## *Our Best Wishes*

Diana Gay Watts, daughter of Mr. and Mrs. Gordon Watts of 10955 DeSoto Avenue, became the lovely bride of Theodore Hiller Greene, son of Mr. and Mrs. Harry Greene of Northridge, on Friday, November 7, at a simple ceremony with immediate family members present.

The bride wore white textured silk, waltz length, with chiffon drape at neck and shoulder, and shoulder length veil. She carried white carnations, and was attended by Carol Jenkins as matron of honor.

The groom was assisted by Kenneth G. Jenkins as best man.

Diana with her family has resided in Chatsworth for thirteen years and attended our local grade school, Sutter Jr. High, Canoga High, Pierce Jr. College, and is a graduate of University of Calif. at Santa Barbara. She is presently attending San Fernando Valley State College at Northridge where she is working toward her secondary teaching credential.

The groom attended Louis Pasteur Jr. High, Dorsey High, and Valley Jr. College. He is a member of Delta Psi Omega fraternity, and is presently on the staff of San Fernando Valley College in Northridge.

A reception will be held on Nov. 30 at Chatsworth Center.

Congratulations to you both!

## **Novel Meeting**

Members of the Chatsworth Woman's Club were entertained with a novel program recently at the club rooms; when John Burton, a local resident, internationally known for his work in glass blowing, was the guest speaker. He was presented by the program chairman, Mrs. Scott Bradley, who in her introduction stated that his work had been displayed in museums all over the United States and most recently at the Calif. Palace of Legion of Honor.

Mr. Burton gave a brief but most interesting history of glass blowing, which dates back, it is believed, to at least 12,000 years before Christ. He stated that we would go back in progress to the Middle Ages if modern glass and its products were taken away. Mr. Burton then showed some slides of some of the very lovely pieces he has made, all the work being done without molds. He then gave a most interesting display of how he did his glass blowing, including some of the intricate tricks of his trade.

Hostesses for the luncheon which preceded the program were Mdms. Earl Rush and Earl Muehlenbach, co-chairmen, assisted by Mdms. Walter Peterson, John Thornton, Tom Somerville, Nettie Daniel, C.C. Carter, Harold Kline, Nick Tendras, A. Young, and D. Fulwider.

One of Chatsworth notables, BILL HENRY, and his daughter, Mrs. Fredrick J. Stichweh, also a local resident, were among the 700 parents present at Occidental College for the annual Parents Day held recently. They received their invitations to attend from Mrs. Stichweh's sons, Patrick and Michael McHargue, the third generation of the Henry family to attend Occidental.

Mr. Henry's grandsons, like their grandfather, are participating in football, track, and swimming. Patrick, a sophomore history major, is vice president of his class, and Michael, a senior psychology major, is president of D. O. senior men's honorary service organization, and is chairman of the Bengal Board.

Mr. and Mrs. ROBERT RANDALL enjoyed a five-day visit last week from their daughter and her husband, Mr. and Mrs. J. C. Gilmore and son Gary of Tulsa. The Gilmores had come west to attend an insurance convention in Las Vegas, and took a few days longer to visit the Randalls.

Trust in money, and you may have it taken from you.

A beautiful daughter with a dimple in her chin is the new pride and joy of LOIS and JIM KENEALY of 10414 Variel Avenue. Polly Ann Kenealy, 7 lbs., 4 oz., was born on October 29 and is the first grandchild for Mrs. Anita Kenealy. Congratulations to a happy family!

The November meeting of the CHATSWORTH PTA will be held Tuesday, November 18, at the school auditorium at 10:00 a.m. A coffee hour will precede the short business meeting, after which members will have a class room visitation. Committees represented are Parent Education and School Education. Mothers of the fifth grade pupils will be hostesses for the coffee hour.

The recent Fall Festival proved a huge success and netted a large sum for the child welfare work of the school for this year. A fine crowd attended to see the puppet show and enjoy the booth attractions. The nursery plants and baked goods were sold out early and many booths had to close before the festival was over because they ran out of prizes.

