Chamber Now Against Dump

A special meeting of the Chatsworth Chamber of Commerce was called last Saturday night in accordance with the By-Laws, with the hope that a more representative number of members would attend to further discuss the Chamber's recent approval of a dump site on the Santa Susana Pass. Public opinion and widespread publicity prompted this action by Pres. H. Curtis.

President Curtis gave both sides of this controversial issue twenty minutes each to present their reasons for approving or disapproving the dump site, and this was followed by a question and answer period in which anyone could take part. The presentation at times was heated, with accusations by United By-Products representatives that the meeting was "illegal". However, the meeting continued and after two hours a vote was taken to change the Chamber's policy back to its original stand of opposition, with 12 members voting for the dump site, and 29 voting against it.

The appeal by United By-Products will be heard today (Thursday) before the Board of Supervisors in the Hall of Records. A bus load of our townspeople is attending this meeting.

10 Year Old Heroine

Shirley Ann Watson, age 10, of Oso Avenue, became somewhat of a heroine recently when the Watson's grandson, Wayne, age 2, fell into the swimming pool as he was reaching for his ball which had fallen into the water. Without a moment of hesitation Shirley Ann dived into the pool fully clothed, and saved little Wayne from certain death. She is hereby commended for her quick thinking and unselfish action, and no doubt will be thanked by Wayne for years to come!

MEETING CANCELLED

The Special Meeting called by the PTA for last Tuesday evening, to discuss child safety in relation to more trucks passing the school as a result of the dump site issue, was cancelled by Mrs. LaVerne Lee, Principal, who felt the public controversy was contrary to PTA policy, and went beyond the original issue of safety of children at the corner. She states that a program concerning crossing guards will be set up in the near future, when a special speaker will be obtained.

Friends of Mrs. **JAMES McENTIRE** will be surprised to learn that she recently left Chatsworth to return to Texas to make her home with her son. Mrs. McEntire has been a resident of Chatsworth for more than twenty-five years, and had planned to continue to live here but ill health has made it necessary for her to give up this plan. She has been in and out of the hospital for the past few weeks until her son, Ray, came to take her back with him.

Mrs. McEntire lost her husband about two years ago and has been living alone since that time. She has many friends who regret seeing her leave, but hope the change will bring about a return of good health to her.

RALPH CHRISTENSEN has been able to return to work, following his series of heart attacks that began last fall.

DAVID WAHL, age 9, of 20006 Superior Street, has had the honor of being chosen from among many Valley music pupils to take part in the May Festival on May 8 at Van Nuys Woman's Club. He is a piano student of Mrs. Boyer in Encino, and as he has only taken lessons for two years this is quite an outstanding honor to be chosen after an audition with four judges.

Approximately 40 ANTIQUE CARS will converge on Vic Wacha's Mobil Station at the corner of Devonshire and Jordan slightly before 9:00 a.m. on Friday, May 8, this being the start of a weekend trip of the Horseless Carriage Club of Southern California.

A surprise CITIZENSHIP and BIRTHDAY PARTY was given in honor of Mr. Charles Watson at their home on Oso Avenue recently, with friends from Granada Hills, Canoga Park, Chatsworth, and Michigan in attendance. The cake was made by Mrs. Vera Steadel in the traditional style, American Flags and all.

GUY MACCOY, a local artist of note, was honored to have one of his serigraphs as the cover picture for the Home magazine section of the L. A. Times recently, and an article about his introduction of serigraphy, a technical name given to silk screen printing, to Calif. and the West. When Mr. Maccoy came here in 1947 this art was unknown here, though he has been working with this medium since 1929. His classes at the County Art Institute are among the most interesting there.

A dairy goat field day was held recently at LAURELWOOD ACRES GOAT FARM on Topanga, by the San Fernando Valley 4-H Leader's Council. The affair began at 10:00 a.m. and continued through the day, with a series of lectures and discussions on various problems connected with raising goats.

JUDY MANDEL of the Northridge-Chatsworth 4-H CLUB was one of five San Fernando Valley girls selected to compete in the L. A. County 4-H Dress Revue to be held at UCLA on May 16. Winners selected to participate were chosen at the annual San Fernando Area 4-H Dress Revue held recently at James Monroe High School in Sepulveda.

Participating in the program were J. Lowell Benfer, Mrs. Arthur Dudley Lampe, Eugene Geiger, Allan MacLean, and Ted Johnston and Wesley Nordfelt, local goat raisers.

Mrs. CARLOUS DORMAN is recovering from a serious attack of pneumonia.

The affair was sponsored by the San Fernando Valley Goat Society. Those coming for the day provided their own picnic lunches and coffee and cold drinks were served by the host group.

Mr. and Mrs. ORVILLE MITCHELL entertained a group of friends Saturday night honoring their guests, Mr. and Mrs. William Fish of Anaheim, former Chatsworth residents.

It's always interesting to know what our friends and neighbors do as a hobby in their spare time, and it may surprise you to know that ED HAUSER has taken FIRST PRIZE at the 11th Annual California Hobby Show for his entry of a Harbor Tugboat, which he built himself. (On his wife Alma's dining room table, yet the boat is a beauty, and is on display at Chatsworth Hobby-Craft. It is made of all copper and brass, and weighs 85 lbs. It is radio controlled over a four mile radius. Ed named his tugboat the "Nellie M", after his mother, Nellie McCoy. Drop in to take a peek - it will be well worth your while!

Hitherto

When our soul is much discouraged
By the roughness of the way,
And the cross we have to carry
Seems heavier each day,
When some cloud that overshadows
Hides our Father's face from view,
Oh, t'is well then to remember,
He hath blessed us hitherto.

Looking back the long years over,
What a varied path—and yet
All the way His hand hath led us
Past each hindrance we have met,
Given to us the pleasant places,
Cheered us all the journey through;
Passing through the deepest waters,
He hath blessed us hitherto.

Surely then our souls should trust Him,
Though the clouds be dark o'erhead;
We've a Friend that draweth closer
When our other friends have fled.
When our pilgrimage is over,
And the gates we're sweeping through,
We shall see with clearer vision
How He's blest us hitherto.

Hitherto! Oh, blessed thought,
In spite of all our fears
God's hand hath led His Spirit-taught
Through all the changing years.
In darkest hours, when heart hath bled
Beneath some crushing blow,
To springs of comfort we've been led,
Love's healing power to know.

—Author Unknown

Faith is the thread Yet it can lift
Slender and frail, The weight of a soul
Easy to tear; Up from despair.

—Matthew Biller
