WELCOME NEW READERS

We welcome the many new readers this week who are receiving the Chatsworth Grapevine for the first time. We hope you will enjoy reading our local news, and that you will get to know your friends and neighbors better through participation in our organizations and patronization of our places of business. You are invited to visit our friendly merchants who are advertising in this and other issues -- and tell them you saw their ad in the Grapevine!

Attention is particularly called to the item on this page regarding zoning, and Mr. Jay Boyce, chairman of the Chatsworth Chamber of Commerce's zoning committee, strongly urges everyone this side of Roscoe Blvd. to make an effort to attend the Tuesday meeting.

If yours is a Canoga Park address and you wish to receive the Grapevine each Thursday, please mail your subscription of \$1.75 to West Valley Letters, 21708 Devonshire, Chatsworth, along with your name and address -- we will be most happy to put you on our permanent mailing list!

ZONING DISCUSSION

Culminating months of research and study, the zoning committee of the Chatsworth Chamber of Commerce will have its recommendations for the community's master plan available for public discussion at the next meeting of the Chamber on Tuesday, September 8, 8:00 p.m., at Chatsworth Center, 10332 Santa Susana Avenue. This was announced by Harlin Curtis, Chamber president, and Jay Boyce, chairman of the Chamber's zoning committee, who urge local residents to attend the meeting and view the proposed land use map.

Boyce strongly stressed his committee's opposition to commercial zoning scattered throughout the residential districts. "We want to keep Chatsworth a desirable residential community with commercial zoning limited to a large centrally located four square block area with ample parking facilities," Boyce said.

"In addition to residential and commercial acreage, we feel that a certain amount of zoning for the right type of light industries is necessary for the development of a well balanced community." He referred to Chatsworth's phenomenal population growth which he said jumped from 7500 in 1958 to its present total of 15,000. "We have made every effort to propose the proper type of zoning to accommodate the community's continued growth," Boyce

Representing the CHATSWORTH JUNIOR WOMEN'S CLUB at the Sierra-Cahuenga District Round Table last Monday evening were Mmes. Ross Dunton, Joseph Pupillo, and Ivan Iverson. The dinner was held at the Palmdale Women's Club House with members of the Palmdale Junior Women's Club as hostesses. The Co-ordinators from all the clubs were guests of honor.

A business meeting followed the dinner, which included a question and answer session.

The Executive Board of the Chatsworth club will meet September 14 at the home of Mrs. Ross Dunton, president. This is the first board meeting in the club's new year, and many plans are to be discussed.

Mrs. Fred Huennekens, director of philanthropy, has on her program a brunch-fashion show to be held in January. Working on the Ways and Means committee is Mrs. Arthur Adams who has a number of events for the coming year planned which includes a club Hallowe'en party and a pre-holiday dinner dance to be held in November.

Members of the Thunderhead troops of the CANOGA CAVALIERS participated with the Mission Stable troops in the beautiful Canoga Park Parade on Saturday, August 29. For their fine performance in the parade the Cavaliers were awarded first prize in the mounted troop class.

The Cavaliers thank Mr. and Mr. Harold Todd of Thunderhead Stables for their hard work in behalf of the Chatsworth troops.

SHIRLEY and GEORGE GALPERIN of Chatsworth SEWING CENTER have extended their line of merchandise by adding the Pfaff sewing machine line. This now makes it a complete sewing center, and they invite you to come in and see a demonstration of one of these beautiful machines. See their ad this week on page 5.

Mr. and Mrs. ROY ROGERS (DALE EVANS) and family are on a month's personal appearance tour of state fairs in Ohio, Iowa, and Indiana, and to the Mid-American Fair in Topeka, Kansas. Mrs. Rogers will return home at this point to enroll the children in school, and will then return for continued appearances in Allentown, Pa., and at the Mid-South Fair in Memphis, Tennessee, concluding in Madison Square Gardens. On September 27, they will again appear on the TV Chevie Show.

