Chatsworth AMERICAN LEGION POST, in conjunction with the Canoga Park Post, is assisting in the Memorial Day services at Oakwood Memorial Park

Friday at 11:00 a.m., under the leadership of Commander James Nofsiger.

DALE EVANS ROGERS headed an open house for the Union Rescue Mission's Green Oak Ranch Boy's Camp at Vista on Sunday. The week previous she was the speaker at the Church of the Open Door in Los Angeles, speaking on the subject of released time religious education.

The open house at Vista drew 5,000 visitors from Los Angeles to San Diego.

Funeral services for Mrs. LETHA D. SCHRADER, 80, were conducted Tuesday by Forest Lawn Mortuary in the Little Church of the Flowers with Dr. Harold Hayward, pastor of the First Methodist Church of Chatsworth, officiating. Interment was in Forest Lawn Memorial Park.

Mrs. Schrader passed away Saturday, May 17, following several weeks in the hospital with complications that accompany old age. She was born in Holt, Missouri, but came to the Southland 58 years ago. She was currently living at 11257 Dora Street, Sun Valley, and is survived by her son, William Schrader of Chatsworth Lake, and three grandchildren.

SHIRL WHITNEY, a newcomer to Chatsworth, appeared in "The Shipper" on Tales of Wells Fargo Monday night, Channel 4, 8:30.

The NORTHRIDGE-CHATSWORTH 4-H CLUB will send three demonstrations to the regional contest to be held at the 4-H Field Day at the Riverside Campus of the University of California on June 7. This is the final contest for 4-H members who have already won in their classes at the San Fernando Valley Contest and the County Contest. Those giving demonstrations are Patty Maybin on "Safety in the Kitchen"; Karen Porter and Sara Hitchens on "Making a Lamp for Home Improvement"; and Susan Downes and Kathy Kemp in "Choosing Cottons for Skirts".

Both individual and team judging in home economics and agriculture will be held at the Field Day. Bill Downes' team of Judy Watson, Sandy Brewster, and Bill Downes will compete in Livestock Judging. Winner will go to the State 4-H Convention at Davis in August.

The sheep project of the Club will turn out in full force for the valley sheep Field Day May 30 at 9:00 a.m. at Cunliffe's Ranch, 15668 Olden Street, Sylmar. The morning will be a training program for grooming and showing sheep, and the afternoon will be taken up with showmanship in three divi-

sions; those who have never shown before, those who have never placed; and advanced members who have placed.

A representative of the Bank of America will judge the final contests and give out ribbons.

CHARTS and STATISTICAL DATA showing the growth of the San Fernando Valley as presented recently by Joseph R. Jones, Vice President of the Security-First National Bank, before the San Fernando Valley Realty Boards, have been made available for distribution and can be obtained at the Chatsworth branch of the bank according to an announcement by Dave Latham, manager.

In his talk Jones gave estimates for the future growth of population in the Valley based on studies by the State Department of Finance, California Taxpayers Association, and the bank's Research Department. It included a projection of the population to 1975 made by the Regional Planning Commission.

The charts have been reduced to 10 by 17 inches and statistical data is on letter-size sheets.

THE LITTLE RED BIBLE

When he was a boy of 11, working in his father's brickyard, John Wanamaker invested in a Bible. It was a small, red Bible, costing \$2.75, and he paid for it in installments.

He read this Bible all his life, and applied it literally to his own problems.

He accepted without question its claim that faith could move mountains. When, at 22, he started his first store with his savings of \$1900, everyone said he would fail. But he had faith, and succeeded.

Three times, through three successive panics, his business almost went on the rocks. But he found that the miracle of faith always pulled him through.

The Bible not only shaped his character, he got all his most important business ideas from it. Through these ideas — which revolutionized the whole theory of retail buying and selling and created our modern principle of "Service" — John Wanamaker became, as

President Taft once said, "the greatest merchant in America."

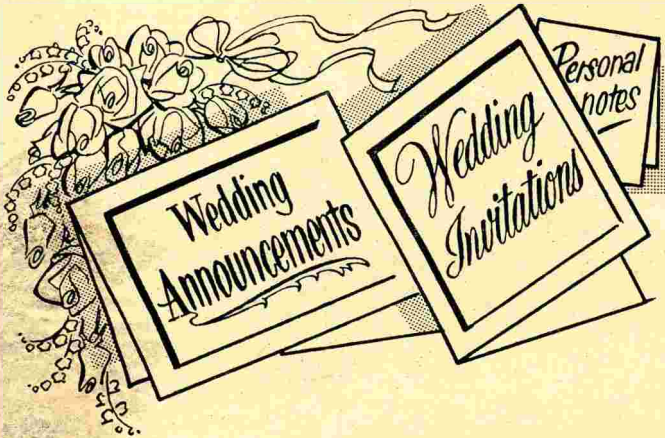

"That little red Bible," Wanamaker wrote, "was the greatest and most important and far-reaching purchase I ever made; and every other investment in my life seems to me only secondary."

Today the Bible occupies a new place in the consciousness of the American people.

