy Weems of Chatsworth, Helen Armstrong of Pittsburg, and Hugh of Chatsworth, all of whom survive him. He is also survived by 4 grandchildren and 3 brothers and 3 sisters. Two of his brothers, Luther of Llano, and Vincel of Turlock, were former residents here for many years. One of his sisters, Mrs. Clema Wheeler, lives in Reseda.

GLAS-BELLES TO APPEAR AT CHATSWORTH

The Chatsworth Elementary School PTA will present the "Glas-belles" in a program of songs Tuesday evening, December 4 at 8:00 p. m. in the school auditorium.

The "Glas-belles" are well known throughout the valley. Originally a group of mother-singers, now turned professional and in constant demand for their varied and interesting songs.

This program is open to the public with a limited number of seats available at 90¢ per person. The proceeds will be used by the Chatsworth PTA to purchase supplementary science equipment and materials for the stimulation and interest of the young mind of elementary level.

Mrs. HAROLD SUNDE was called to Wichita, Kansas, recently by the death of her mother Mrs. Mabel Baily. Many local friends regret hearing of her passing.

The sympathy of their many friends goes out to the family in their bereavement.

"A LIE IS FOREVER!!!"

A little girl came very early one morning to her mother, saying, "Which is worse, Mamma, to tell a lie or to steal?" The mother replied that both were so sinful she could not tell which was the worse. "Well, Mamma", replied the little one, "I've been thinking a good deal about it, and I think it's ever so much worse to lie than steal." "Why, my child?" asked the mother. "Well, you see, Mamma, it's like this", said the little girl; "if you steal a thing you can take it back, unless you've eaten it, and if you've eaten it, you can pay for it; but a lie is forever." "To realize the worth of the anchor we need to feel the storm."

Woman's Club

Members of the Chatsworth Woman's Club were delightfully entertained at their last meeting by Mrs. Sue Marrow, who gave a play review. She was presented by the Program Chairman, Mrs. Robert Cooley.

Among the local youth leaders honored at the meeting were Mrs. Charles Janess, founder of the Chatsworth Girl Scouts and their leader for ten years; Mrs. Chas. Hills, Youth Chairman of the Chatsworth PTA, Camp Fire leader and swimming instructor; Mrs. Ray Moon, Brownie leader and teen-age dance committee member; Mrs. T. Wyre, asst. leader of a Camp Fire group; Mrs. Wm. Mandel of the teen-age dance committee; Mrs. Robert Maybin, leader of the Northridge-Chatsworth 4-H Club; Mrs. Allan Petbone, Blue Bird leader and former teen-age dance chairman; Mrs. Kay Patrick and Mrs. Miller, teen-age dance committee members and Cub Scout workers; Mrs. H. M. Ditto and Mrs. Ray L. Johnson, Jr., Cub den mother and assistant for four years;

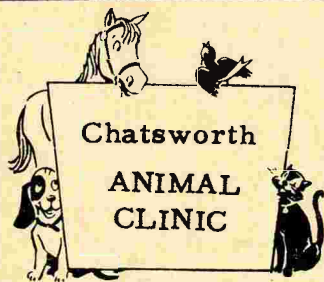

Mmes. R. L. Johnson, Sr., Roscoe Harris, James Armstrong, and Kate Sheridan were also named for years of interest and leadership in church and community youth groups.

Luncheon was served before the meeting by Mrs. Will Wilkins and her committee.

Mrs. Crowley made the lovely arrangement and decorations for the head table, which was later auctioned for the benefit of the flower fund and became the pride of Mrs. Russell McElvain. Colorful red berries centered the other luncheon tables.

The President, Mrs. Kate Sheridan, presided in her usual charming way, and led the group in the singing of the "Doxology" as a Thanksgiving Day observance prior to the pledge of allegiance and the singing of "America, the Beautiful".

Mrs. Edward Hannel, member for many years, was especially honored and presented with a membership card "in good standing" for reference to future club activity in her new home.

We trust everyone, just everyone, had a wonderful Thanksgiving holiday, being with friends and families. No matter what you did, we know that you couldn't help but enjoy and feel the love of God in the blue-ness of the sky, the white billowy clouds and the beauties of nature. That in itself, in addition to the bounties of His harvest, would encourage a person to reflect and meditate upon the goodness and wonders of His Love.

