Bon Voyage

New Officers

Miss Ida Dursteler and her brother, Will, received the surprise of their lives Thursday night when they were ushered into White Oak Hall after choir practice at the Methodist Church, and there found the room filled with friends to wish them bon voyage on their expected trip to Switzerland on May 5. They will leave in company with their sister and her husband, Mr. and Mrs. Harold Bergquist, their cousin, Ted Dursteler, and their sister, Mrs. Marjorie Hoff of Georgia, who will meet them in New York. They will go over by ship and return by plane. Part of the expected three months will be spent in Sweden visiting Mr. Bergquist's relatives, part in Rome, Italy, visiting the Durstelers' oldest sister and family, and the remainder in Switzerland.

The choir, of which the Durstelers have been faithful members for many years, sponsored the affair, and planned the gift which was presented to them, a "Money Tree". Those of you who have seen Dorothy Watts' creations of "money trees" can picture in your minds a replica of the Swiss Alps with a tree on the side, on which was hung bills of many denominations. Bills could also be found hidden in crevices on the sides of the mountains. A wonderful way for Will and Ida's many friends to say "have a wonderful time!" Needless to say, the Durstelers were rendered almost speechless.

After the excitement of the surprise had worn off, Mrs. Lila Schepler led the group in some interesting and clever games with the travel theme. Later, their trip was dedicated in prayer by Dr. Hayward, and refreshments were served by the Woman's Society of Christian Service.

FIESTA PLANS

July 5 Fiesta Plans continue, with some merchants filled with enthusiasm, other dubious. The plan is to hold the Fiesta right in the heart of town, at Devonshire and Topanga, back of the Standard Station. All merchants would keep their places of business open if they so desire. Another name added to the Fiesta Committee which was published last week is Bill Dempsey of Chatsworth Hardware.

Two Junior League baseball games are scheduled for that day, also continuous goings-on until after dark. Sounds like a heap of fun, and we hope our merchants will see the value of sponsoring the program.

Any merchant who does not understand the "Package Plan" please contact one of the committee which is headed by Hank Watson.

Mrs. Glenn A. Beyer was elected president of the Chatsworth Woman's Club at the election meeting Tuesday at the club rooms. Other officers elected to serve with her were Mrs. William McGinnis, first vice president; Mrs. Scott Bradley and her assistant, Mrs. Joseph Jurnecka, second vice president; Mrs. Thomas Davidson and her assistant, Mrs. Ray Johnson, Jr., third vice president; Mrs. John Thornton, recording secretary; Mrs. H. C. Jensen, corresponding secretary; Mrs. Robert Crouch, financial secretary; Mrs. C. C. Carter, treasurer; and Mrs. Arthur Young, Mrs. Annabelle Baker, and Mrs. Percy Keith, directors. Elected to the Building Management Committee were Mrs. J. Dean Park, Mrs. Bruce Garoutte, and Mrs. Kate Sheridan. The officers will be installed at the meeting on June 10.

Mrs. Beyers and Mrs. Fran Ladell, who attended the annual convention of the Sierra-Cahuenga District of the Federated Woman's Clubs at the Beverly-Hilton Hotel April 11 with the president, Mrs. Arthur Young, gave brief reports of the day.

The newly-elected president and first vice president, Mrs. Beyer and Mr. McGinnis, were elected delegates to the State Convention in San Francisco May 12-15. Mrs. Guy Clarke was named alternate.

The meeting followed luncheon served by Mrs. Russell Hall and her committee, Mdms. J.M. Fladwed, Edward Roach, Charles Turner, George Caruse, Nettie Daniell, Nick Tendras, and E. M. Miner.

Several members remained after the meeting to attend the Legislation Section conducted by the chairman, Mrs. Kate Sheridan. The subject "Shall We Discontinue Nuclear Tests?" was discussed by the group, with various pros and cons being presented.

Rotary's Third Anniversary

On Wednesday, May 7, the Rotary Club of Chatsworth and their Rotary Anns will have a social gathering at Andre's Smoke House in Sepulveda. This will mark the third anniversary of the granting of the Charter to the Club on May 6, 1955. In the past three years our Rotary has been very active in Community Life, and sponsors the Chatsworth Cub Scouts, Pack 226, Brownie Troop #1381, and were mainly responsible for the formation of the Chatsworth Junior Baseball League last year, which is now an independent organization.

Appreciation is extended to the members of Rotary who truly live "Service Above Self".

MARIE GAY MINARDI made her grand entrance into the world at 1:20 a.m. April 26. Dr. Miner did the honors for the second time for the Minardi's, at Northridge Hospital. Gay is getting to be an old hand at this, with three others at home, and he says he wasn't a bit nervous! Well... Anyway, Kathy Ann, 5½, is mighty happy to have a little sister, as she's been outnumbered up to now with two brothers -- Paul Michael, 3, and Stephen Joseph, 2. Pat and Marie should be home by the time you read this. Congratulations!

Mrs. Eckstein is believed to be the oldest resident of Chatsworth. Several friends dropped in during the hour to bring their felicitations. The Girl Scouts entertained with group singing and later served refreshments to the honored guest and other visitors. Mrs. Eckstein has been a Chatsworth resident for over thirty years, and continues to live here with her son, Walter Eckstein, on their ranch at Farralone and Plummer.
