George Schoell was appointed temporary secretary and Stanley Hall as temporary treasurer. Mr. Brain, Mr. Hall, and Mrs. Jean Saal were named as an audit committee to audit the finances of the Foundation.

On Thursday, October 17, another meeting of the Foundation will be held at White Oak Hall, to elect eleven directors who will in turn elect officers for the organization. All members of the Foundation will be notified of the meeting and are urged to be present.

In Sympathy

JAMES L. WALTON, 58, a resident of Chatsworth for 30 years, passed away at the Veterans Hospital at Sawtelle September 25. Military services were held at Sawtelle Chapel September 30. He is survived by William C. Walton of Coachella, and Victor Walton of Penscola, Florida, brothers; Lyda Walton of Penscola, and Mrs. Beth Moor of Tallahassee, Florida, sisters. His family wish to express their thanks to the many friends who sent cards and letters to him during the many months he spent in the hospital.

JUDY LEE ARRINGTON successfully completed her first year in this hard old world last week, and celebrated with a full-size birthday party with all the trimmin's. Besides mama and daddy, Sally and Ken Arrington, who live at 10647 Variel, guests were Grandma and Grandpa Arrington (Lee and Thelma), Godparents Mr. and Mrs. James Palmer; Hayden Campbell, Sharon Hammond, and Karen Palece. She was swamped with more gifts than a 1-year-old can properly handle, and was highly appreciative of the pretty, pretty ribbons!

Among our young people who have again taken up their Fall Collegiate work are Jim Wells for his Sr. year at Oxy, and John Ahlstrom for his 2nd year at Oxy; Anne Grey Sheridan, who is attending UCLA after 2 years at Mills; Dehne McGinnis for his Sr. year at Oregon State; Dick Dempsey for his Sr. year at Reed; Margaret Duncan to Texas Woman's University; Jeff Hultman to Davis; Judy Rush to USC; Carol Smith to Northridge State; Stamley Ramage, Charles Sheridan, Edwin Iverson, Mike Lauritzen, Brian McGinnis, and Ed Burgett to Pierce; and Diana Watts to Santa Barbara State.

"There are moments when, whatever be the attitude of the body, the soul is on its knees."

Mr. and Mrs. LaRoy BRIGGS left the last of the week for Oregon where they will make their future home. The Briggs family have been residents here for about two years.

Their son, Gary, was honored with a surprise farewell party Thursday by a group of his friends. Gary will be known to many as one of the pitchers for the Yanks' Jr. Baseball team in the series last summer. Their many friends deeply regret seeing the family leave the community, but hope that the move will bring them success and happiness.

Mrs. BURT WENDT is recovering from surgery performed last week at the Northridge Hospital and is expected home in a few days.

JIM and BEATRICE COBURN of Chatsworth Lake are the proud parents of twin girls, born at Dr. Jones Clinic in Simi on September 30. This make nine children now! They also have a set of two-year old twins. The family moved to the Lake Area from Arkansas three months ago, and had a rather dismal welcome to California when Jim received a broken leg and cracked hip shortly after being employed by Laurelwood Acres, when he fell from a load of hay. He is in Northridge Hospital. Needless to say, this family could use some help! Baby clothes would no doubt be most welcome.

Mr. and Mrs. HAROLD ASBURY and Patsy and Sparky have returned home from a two-week vacation, one week of which was spent hunting and camping at Greenhorn Mountain and the other with Mr. Asbury's parents, the Leslie Johnsons of Lancaster. The Asbury's daughter Kay is staying this year with her grandparents and attending school in Lancaster.

The WOMAN'S SOCIETY OF CHRISTIAN SERVICE of the Community Methodist Church will hold their annual Bazaar and Turkey Dinner on Thursday, November 7, at Chatsworth Hall, the former Legion Hall. There will be a fine display of gifts, aprons, baked goods and stuffed toys, with a grab bag, white elephant articles, and games. The Bazaar will open at 4:00 p.m. and dinner will be served from 5:30 to 8:00 p.m. Further notice of activities will be given later.

The three Circles, in session Wednesday, the Love Circle with Mrs. Fred Palmer; the Ann Johnson Circle with Mrs. Wilbur Todd; and the Esther Circle with Mrs. Durk Haskell, were all busy on plans for the Bazaar. They also made a collection of food and clothes for a needy family in the vicinity.

The Ann Johnson Circle tied a quilt for a friend as their meeting was in progress.

Place your order with West Valley Letters NOW for your Christmas letterhead - order positively must be in by October 15. Phone and request a price list to be sent, come in and look over our samples, or ask to see them in your home or business establishment. Diamond 8-7643.

Mr. and Mrs. DON LILJA are now at home in their lovely new home in Woodland Hills, and on Wednesday evening they had as guests Dr. and Mrs. J. Dean Park, their former Chatsworth neighbors. The community regrets losing this talented young couple, but wish them much happiness in their new surroundings.

Boys and girls in this area interested in joining the NORTHBRIDGE CHATSWORTH 4-H CLUB were given a special invitation to visit the meeting last Friday at Chatsworth Center. By attending this meeting and the November meeting, a member can be taken into the club before the deadline for registration at the county office the first of Jan. 4-H is open to all over the age of ten who are interested in agriculture, animal husbandry, or home economics.

With the Devonshire Downs Fair, the Lancaster Fair, and the Pomona Fair now over, the club is ready to settle down to regular activity for the new year. Reports of the fairs were given at the meeting. Patty Maybin, a delegate from the local club to the annual State Convention at Davis, gave her re-

port and showed slides of the convention activities.

Anyone interested in further information about the club may call the leader, Mrs. Milton Porter, DI 0-2473.

Mr. and Mrs. R. L. JOHNSON (Katharine and Kelly) and Mr. and Mrs. Ray Cook and family are home again after an enjoyable vacation spent at Greenhorn Mountain in the cabin of the Ted Olsens of Buttonwillow -- an easy way to enjoy camping out! A trip to the Kernville Fish Hatchery was an interesting feature of the trip, along with hunting, which produced no tangible results.

Mrs. FRANCES MAHIEU returned home the first of last week from a two week visit with her daughter and husband, Mr. and Mrs. Norman Gage and daughter Myrna of Arcata.