Mrs. R. L. JOHNSON will present her piano pupils in a recital Saturday night at 7:30 p. m. at the Community Methodist Church. Anyone interested is cordially invited to attend.

David JOHNSON, one of the twin sons of the Charles Johnsons, burned his rt. hand and arm severely recently when he crawled to the fireplace, getting into the hot ashes. Burns were found to be most 1st degree, with some sections 2nd degree.

Mrs. Wm. SCHEPLER entertained with a family dinner Nov. 18 honoring her father, Lester SWARTZ, on his birthday. Her brother, Dick, who was enroute here from the Long Beach Naval Hospital where he has been under care for many months, received injuries in a car accident on the way and was sent back to the hospital.

Mrs. Frances MAHIEU entertained with a five o'clock dinner Sunday evening, with guests Will Dursteler and his sister Ida, C. Warner, Mrs. Estelle Kearns, Lester Swartz, the James Woodmans, Don Lilja, and the Ray Bernhards.

Chatsworth Lake Highlights by GLENNA SCHRADER

Mrs. Dorothy Vasquez from Las Vegas is amking her home at present with her parents, Mr. and Mrs. W. F. Crombie.....

Sure has been a lot of sickness up in these parts of late, to name a few: Mrs. Bill Summers underwent surgery for a tumor at Northridge Hospital on Nov. 20; a week or so ago Mrs. J. J. Hill was rushed to Northridge Hospital for an emergency appendectomy; Grace Lomax had surgery performed at Northridge Hospital Nov. 17; Bea Stacy has been laid up for several days with the flu and abcessed ear; Fritzie, Arnie, Bobby and Becky Snow took turns with the flu; Frank Kern lost 2 days from work with the same old bug, and W. F. Crombie felt too miserable for a couple of days to get out and water his garden--he's 86, you know, but you can't hold him down!

Bernie and Eleanor Schmitz recently returned from a 2-day visit with relatives in Merced..... The Gene Snow family spent the weekend of Nov. 17 at Riverside..... The Wilbur Queens spent Thanks-

giving with friends in Fontana..... The Bud Mason family took a 4-day trip to Parker, Arizona, and Havasu Landing, a vacation resort..... The Frank Kerns took their dinner to share with Tom at the Preparatory Seminary in Compton..... The Al Marcucci's and the Gene Snows joined forces at the Snow household with Fritzie's brother Arnold Payseno of North Hollywood joining them..... The Allan Lovelesses, Rocky Greens, and Wm. Schraders pooled their turkey and chickens at the Loveless home, and the newlyweds Grace and Bryce Blankinship were in on it too..... The Rocky Green family just returned from a 3-wk. trip back to Wichita, Kansas, and Elk City, Oklahoma, to visit Violet's relatives--she hadn't been back there for 12 years so they really had a grand time..... Nov. 14 Margie and Cal Schauger became the proud parents of a baby boy, Terry Lee, and on Nov. 20 Ann and Jim Stallcup became parents of a baby girl--both babies born you-know-where, Northridge.

The annual BAZAAR and Turkey Dinner given by the Woman's Society of Christian Service of the Community Methodist Church was by far the most successful that has been given. Nearly 400

guests were served, all of whom acclaimed it a happy occasion, as well as a successful one financially with over \$800 cleared to date. This will go to the Missionary and Benevolent obligations of the society for the year.

Mrs. Don Paul and her committee, Mmes. Edward Ahlstrom, Larry Wells, Ray Cook, and Miss Mary Brown are to be congratulated on its success; Mrs. Harry Mooklar and her members of the Esther Circle who were responsible for the cooking and kitchen serving of the dinner; Mrs. Alex Summers and the Ann Johnson Circle for arranging the tables and serving the meal; and Mrs. Larry Wells and her Love Circle who handled the Bazaar. Also due their share of honor are the many wonderful patrons of the community, which was greatly appreciated.

Mrs. HELEN ARMSTRONG, who was called here from Pittsburgh by the critical illness and subsequent death of her father, Herbert Lucas, left by plane Friday night, to return home.
