MORE BREAK-INS

Two more store robberies in the past week should keep us all alert to the new wave of break-ins around town.

Last Wednesday night Sutherland's Cleaners at 10240 Topanga Canyon Blvd. was broken into, supposedly by juveniles, who entered through a rear transom window. About \$20 was taken from the cash register, two loaded revolvers from a desk drawer, an electric razor, diamond set Elks pin, an \$85 wrist watch, and a few items of customers' clothing.

And then on Saturday or Sunday night a more professional job was done at Neighborhood TV, 21808 Devonshire, when a haul was made of about \$2,000 worth of merchandise -- 4 TV sets, 12 radios, 4 record players, 3 stereo speakers, clock radios, and a number of items which had been left for repair. The cash register (no money) and adding machine were also taken. No fingerprints were found; all electric plugs were pulled to darken the store front; a large cardboard box with trash was emptied on the floor.

We again urge residents to keep this telephone number handy, to report suspicious persons immediately: DI 4-0151 -- Sgt. Deryk, or Sgt. Selby, who are assigned to our area.

Christmas Dinner

Plans for a luncheon that is to be held on November 30 will be discussed at the CHATSWORTH JR. WOMEN'S CLUB general meeting on November 16. On the agenda also will be the Christmas program meeting plans and setting up committees for the Polio Clinic that will be held on December 3.

On the refreshment committee for this meeting will be Mrs. Ivan Iversen and Mrs. Rabun Harper.

A number of the Chatsworth Juniors attended Lucille Wines hair demonstration on November 3 and were very impressed with her talent in this line. She used two of the girls as models and gave them very stunning hair styles. While working on the girls, Lucille answered questions and gave the viewers some very helpful tips on hair styles and its care.

The executive board held their meeting for November at the home of Mrs. Rabun Harper.

Mrs. Ross Dunton has announced that Mrs. Wm. Darling will take over as president while she is convalescing.

God Sees the Heart

We do not see the load our neighbor bears,
Nor do we know the pain that dulls his eyes.
The back that's bent beneath its heavy cares
Ofttimes offends us, and we criticize
The dullness wrought by pain we do not see.
And even the joy that little triumphs bring
To crown the bloody head with victory
Ofttimes in us finds no responsive ring.

Though we see not, God sees and marks the weight

Of every load man bears. He marks the pain,
His eye upon the heart, and reads the state
Of struggling souls without offense. True gain
He counts the smallest victory. He takes
The feeblest joy the battered heart can show,
Transposes it, reshapes the notes, and makes
A music even angels do not know.

Mr. and Mrs. MARTIN JETTON had a delightful reunion with their family last week--the first time in seven years they had all been together. On Thursday evening they had a pre-Thanksgiving dinner and the following two days enjoyed a round of visiting and seeing all the home movies of the different families.

Present to enjoy the reunion were their daughter and husband, Mr. and Mrs. Owen LaRue (Nankette) and baby girl of Santa Ana; Mr. and Mrs. David Jetton from Clovis Air Base; and Mr. and Mrs. Marty Jetton and their three year old daughter from Nebraska. This will be the last time the family will be together again for a few years as Marty and his wife will be sent to Bermuda for four years on their return to his station in Nebraska.

WILLARD KEITH, a former Chatsworth resident and property owner, was recently decorated by the Boy's Club of America, with its prized Silver Keystone Award in recognition of his tremendous aid to the movement of this group in California.

"God so loved the world, that he gave his only begotten Son that whosoever believeth in Him should not perish, but have everlasting life."

PEOPLE ARE NICE!

A couple of weeks ago we ran an ad on the back page for a mother who is undergoing surgery, asking for care of her 12-year old girl for a week and a half. Just to show you the spirit of our townspeople, this lady reports to us that 158 phone calls were received in answer to the ad, and the Grapevine was the only publicity given the situation!

On the tomb of Dwight L. Moody at Northfield, is graven the sentiment: "He that doeth the will of God abideth forever." The passing of the years ever serves to remind us of the rapid flight of time and the amazing brevity of our life on earth. But our faith reminds us that lives lived for God and humanity defy the grave.

GOING THROUGH THE LAND

If a Christian meet a Christian
Going through the land,
Just remember he's your brother—
Reach to him your hand.
For who can tell but on the morrow
You and he may stand
Before the great white throne up yonder?
Help him all you can.

If a Christian gets in trouble
Going through the land,
Don't condemn your weaker brother,
Help him all you can;
For who can tell what great temptations
Press around the man?
He needs the help of Christian friendship;
Give him all you can.

If a Christian meet a Christian
Coming through the land,
If a Christian greet a Christian,
Let them take a stand,
Take a stand to e'er be faithful
To all that's good and true;
So that the world will know they're
Christians,
Christians through and through.
