### SCHOOL SAFETY

Chatsworth Park PTA board will meet Tuesday, September 29, at 10:00 a.m. at the school. Mrs. Lloyd Davis, chairman of the Fall Festival, will at that time coordinate her plans for the festival which is to be held the 9th of October. Room mothers are asked to attend this meeting to help with the festival plans.

This month has been declared Safety Month throughout the city schools. Of prime importance here in Chatsworth is finding the "safest route to school" for all the children. Mrs. John Davis, chairman of the safety committee of Chatsworth Park PTA, is interested in helping with this problem and has asked that parents whose children walk to school check their route, and if there are any danger spots such as tree barriers or other problems, to call her at DI 1-0552 -- she will endeavor to alleviate the situation.

The authorization for the traffic signal at the corner of Topanga Canyon Blvd. and Devonshire Street has finally been approved and it will be installed soon. Thanks are extended to Mrs. LaVerne Lee for her repeated requests for car counts, which finally showed the need for the signal at this corner.

### Wedding Reception

On Saturday, September 12, the house and garden of the Sigurd Furubottens was the scene of a lovely reception announcing the marriage of Donna Lee Birch to Charles R. Furubotten. Many friends and relatives from out of town were present.

The refreshment table was beautifully decorated with white bells and miniature bouquets centered by a three-tiered wedding cake.

The bride is the granddaughter of Mrs. Lillian Birch of Arcadia. The groom is employed at DeLuxe Check Printers in Chatsworth.

### AWARDS NIGHT

September 26 will climax another exciting baseball season for the Chatsworth Junior Baseball League, when Awards Night will be held at the Dupont Street field.

All of the boys, their families, friends, fans, and just everyone is invited to this get-together at 6:00 p.m. sharp.

Refreshments will be served following the presentation of awards.

Mrs. TRACY DAVIS of Detroit, Michigan, is currently visiting her son's family, the Lloyd Davis's of Chatsworth Street.

**HOW GOD STANDS IT**

NORA ANDERSON LESHER

We often wonder how God stands it—His lovely world splashed with blood, crumpled bodies on battle fields, ceaseless anguish in mothers' hearts, the whimper of hungry children, old people cold, lonely and forgotten.

O how does God stand it? It is more terrible than nails through hands and feet.

I don't think even God could stand it, if flashes of comfort did not come, as He finds those whose hearts are so torn with compassion they can not rest until they are doing something to ease the suffering.

It seems a preposterous thing to think that one small person, even as you or I, can bring comfort to the heart of God. But we can. When for love of Him we lose ourselves in service for others, then I think God takes courage. Even through the travail of His suffering He sees and is satisfied.

To bring comfort to God! The very thought makes everything we do and everything we fail to do—burn with importance.
