## *At Home with Jesus*

"I can't understand how people without faith can get through a thing like this," said Mr. Bob Nason when I talked with him the other day. The Nasons, who lost their 7-year old son Bobby last week when he was struck down by a car at Owensmouth and Devonshire, are members of the Canoga Park Lutheran Church, and without a doubt it is their faith in God that has reassured them that their son did not die in vain. Bobby was laid to rest at Oakwood Cemetery last Friday, after services were read at the Canoga Park church.

The Nasons wish to express their deepest thanks through The Grapevine to the many friends acquired since coming to California -- they think the people of Chatsworth in particular are "just wonderful" and appreciate from the depths of their hearts the many kindnesses to them, especially in the last week or so.

Bob and Marjorie, Bobby, and daughter Cheryl, 10, came to California in June of 1956, coming directly to Chatsworth, where they first rented at 10150 Owensmouth, then later bought at 10146. Both children were born in Wisconsin, the family later lived in Chicago, then made the move west. The people of Chatsworth can well be inspired by this fine family -- we're proud to have them in our midst!

## *A little child shall lead them. . .*

Devonshire, our main thoroughfare, has long been a busy street and increasingly so with the new industries and businesses, tracts and newcomers to the West Valley. It has been a struggle to get into the line of traffic on Devonshire on a weekend day from a side street, and even on a "quieter" day the traffic has been a hazard due to the 55-mile speed limit (it's a California state highway!) which has never been changed.

It took a little boy, clutching eight pennies in his hand which he had wonderful dreams would some day help pay for a new baseball mitt, to bring about action which we hope and pray will lead to a slowing-down of traffic in Chatsworth.

It has been said that a group of irate mothers can do more than an army when their children's welfare is at stake -- and was proved last week when a group of our citizens, headed by Barbara Hultman, got action from the city. Mr. Fredericks, City Engineer, Traffic Division, came out at Barbara's insistence to "talk things over" and found action was what Chatsworth wants, and not just "talk". The group he was confronted with last Thursday made it quite clear that

The series is nearing the close with only 10 more games to be played. Saturday, July 27, the Braves will play the Cards at 2:30 and the Stars will play the Red Socks at 5:30; on Tuesday, July 30, the Dodgers will play the Yanks at 5:30.

James Nofziger was installed as commander of the CHATSWORTH LEGION POST for his second term at a colorful ceremony Wednesday night at Chatsworth Hall. Steve Foote, past 20th District Commander, was the installing officer and was assisted by the Eagle Rock Drill Team as the new officers for the coming year (named in a recent Grapevine) took their posts. Among the honored guests present were the new 20th District Auxiliary president, Audrey Conley; Dorothy Forsythe, 20th District second vice president; Lester Corzine, chief of special service of the Sepulveda Hospital; Ralph Goodall, Grand Chef d' Guerre of the 40 and 8; Roy E. Armstrong, now 20th District Commander; Steve Foote, vice-president of Americanism for Dept. of California; Clare Seaton, District finance officer; and Ruby Goodall, Fourth Area Representative of the Hospital Committee of Dept. of Calif. There were also several representatives of various Legions and Units in the District. Romeo Tognazzini and Ernest Hillman were made life members of the Post in appreciation of outstanding service.

our community wants no more youngsters run down due to negligence, and he cooperated by having trucks out before 24 hours had elapsed, posting signs near the crosswalk Bobby Nason was in when hit -- "PED. XING" as a warning, and "PARK PARALLEL" signs which will make for better visibility for ped. and driver. Yellow tickets are being issued by police officers as warnings to those who park diagonally.

However, the main issue of the speed limit change will have to come through the State. When Mr. Fredericks was asked why the speed limit was never lowered in the business district, he gave the definition of "Business district" out of his little black book -- where properties on both sides of a highway are over 50% business for more than 300 feet, or on one side of the highway for 600 feet. He also cooperated by giving the names of officials who could hurry up the proceedings, both in L. A. and in Sacramento, and later Barbara talked with Pat McGee, Assemblyman and Councilman, who promised his support.

If you love your children -- if you are interested in keeping our town the kind of town you will be happy to raise your family in,

The ROTARY ANNS, auxiliary group of our local Chatsworth Rotary Club, had their second meeting since their organization at the home of their Treasurer Margo Ahlstrom July 10. The meeting was presided over by President Strausie Brain and there were fifteen Rotary Anns present. From reports we hear this promises to be an active group. The other officers are Celia Ragusin, Vice President, and Gloria Haselfeld, Secretary.

Mr. WILLIAM JOHNSON, brother of Mrs. Margaret Millane of Variel Avenue, was laid to rest at Oakwood Cemetery Tuesday, July 16, at a simple graveside service with Dr. Harold Hayward officiating. Mr. Johnson was 85 years old and had been living with his sister the past seven months due to failing health, prior to his passing on Saturday, July 13.

Mr. and Mrs. FRANK SPENCER had a "most wonderful time" in Las Vegas for two days last week, staying at the Las Vegas Hacienda.

We have a loving, merciful God; but it is a serious thing to want to have your own way when you are dealing with Him.

then lend your support by taking up arms and joining in this fight for a betterment of our community with safety the main object! Sitting back, letting the traffic whiz by, may mean more tragedy.