Wherever we read, in the annals of our armed forces, of men in deadly peril by land or sea, we also read of their having recourse to the Bible. Men drifting in life rafts on great wastes of waters recall forgotten fragments and repeat them to their shipmates. Men in foxholes, in stress and suffering of every kind, are upheld by what they remember from the Bible.

To these, and to millions of Americans today, the Bible is a living force as it was in John Wanamaker's life and time.

At the annual MOTHER AND DAUGHTER PARTY of the M.S.S. Cocapachavi, the Mariner Girl Scouts, the last three of the original six girls who started the "ship" were graduated out of scouting. A touch of sadness was present as the girls participated in the closing moments of their years in scouting: Carol Snee, six years a girl scout, graduated first class with 13 proficiency badges; Carol Riley, 6 years a scout, has the Curved Bar, 21 proficiency badges, and held midshipmite rank; Virginia Kimble, $9\frac{1}{2}$ years a scout, has the Curved Bar, 25 proficiency badges, and holds Midshipmite rank; and Charleen Janess, $9\frac{1}{2}$ years a scout, has the Curved Bar, 26 proficiency badges, and holds Jack Tar rank. The three original girls in the Mariner Ship were Carol Riley, Virginia Kimble, and Charleen Janess.

While the girls are graduated from scouting, Skipper Eileen Janess explained during the ceremony that this does not mean that she leaves scouting forever. She may leave temporarily with college, work, or marriage intervening, but it is the hope of all concerned that sooner or later she will share her skills either as a Junior Mate or Assistant Leader to another troop and someday have a troop of her own.

Mr. and Mrs. DONALD GOETSCH are enjoying a visit from Mrs. Goetsch's brother and his wife, Dr. and Mrs. Anderson, who are on their honeymoon trip. Dr. Anderson is with the mission board of the Presbyterian Church and is currently working with the lumbermen in Washington.

Dr. Anderson visited here last summer when he baptized the twin sons of Mr. and Mrs. Goetsch, and spoke at the evening service of the First Methodist Church.

The next meeting and dinner of the National Federation of the BUSINESS & PROFESSIONAL WOMEN'S CLUB will be held June 3 at 7:00 p. at Mendenhall's Restaurant, 23987 Ventura Blvd.

Any women actively engaged in business or the professions is welcome to attend, and eligible for membership.

The National club was organized in 1919 and is the largest organization in the world devoted entirely to the interest of employed women. Our own West Valley Club was founded in 1946 by Leicester Fulwider, and is now known as the Canoga Park BPWC, which includes Chatsworth, Northridge, Canoga Park, and nearby areas.

The membership is not limited to members, not classified as to occupations, and over 700 kinds of work is represented.

Association and fellowship is offered with women of like interest; the club offers participation in programs to help raise standards of training for and performance in business, and works for a nation-wide program to promote the well being of all women wage earners. It also supports legislation and insures good government, works for worthwhile civic projects and helps promote good business in the community.

You are welcome, and if interested in attending please call DI 8-3826 for further information, and about transportation to and from club meetings and dinners, which are always held the first Tuesday of each month.

Our Best Wishes

A family picnic on May 11 at Orcutt Park announced the engagement of Nancy Sue Briggs, daughter of Mr. and Mrs. Harry P. Briggs, to James Harold Allen, son of Mr. and Mrs. Allen of Indianapolis. Forty guests enjoyed the festivities, and the families represented were the K. P. Johnson's, the Fred Hayden's, Bill Hayden's, Ronald Getchius, Howard Kerr's, Howard Kerr Jr., Nick Kalibers, the Nevitt family, mother and aunt of Mr. Briggs, and of course the Briggs family, Nancy, and Jim.

A beautiful cake of double interlocking hearts with the engaged couple's names was the appropriate centerpiece.

The bride-elect attended our local grammar school, Sutter Jr. High, and Canoga Park High. About four years ago she moved to Los Angeles near her place of employment, the California Bank, where she works as file clerk.

Nancy's fiance is a graduate of Purdue College, Indiana, and presently works at Garret Corporation of Inglewood as laboratory technician.

The wedding date has been set for August 23 at the Little Church of Hollywood.

Mrs. Wilbur Todd and Mrs. Charles Johnson were co-hostesses for a joining stork shower honoring MRS. EDDIE JOHNSON and MRS. RAY COOK Friday night, May 23, at the Todd home. Twenty-five guests were present, all of the relatives of the guests of honor with the exception of two.

Mrs. Johnson and Mrs. Cook opened their gifts simultaneously amid the interested remarks of approval of the guests, and refreshments concluded the evening.

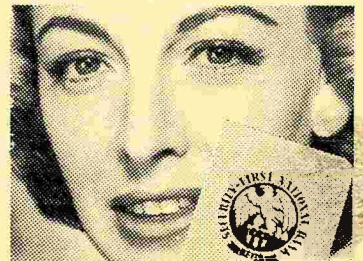

Mrs. JOSEPH APRUZZESE has returned from a trip to Cleveland, Ohio, where she was suddenly called on the illness of her mother who passed away while Mrs. Apruzzese was there, on May 13. She had suffered a slight stroke, and this condition was complicated by a fall in which she suffered a broken hip, followed by pneumonia.
