## Chamber Installation

In a colorful, home-town type ceremony, officers and directors of the Chatsworth Chamber of Commerce were installed last Wednesday night at the Chatsworth Community Center.

Handling the installation ceremonies were Dale Evans, Honorary Mayoress, and Jack O'Shea as Master of Ceremonies.

Those taking office were Ben Boydston, President; Harry Briggs, First Vice President; William E. Dempsey, Second Vice President; George Schoell, Secretary; and Clifford Ahlstrom, Treasurer. Directors are: Hank Crowley, Larry Clarke, Stan Hall, John Konigsfeld, Dr. E. M. Miner, Dr. Thomas Newland, C. A. Palmer, J. B. McLean, Florence Shaw, and Mike Ragusin.

Special guests were F. H. Schepler and Mrs. Schepler, Robert P. Boggis and Mrs. Boggis, and Mrs. Minnie Palmer.

Ceremonies were opened by Ben Boydston, followed by Pledge of Allegiance, and the invocation by Dr. Harold Hayward of the Chatsworth Methodist Church.

Entertainment was furnished by The Keyboard Shop, who graciously loaned one of their organs for the evening, and was

presided over by Walter Studdt.

Dale Evans, in her words of greeting, expressed her deep appreciation of the fact that she, along with Roy and the family, is living in Chatsworth with its friendly, homey atmosphere. She further testified to this in a parody of her own composition on "Home on the Range".

A highly humorous feature of the program was the reading about different personalities and businesses in our community by the M.C. Highlight of the evening was the showing of the colored film "The Road to the Stars" by Rocketdyne.

A superb dinner was enjoyed by a near capacity gathering of home town folks and guests by Larry Clarke of Rocketdyne, assisted by his wife Kiki and Harry P. Briggs. Leonard Chenard performed a great service in helping to carry out the dinner to its perfection.

Chatsworth's Mariner Girl Scout Troop helped serve the dinner, under the direction of the Skipper of the troop, Mrs. Charles Janess.

Credit for the beautiful floral arrangements goes to Dee Crowley of Chatsworth Florist.

In charge of the event were the (please turn to page 2)

entertainment committee comprised of C. A. Palmer, Al Brain, Harry Briggs and Larry Clarke.

The annual dinner was concluded with the drawing of door prizes. Hank Crowley won a mechanical one-man band toy, donated by Al Brain of the Chatsworth Variety Store, and a beautiful basket of jams and jellies donated by Leonard Chenard of the Paradise Shoppe was won by Horace Weaver. Mrs. Weaver was also celebrating her birthday that evening.

A host of friends mourn the departing of MRS. ELIZABETH ELSPERMAN, 68, last Sunday at 1:25 a.m., who has gone home to be with her Lord after a lingering illness. She has lived with her cousin, Winifred Curtis, at 10238 Jordan Avenue for the past two years. Dr. John Lee of the First Presbyterian Church in Granada Hills conducted a Twilight Service Tuesday night at Lorenzen Chapel, after which her body was shipped to Summerfield, Ill., for interment there. Mrs. Elsperman was a retired employee of the Missouri Pacific Railroad office, having been with them for forty-four years in St. Louis. Our sincere condolences to the family and her many friends in this hour of sorrow.

Mr. and Mrs. HJALMER GEORGESON of 10234 Independence Avenue announce the engagement of their daughter, June, to William Scoville of Tarzana. June is an employee at Bank of America in Canoga Park, and in fact is now "Miss Canoga Park". She attended the local elementary school and is a graduate of Canoga High. The couple are planning a June wedding.

JERRY PADGETT of the U.S. Air Corps is enjoying a furlough visiting his parents, Mr. and Mrs. George Padgett. Jerry has been stationed in Texas for two years and this is his first furlough home in that time. Welcome home!

DAVID RILEY'S first letter home since being stationed at the Naval Training Station in San Diego, says he's happy, though the going is a bit rough! Up at 4:00 a.m., and a two-mile march before breakfast every morning---ugh! David will be at this station for at least twelve weeks and will have his first liberty home in March.

JUDY WERREN had the sad misfortune to break her foot in gym class at school last week and will be about on crutches for some time. ELLOUISE MARRIOTT is also temporarily crippled, and has been on crutches for a couple of weeks with a sprained ankle.

Mr. and Mrs. HANK CROWLEY left today to spend a four-day vacation at Yosemite. This is the first vacation they have had from their Florist business in eight years, and they are looking forward to a wonderful time. Business at the shop will be carried on as usual by their substitutes.

Mrs. Harold ASBURY entertained with a party honoring her nephew RODNEY ROBELL on his 11th birthday Saturday. Rodney recently came here from Hawaii, and with his brother is making his home with the Asbury's. He received many nice remembrances and the 14 guests enjoyed the fun and refreshments. Happy birthday!

SEE YOU IN CHURCH  
SUNDAY!

JUST A REMINDER about the very important meeting at Len Chenard's at 10234 Variel, 7:30 p.m., Tues., January 28, regarding the Junior Baseball League. This meeting is for all managers, assistants and coaches from last year, plus all men and teen-age boys interested in being managers, assistants, or coaches in the coming season. Important committees will be assigned. Mark your calendar now!

## Pay bills the easy, safe CHECKING ACCOUNT way

No trips to pay bills... just drop a check in the mail.

It's safe, too...no chance of lost or stolen cash.

As an added dividend...your cancelled checks prove payment of bills and are valuable for tax records.

Open a REGULAR or SPECIAL Checking Account today.

Start with any amount, no minimum balance is required on either type of account.

The nation's first "service center" for ballistic millile rocket engines is under construction at DeSoto and Nordhoff by Rocketdyne, a division of North American Aviation, Inc. Construction of the 132,000 square-foot building will provide office and factory space to support future field units of Atlas, Thor and Jupiter missiles, whose engines are built by Rocketdyne. The new building, being constructed by Lindgren and Swinerton, Inc., of Los Angeles, is expected to be ready for occupancy by this fall. It is being built by private funds at a cost of \$1,500,000 and will be headquarters for some 1,000 service personnel, and will be headed by J. A. Broadston.

The NORTHRIDGE-CHATSWORTH 4-H CLUB was well represented at the recent Los Angeles County Hi 4-H snow part at Ver Smith Lodge, Lake Arrowhead. The fact that there was no snow did not deter the intrepid members, for when the official party broke up they went higher up and found themselves some snow.

Members of the local club who made up the party of fifty from all parts of the county were Patty and Harry Maybin, Linda Harris, Veronica Polich, Bill Downes, Pinky Garman, Karen Fortune, Roger Howard, and their counselor, Mrs. Robert Maybin.

PROMOTION EXERCISES for the A-6 Class of the Chatsworth Elementary School have been set tentatively for Friday, January 31, the closing day of the school semester. Those to receive certificates of promotion to Sutter Junior High are: Allan Armstrong, George Briceno, John Clark, Wayne Cook, Chris Hollenbeck, Randy Johnston, Terry Muehlenbach, Roxanne Newcomb, Susan Ruff, Katharine Steen, and Carolyn Vaughan. Sutter went onto full time schedule last Thursday, so the young people now entering the school will have the benefit of full-day sessions.