Students and friends of the GUY MACCOYS will be delighted to learn that the sound of hammers and saws ringing out over the canyon early and late, means a large new studio workshop is being completed at 21308 Mayan Drive, Twin Lakes, and that Guy's long awaited class in fundamentals of color, design, painting and picture architecture, will open October 10 from 1:00 to 10:00 p.m. every second and fourth Saturday of each month. This will be a convenience to art students in the Valley who wish to avoid the long drive to Los Angeles. They may now enroll by phoning DI 8-6537 or DI 8-4685.

A FIRE of unknown origin between the Santa Susana Pass and the railroad, west of Stony Point tunnel, was spotted by Mike Lauritzen and Rusty Ewalt late Saturday afternoon and was extinguished by the fire departments.

The R. L. JOHNSON (Kelly) ranch was the scene of the annual summer show of young birds for the Southern California King Club on Sunday. Wives and children also came and all joined in an assembled picnic on the lawn before the judging of the birds began.

Mr. Johnson judged all the white classes and Floyd Dirth of Lynwood was judge of the silvers. With the eight birds entered in the silver classes, Kelly won first, second, third, and fourth places in young cocks, and first, second, fifth, and sixth in young hens. In the finals, his first young cock won champion silver and champion king of the show.

Old-timers will be interested to know that HUGH R. POMEROY, who served as student pastor at the Community Church in 1917-18, is now a professor at the University of Columbia in New York. He visited briefly here last Thursday.

The Christian Witness Camp of the Methodist SOUTHERN CALIF.-ARIZONA CONFERENCE, held last week at Reseda, provided a group of five young people, Elaine Jones and Luann Beason of North Hollywood, Sally Maxwell of Van Nuys, Dan Walker of Ventura, and Dean Reese of La Mesa, to call with local MYF youth on other young people in Chatsworth, to interest them in the Christian way of life and in work with the MYF groups. In addition to calling, the young people assisted in the worship services at the First Methodist Church, spoke at Sunday School classes, and assisted in the evening MYF groups. Carla Schoonhoven and Jim Hulin, local delegates, were calling in another area. The visiting youth were guests of the Jack Huftys, Morris Hulings, Edward Ahlstroms, Barry Nowlins, F.E. Hoberts, Paul Marriotts, and James Woodmans for meals

Mrs. Mitchell didn't want to spoil the family vacation, so they obtained a wheel chair and left Monday for Wheeler Hot Springs.

The Mitchell's son Eddie returned to Kentucky the day before they left for their vacation, after enjoying a 2-week furlough with his folks. Eddie is stationed with a paratroopers unit at Fort Campbell.

The body of a 29-year-old Woodland Hills man was found recently trapped in his car at the foot of a cliff off Santa Susana Pass, one mile inside the L.A. County limits. The victim, whom police said probably was killed instantly, was identified as Jack H. Palmer of 19902 Haynes Street. California High Patrol officers theorized he probably fell asleep while driving over the pass.

ZONING DISCUSSION (cont. from page 1)

continued. "After the residents of Chatsworth have had a chance to express their comments and opinions, we will make the necessary changes on the map before presenting it to the Planning Department."

The Zoning Committee includes Charles Janess and Florence Shaw. Assistance has also been given by H. Curtis.

As we go to press word has been received of the sudden death of Mrs. Martha HOWELL, sister-in-law to Juliet Wilkins. Mrs. Howell is a long-time resident and died unexpectedly of a heart attack Monday.

Friends of the Leroy McCULLOCH family, who moved several weeks ago to Desert Center, will be pleased to know they are doing very well with the gift shop they purchased there, and the appliance repair business which Mr. McCulloch has established.

Mr. McCulloch was a resident here since he was a boy, and he and Mrs. McCulloch have lived here since their marriage, and raised their family here. Their many Chatsworth friends wish them continued success in their new home.
