The Chatsworth COMMUNITY COUNCIL (this group is an outgrowth of the Youth Coordinating Council), in session Monday night at the Four Square Church, began active work to "Dump the Dump", which the United By-Chemical Company is trying to establish on Santa Susana Pass. Believing it to be a detriment to the scenic beauty of the countryside as well as a highway hazard -- not to mention the danger to our children, who use this section of the highway to go to and from school, the Council is circulating petitions to this effect. Ingress and egress to the dump would be on a curve of this two-lane main highway. If you are interested and have not as yet had an opportunity to sign one of the petitions, call DI 8-1163 and the Council will see that one is made available for you.

has a new DENTIST! Dr. Robert G. Bleier has recently opened his office at 21800 Devonshire, just two blocks east of Topanga, Chatsworth. He formerly practiced in North Hollywood. Dr. Bleier is a graduate of UCLA and of the Medical Center of the University of California at San Francisco. He is on the staff of the Cedars of Lebanon Hospital, and is a veteran, having served with the armed forces in Italy. He resides in Tarzana, where his family has lived for many years.

The METHODIST MEN of the Chats. Methodist Church enjoyed a fish dinner at their meeting Tuesday night, with Dr. Harold Hayward as chief chef for the meal.

In the program that followed, the men had the pleasure of hearing M. O. Nelson of San Fernando, in a talk on "Church Expansion".

GALE PICKERING is continuing her collegiate work at Pierce College following a year at the University of Hawaii.

ELECTION of new officers and board of directors for the Chats. Chamber of Commerce will be on Tues., Dec. 10, with a large slate of candidates running. The constitution provides for new members to vote providing 1958 dues are paid prior to election time. Non-members are therefore encouraged to join and vote, thus having a voice in Chatsworth activities. Dues are \$12.00/yr.-- only \$1.00 a month for your voice to be heard.

Chats. BOY SCOUT TROOP 26 hiked over the hills to Santa Susana Knolls Park Saturday with Scoutmaster Carl Henneman, who later returned for their camping equipment. The boys then set up camp and remained there overnight, camping and cooking to work for their various camping merit badges.

The Chatsworth Park Elementary PTA will present the Rich Tones in a concert at the school auditorium on Tuesday, Dec. 3, at 8:00 p.m. This is a chorus of P.T A. Mother Singers from various Associations in the Northwest Valley Council.

Mrs. Lewin Dockens, producer, states that the program will be of equal interest to children and adults alike, and will present among other numbers some barbershop quartets. The affair is being given to augment the general treasury.

On Friday, Dec. 6, the PTA will give a Silver Tea at the home of Mrs. Frank Schepler, Jr., 10514 Andora. Contributions from this will go toward the Life Membership Fund.

At the meeting of the PTA last Tuesday, members and guests heard Miss Jessica King, branch librarian of the Canoga Park Library, who spoke on "Vision Through Good Books."

In addition to Mrs. King, the program chairman, Mrs. Schepler, presented Dr. George Lorbeer of

Chatsworth, instructor at Northridge State College, who spoke on "Parent Education", featuring this committee on the program.

A community sing was enjoyed, as well as the refreshments, which were served by the Kindergarten room mothers.

GROUND-BREAKING for the new Chapel at the First Baptist Church on DeSoto is scheduled for December 15!

Now that the Thanksgiving goodies are all tucked under your belt, it's time to give serious consideration to the fact that Christmas is not only "just around the corner" -- it's practically upon us! If everyone is as community minded as our various community organizations seem to indicate, it will mean a landslide of business for all our merchants. If, however, we don't all pull together and patronize one another all will seem but hypocrisy. Give Chatsworth your support by practicing what we all seem to preach.

Members of the Woman's Society of Christian Service of the Methodist Church had the pleasure of hearing Rev. E. Oden, director of the David and Margaret Home of La Verna, at their recent meeting, and he gave a very interesting and informative picture of this home which cares for 70 youngsters, age 6 through high school age. The children are part orphans, some from broken homes, and some are wards of the juvenile court.

The Society was the appreciative recipient of a beautiful picture of the Christ presented by Mrs. Joseph Fladwed, which was painted by her uncle and will hang in the Louise Arnold Lounge.

The meeting concluded with a delicious turkey luncheon served by the Ann Johnson Circle.
