IN APPRECIATION

President Bill Dempsey of our Chatsworth Rotary Club presented to Rod McKenzie, Manager of the Chatsworth Jr. League, a plaque in appreciation for Rod's services in helping to organize the League. At the meeting last week Rod expressed his gratitude and said the League's success would not have been possible without Rotary's sponsorship. He also paid tribute to Johnny Konigsfeld for the part he played in the venture, and said Johnny truly lives up to Rotary's motto of "Service Above Self".

MR. and MRS. CHARLES TURNER celebrated their 50th wedding anniversary Wednesday, Oct. 9, when their family and relatives gathered to honor them on this notable occasion.

Their son Robert and wife and family of the Bay area arrived for a weekend visit and an additional celebration with the Turners.

Mr. and Mrs. Turner have lived here about 45 years and have a host of friends who join in congratulations and best wishes.

Word was received last week that LT. ROBERT (Bob) LOCKE, formerly of Chatsworth but now stationed in San Diego, was stricken with a heart attack and is in the Naval Hospital there for necessary treatment and care.

See you in Church Sunday? ?

TOM SOMERVILLE is recovering from throat surgery performed Wednesday at the Veteran's Hospital.

STEPHEN WERREN was almost completely overcome on his birthday October 8 when 22 of his friends, quietly waiting in the house for his arrival with his father, Robert Werren, greeted him with "Surprise!" It was his first birthday party, and he was thrilled with the many gifts his friends showered on him.

To top the birthday celebration off right, Stephen's aunt and uncle, Mr. and Mrs. W. H. Ryan of Studio City, took him to Disneyland on October 12 -- not just for the day, but for an overnight stay at the Disneyland Hotel!

KAY ASBURY was brought down from Lancaster where she has been staying with her grandparents, Mr. and Mrs. Leslie Johson, on Friday, and was immediately entered in Northridge Hospital. Her case has been diagnosed as Valley Fever, complicated with tublar pneumonia. Hospital confinement will be about two weeks, followed by another two weeks of convalescence at home.

Why 'A Baker's Dozen'?

Henry VII beheaded any baker whose bread did not conform to the fixed weights for bread loaves. So to avoid risking their necks, bakers added an extra loaf to deliveries of twelve, making a "baker's dozen."

Two more Chatsworth College students have come to our attention -- MYRNA CORSI, sister of Fran Bligh at Shopping Cart, is studying hard at Northridge State, and JOHN CAMPBELL is getting his lawin' at Pierce.

ROY ROGERS was a recent guest at the weekly Rotary meeting at Maggi's, showing a movie of his safari to Africa last year. Wife DALE was speaker last Saturday night at the Christian Challenge Conference at Pacific Palisades, a three-day retreat for church laymen. These Rogers' do get around!

Mrs. Effie Russell, 78, of Bakersfield, mother of Variel Avenue's Effie RILEY, passed away October 2 after a period of failing health following a heart attack 2 years ago. The Riley's spent that weekend in Bakersfield to attend the funeral services.
