ROTOCHAT OF CHATSWORTH ROTARY CLUB

Service Above Self — He Profits Most Who Serves Best

Editor:

George C. Vincent

Vol. IX, No. 17

THIS WEEK'S PROGRAM

After seeing the "millions of kids" at the picnic, we should all have a future interest in the program today—a luncheon program at the San Fernando Valley State College. Time: 12 noon, **sharp!** Directions: turn in at the Nordoff and Lindley entrance, where an attendant will direct you to the parking area. Place: Room 136 in the Library Building. Program: There will be a program and luncheon (2 plus 8c tax) given by the college, and if enough desire, a guided tour of the campus. Transportation: That's your problem! Let's contact each other so that we can make up some car pools! President Clif reminds us that the club is obligated for each of us who said he could attend. See you in school!

THE WEEK THAT WAS

Films of Fred's trip to Canada turned out to be films of Fred's trip to Europe with a little bit of Canada thrown in! Let's have more of those slides of Paris, Fred.

Our former Past President, Gay Minardi, now a member of the Simi Rotary Club, won the \$5 and promptly donated it to the United Way Fund. Second prize, donated by Bob Kinsman, was won by Ray Skevington, Ted's guest. A special thanks to Tom Craig who served as guest reporter in your Editor's absence. Anyone who watched the sixth game of the World Series should make-up before the meeting today.

GOOD OLD TED

Here's more "Service Above Self". Ted Todd turned out to be a super duper organizer and worker for our community in the United Crusade. He enlisted the help of all the Rotarians in the club and each man only had to work an hour or less himself, but it must have taken Ted many hours to organize this solicitation so beautifully. Let's all be aware that by **each** Rotarian doing just a little bit, we achieved a great deal. We all had the opportunity to actively serve our club project and our own community and city. We should be proud of Ted's, and our, results—though Ted was assigned a goal of \$340, and though he was hoping for \$500, we and he collected, on the first call, \$569. Ted's follow-up committee should be able to augment that amount! Hooray for all of us! . . . Another perfect example of the aims of our Rotary Club's Community Service Committee and Club Service Committee.

HAPPY BIRTHDAY, AL

October 24 is the 79th birthday of our honorary member, Al

Brain. Al was a Past President of our Club and is undoubtedly proud of the work of the Rotarians for the community and club, because as many of you will remember, Al, himself, was quite active in Club and Community Service. Congratulations to a man who has always lived "Service above Self"!

THE TEACHER'S TEACHER

Let's meet a man that your present Editor respects and appreciates even more lately because he was the Editor of the Rotachat for the previous two years—George Lorbeer. We'll be in his "camping grounds" today, so let's see if space permits us to do him justice.

After graduating from high school, George was pretty busy. The list of colleges he attended goes as follows: University of California, San Francisco State (BA., and General Secondary Credential), Stanford University (MA), and University of Illinois (Ed. M., Ed. D.). And he's still in college! George moved here to Chatsworth in 1957 when the San Fernando State College was separated from Los Angeles State College. He is presently Professor of Science Education, and was formerly Chairman of Secondary Education at S.F. Valley State. Do you know that George has published an Elementary Science Teacher's Handbook?

George has and does take an active interest in youth and civic work. He himself has been an Eagle Scout, and a Captain of his College football team in his youth (?), also here in Chatsworth a Little League Manager, Cub Scout Committee Chairman, 4-H advisor, and he organized the first Chatsworth Community Coordinating Council.

A five-year member in our Club, George has had a perfect attendance all the way, and during that time has served on our various committees—too numerous to mention, but on the whole, serving youth and the community.

George says one of his interests is politics (and we don't doubt that a bit). Other interests that hold him and Phyllis are bridge, swimming, sailing, and photography. College will again loom up in their future with three children approaching it rapidly—Kathy, 17, and twins George and Becky, 15!
