ARE ALL THE CHILDREN IN?

I think ofttimes as the night draws nigh
Of an old house on the hill,
Of a yard all wide and blossom-starred
Where the children played at will.
And when the night at last came down,
Hushing the merry din,
Mother would look around and ask,
"Are all the children in?"

'Tis many and many a year since then,
And the old house on the hill
No longer echoes to childish feet,
And the yard is still, so still.
But I see it all, as the shadows creep,
And though many the years have been
Since then, I can still hear mother ask,
"Are all the children in?"

I wonder if when the shadows fall
On the last short, earthly day,
When we say good-bye to the world outside,
All tired with our childish play,
When we step out into that Other Land
Where mother so long has been,
Will we hear her ask, just as of old,
"Are all the children in?"

BYRON DEBOLT of Chatsworth has a group of his paintings on display at the Security-First-National Bank, during the month of May. Our Chamber of Commerce is launching a drive encouraging every eligible male or female to REGISTER FOR VOTING. They point out that if there are not enough registered voters in a community there is no representation in the city government, as this representation is based on registered voters, NOT on basis of population. If you do not vote in a General Election, your name is removed from the register; if you didn't vote last November, register again! The new Deputy Registrars for our area are Walter Hassler, 21032 Devonshire, and George Schoell of 21631 Devonshire.

If you are a new voter, moved here recently, wish to change your party affiliation, or have simply neglected to register, please don't put it off another day!

"THE WALKOUT", a true film story of Al Johnson, confessed bank robber who became a Christian, will be shown at the evening service on Sunday at the FIRST BAPTIST CHURCH on DeSoto. This is one of the most thrilling stories portraying the power of the Gospel ever filmed, and because of the unusual circumstances of this true story, newspapers all over the world carried pictures and front page stories of it. The community is cordially invited to attend the showing of this film Sunday at 7:30 p.m. in the new sanctuary of the First Baptist Church.

Classes will begin here in Chatsworth on May 20 for women after 3½ months of pregnancy, with written permission of their doctor, in preparation for childbirth. These classes are designed to lessen the common complaints of pregnancy, ease delivery through an understanding of the processes of labor, and to aid a rapid restoration of muscle tone after delivery.
