A PRAYER FOR THE NEW YEAR

Dear Lord of space and time, we pause again
At this the threshold of another year
To thank Thee for Thy goodness heretofore
And claim the constant bounty of Thy love
Along the unknown path that lies ahead:
Not as a right, for merits that are ours,
But humbly in the name of Thy dear Son,
Who said that Thou wouldst give, did we
but ask.

So now we ask for guidance for our feet,
For manna for our bodies and our minds,
For that true bread that Thou alone canst
give

To keep us strong of heart and staunch of soul
That we may love and serve our fellow man
As Thou dost love him, giving help and hope,
In Jesus' name, to him who needs our aid,
Whatever be his color, class or creed.

Help us to help each other day by day
With kindly heart and sympathizing hand;
Forgive, we pray, all those who do us ill;
And when the shadows of the night shall
come

Grant that Thy loving presence we may feel,
As One who through the day has walked
with us.

—Joseph Baldwin Haston

Congratulations!

Announcements like these are such a pleasure, especially when it concerns two such wonderful people! The Charles Janess's of 10353 Jordan Avenue have proudly and happily announced the engagement of their daughter Charleen to Jim Roesch, son of Mrs. Ellis J. Roesch and the late Mr. Roesch of 10441 Variel Avenue.

Formal announcement came at the annual Janess Holiday Party last Saturday evening. Glittered bells inscribed with the names "Charleen" and "Jim" were displayed in a prominent place, along with the usual holiday decorations. Local guests at the party included Virginia Kimble, Carol Riley, Lois Nicks, Carol Smith, Brenda LaBlanc, John Ahlstrom, Gene Bernhard, and Mr. and Mrs. Dale Smith.

Charleen is a Senior at Canoga High and has been a resident of Chatsworth with her family for 11½ years; Jim is a graduate of Canoga High and is currently employed at Rocketdyne. His family have been Chatsworthians for 12 years.

Our very best wishes to a wonderful couple for a very happy future!

A word of thanks is in order to our Post Office staff and Postmaster Jennings for the capable handling of our holiday mail!

A group of Chatsworth citizens today are reported to be seeking legal counsel over alleged illegality of the Chamber of Commerce election.

Ben Boydston, incumbent, was elected to the presidency for a second term by a margin of two votes.

Two issues divide the membership and involve interpretation of the chamber's by-laws.

Law Limits Service

It was reported that if interpretation of the by-laws is to the effect that the officers (president, vice presidents, treasurer and secretary) are members of the board of directors, then the incumbent president, having served three years on the board, and again as president, is an illegal candidate.

The bylaws state that a member of the board of directors can serve only three consecutive years.

It also was reported that at a meeting of the directors Monday night reference was made to the bylaws, which provide that a person or firm

holding one or more memberships, shall have the right... to change its representatives upon written notice to the chamber, if approved by the board.

However, it was stated that several votes were accepted during the election when the bearers had no letter designating them as official.

These two issues were reported to constitute the basis of the protests over legality of the election.

A motion was made and seconded that the process be declared "no election" and new nominations be made and a new election held.

May Delay Installation

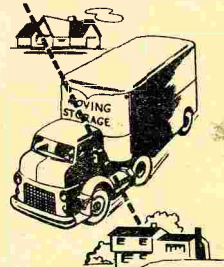

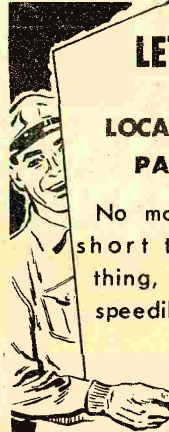

Before a vote could be taken, another motion was made and seconded that the previous motion be tabled until legal advice could be sought. The tabling motion carried ~~11-2~~ 12-2.

A motion then was made and seconded that plans progress for the January installation unless the opposition to the present members of the board be challenged by legal action.

DEADLINE
MONDAY NOON

On Monday, Dec. 23, the Chatsworth CUB PACK and BOY SCOUT TROOP 26 had their Christmas party and gift exchange at Chatsworth Hall; on Thursday, the Brownies carolled about town in the afternoon and then gathered at White Oak Hall for Christmas festivities. Both groups are sponsored by Chatsworth Rotary Club.

Dr. and Mrs. HAROLD HAYWARD entertained with a series of parties during the holidays when they had as guests the Jr. MYF, Sr. MYF, members of the adult Bible Class, young married people, and the Wesley Fellowship. Dec. 23 the young people's groups joined the choir in carolling to sick and shut-ins, and older people of the community on request.

The Board of Public Works has recommended to City Council the start of condemnation proceedings against a proposed fire station site on the east side of Topanga Canyon Blvd. about 450 feet south of Marilla Street. The site is 100 x 70 feet.

The need for a station in this area long has been stressed by District Councilman Pat McGee, and concurred in by the Fire Department.

A. M. Hill, director of the Bureau of Right of Way and Land, informed Councilman McGee that he considers this site the best available in the community it is to serve, that he has made an appraisal of its worth but that the Bureau was unable to acquire it by negotiations.

Funds for its purchase are available in the 1955 Fire Station bond issue approved by the voters.

Pending the filing of condemnation proceedings, negotiations will be continued with the owner.

Funeral services for HAROLD BOWHAY of Marysville, a former Chatsworth resident who passed away with a heart attack, were held Monday morning from Noble's Chapel in San Fernando.

The Bowhay family lived here for many years and were active in affairs of the community and the Methodist Church. They have resided in Marysville since leaving Chatsworth several years ago.

Among the service men who were permitted to come home for the holidays were Perfecto (Pat) CASTRO from Fort Lewis, Washington; Dale SMITH and his wife Erna, from Monterey; and Tom ZIMMERMAN from Fort Ord (on his return, Tom says, he will be sent to a baking school in Alabama for an eight-week training course. Margaret DUNCAN, who is attending Texas Woman's University in her senior year, spent the holidays with her parents, Mr. and Mrs. R. Duncan. When Margaret left, the family was living in Van Nuys, but now are settled in their new home in Devonshire Forest. Jeff HULTMAN, who is attending Davis University, was also home for the holiday vacation. Jeff received the high honor and a trophy for being the most outstanding freshman baseball player at the university. Jeff, son of Mr. and Mrs. R. B. Hultman, was manager of one of the junior baseball teams last summer. Dick DEMPSEY, son of the Wm. Dempseys, was home from Reed College in Oregon, and Diana WATTS, daughter of the Gordon Watts, was home from S. Barbara St.
