Typhoon Veteran

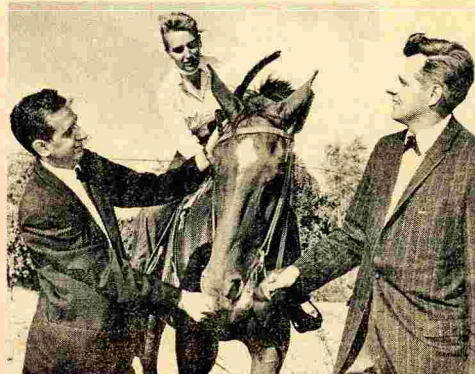

Judy Werren, teen-age Chatsworth girl living with her aunt and uncle in Gifu, Japan, will have some interesting and exciting experiences to relate when she returns next year. Already a seasoned world traveler following her eventful plane trip there last July, she now has added another thrilling experience, since weathering the September 26 typhoon, the third worst in Japanese history. The 126 mph winds flattened many of the oriental style houses, but the western style home she is living in held together in fine shape except for some leaks and loosened tiles.

The Werrens were mighty worried as they received no assuring word for several days, but have since received a letter from Judy.

Chamber Meeting

Harvey Chester, public relations worker for Thompson-Ramo Woolridge Corp., will discuss proposed operations at the new multi-million dollar plant on a 90-acre parcel of land in the West Valley, at the monthly general meeting of the Chatsworth Chamber of Commerce on Tuesday, October 13, 8:00 p.m., Chatsworth Center Building.

Slides and films will be used to illustrate his talk.

RED FEATHER CAMPAIGN

Western tradition stays alive in the Chatsworth portion of this year's Community Chest campaign. Mrs. William Dierck of 10917 Desoto Avenue, rode her mount to the Security-First National Bank where she signed up as residential chairman for her community. She was readily received by David Latham, bank manager, who is serving as city chairman for the local Red Feather appeal. Another top leader in the campaign in which 54 volunteers will be recruited is Frank S. Cannata, familiar to many as the Prudential Insurance Co. agent, who will serve as business chairman. Mrs. Dierck, Latham, and Cannata are all pictured above.

Dave led our town's appeal last year, putting us in first place in the Chest campaign, winning a plaque for the highest percentage of goal. Call him at DI 0-8884 if you can help!!

The Adult Sunday School Class of the FIRST METHODIST CHURCH has some very interesting socials which they combine with their business meeting on the fourth weekend of each month. At the end of August, a terrifically successful Luau was held at the home of Mr. and Mrs. Wm. Wchepler, extending out into their spacious garden where sixty covers were laid. After this sumptuous repast, with everyone fitting into the modd of the evening with their leis and moomoos, music was furnished by church members Katharine Johnson at the organ, Bob Oril with his accordian, Larry Murray with the guitar and Ed Ahlstrom on the bass viole.

On a recent Sunday a hayride was the feature of a night-under-the-stars, with Larry Murray furnishing appropriate music with his guitar, followed by refreshments at the home of Mr. and Mrs. Ed Ahlstrom.

A Hallowe'en party will be held on October 30, details to be announced later.

The KIRBY'S of 10449 DeSoto have sold their home and moved to a 4-acre ranch at Auburn, 40 miles north of Sacramento. They also transported their livestock from Chatsworth, which will become the nucleus for their ranch operations up north.

Mr. and Mrs. TED JOHNSTON left Monday for Mass. to attend the National Goat Club Convention. Mr. Johnston is a director of the club. They plan to visit some places of interest en route home, and will be gone for three weeks.

The RAY JOHNSTONS of Lassen Street, with their guests David Kaplan and his mother, Mrs. Kaplan, both from England, left September 4 for the beginning of their vacation at Pismo, where Frank Schepler Jr. and his two boys joined them. On the 9th they broke camp, the Kaplans returning to L.A., and the Johnstons and Scheplers northward to San Francisco, when after doing the town, the Scheplers returned to normalcy by plane. The Johnstons continued their tour of places particularly interesting to them and returned on the 18th.

Recently the WOMAN'S SOCIETY OF CHRISTIAN SERVICE of the First Methodist Church sponsored "Luncheon is Served" to which a mixed group of 75 were guests. The menu, graciously donated by suppliers, was particularly appealing and thoroughly enjoyed, with each guest the recipient of many choice food items. On Saturday night, October 17, between the hours of 5:00 and 8:00 p.m., a full course Mexican Dinner will be served in White Oak Hall, 10051 Topanga Canyon Blvd., to which the public is most cordially invited.

ROMANS EIGHT, TWENTY-EIGHT

For every pain that we must bear,
For every sorrow, every care,

There is a reason.

For every grief, for every trial,
For every weary, lonely mile,

There is a reason.

But if we trust Him as we should,
All will work out for our own good.

God knows the reason.

Word has been received by J. P. BUTLER, owner of the property at the northwest corner of Devonshire and Canoga Avenue, that a zoning request to construct a Hughes Market there has been turned down by the zoning commission, as they are "under obligation to others who have made applications for shopping centers" until the Master Plan is finished.

ATTENTION, boys who are members of the FARMER'S LEAGUE, and did not receive an award on Awards Night at the ball field: You may pick up your Certificate of Award from Mr. A. J. Cosindas, manager, at 10525 Santa Susana.

The 68th annual WOMAN'S DAY of the Woman's Baptist Mission Society of Southern California will be held on October 15 at the First Baptist Church of L.A., when some 1600 Baptist women from churches all over Southern California will convene for inspiration and instruction. Headlining the speakers is Miss May Coggins, recently returned missionary from the Philippines. Another outstanding guest speaker will be Daw Sein Tin, a Burmese Baptist laywoman, a graduate of Rangoon University and member of an outstanding Christian family. Chatsworth's STONY POINT has again made metropolitan news, when in Monday morning's L. A. Times a story was featured about a Pasadena family who practice their mountain climbing there. The John Mendenhalls of Pasadena, members of the Sierra Club, with their two children Vivian, 16, and Valerie, 13, spend many week ends together and their yearly vacations exercising their skill on the face of California mountains, as well as Canadian and others in the United States.

Many Sierra Club members learn the ropes on Stony Point, with the cooperation of the owners.

The CHATSWORTH CATHOLIC CRUSADERS CLUB will have a social evening on Thursday, October 8, at 8:00 p.m. at the home of Mrs. Joseph Trafficanda, 10516 Owensmouth. All Chatsworth newcomers who attend the Our Lady of the Valley Church in Canoga Park are invited to come and make new friends and learn all of the parish news and events.

The Club thanks Joan McKenzie for the delicious "take home" enchilada dinners that she prepared. Those who were fortunate enough to taste them declare they were the best they had ever eaten. Next time get your orders in early!

It is reported that CAROLYN and HAROLD FROST have become mighty lonesome for their friends and by the time you read this should be back in Chatsworth, after a visit in 29 Palms with son Gene & family.

Cost by contacting... at Dan-Glenn Productions, P.O. Box 89, Chatsworth, or call DI 8-6773 after 6:00 p.m.

Some of the residents down on Lassen Street are getting mighty up-in-arms with the number of stray cats that have been dropped off in recent weeks. Please call Pet Assistance, DI 1-2046, or the animal shelter when you have cats to dispose of or find homes for.