An estimated four hundred people were served at the annual TURKEY DINNER sponsored by the Woman's Society of Christian Service of the First Methodist Church last Thursday. A complete financial report is not yet available.

Worship services will begin this Sunday at 11:00 a.m. at Chatsworth Hall, 21340 Devonshire, for the new LUTHERAN CHURCH in Chatsworth which will be known as Holy Shepherd Ev. Lutheran Church. The congregation is one of 35 being established this year by the American Lutheran Church.

A new Home Mission policy was adopted by the American Lutheran Church in 1951. This "package mission" program provides for land, church, parsonage, and subsidy to maturity for all new congregations. The capital portion is a loan from the revolving loan fund of the American Lutheran Church. The subsidy is a gift.

Pastor P. H. Fleischmann has been called from Chicago to organize the congregation and to be its pastor.

Worship services will be held every Sunday morning. The Sunday School will be organized soon, announcement of which will be made at a later date.

Mr. and Mrs. TOM SOMERVILLE are home again after a three week vacation visiting friends and relatives in Texas, their former home.

Mr. and Mrs. DON FERRELL and four children spent a long weekend in the Boulder City area where they enjoyed fishing in the Colorado River.

Mrs. Mary King of San Francisco, mother of Mrs. ADELINE ZEHVICH of the Town & Country Cafe, passed away on November 5 following an illness. Mrs. Zehvich was with her mother for about two weeks before she died, and has now returned to her home in Chatsworth. Our sincere condolences.

The COUNTRY COUSINS 4-H CLUB has busy plans for the month of November, which began with a Hallowe'en party Saturday night at the home of Judy Watson. On Tuesday, November 4, they attended the Hi 4-H meeting at the Langden School in Sepulveda, when Bill Downes was installed as president of the club and Judy Watson as vice-president.

A car pool has been arranged to take them to the County Hi 4-H Conference on November 15 at the Carpenter School in Downey. The regular meeting will be held on November 16 and the whole club will attend the Great Western Livestock Show on November 22.

A U.S. History II course will begin on Monday evening, November 17, at RESEDA ADULT SCHOOL at 7:00 p.m. The class will meet Mondays from 7:00 to 10:00 p.m. in Room A28. ## I AM NOT SKILLED TO UNDERSTAND

DORA GREENWELL

I am not skilled to understand  
What God has willed, what God hath  
planned;  
I only know at His right hand  
Stands One Who is my Saviour.

I take God at His word and deed:  
"Christ died to save me"—this I read;  
And in my heart I find a need  
Of Him to be my Saviour.

And was there then no other way  
For God to take?—I cannot say;  
I only bless Him, day by day,  
Who saved me through my Saviour.

That He should leave His place on high  
And come for sinful man to die,  
You count it strange?—so do not I,  
Since I have known my Saviour.

And O, that He fulfilled may see  
The travail of His soul in me,  
And with His work contented be,  
As I with my dear Saviour!

Yea, living, dying, let me bring  
My strength, my solace, from this spring,  
That He Who lives to be my King  
Once died to be my Saviour.

—Monday Morning.

SECURITY-FIRST NATIONAL BANK Christmas Club members in Chatsworth will receive, during the middle of November, checks totaling \$8,000.00, Dave Latham, manager of our Chatsworth Branch announced today.

The banker revealed that \$14 million will be distributed to the 99,000 members of the club in the entire Security system.

Christmas Club members make small, regular deposits throughout the year, receiving a check for the amount saved plus inter-

est, at the end of 50 weeks. The bank official said the Club is one of the most popular methods ever devised for saving money.

Payments on 1959 Christmas Club accounts are already being accepted at the local branch.

Shifting into high gear, CHATSWORTH COMMUNITY CHEST volunteers renew their efforts in the current appeal as they move into the second week of the residential campaign.

Chatsworth organizations assisting in the residential division include Girl Scouts and Chats. PTA.
