THE WEEK'S PROGRAM

We will have a very timely short film presented by San Fernando Valley Federal Savings and Loan, entitled "Cavalcade of American Presidents." Polk informs us that it will not be political as far as the current election is concerned, and it should be another excellent program!

THE WEEK THAT WAS

We had a wonderful turn-out at San Fernando Valley State College. The food was exceptionally good and everyone seemed to enjoy the meeting as a whole. Dr. Donald W. Krinel, Executive Assistant to the President of the College, introduced Dean Willard Edwards who spoke to us about the program of higher education, and explained to us where some of our tax money is being spent on colleges.

Vice-President Len took over the meeting in President's Cliff's absence. Len had George Lorbeer pass the hat for fines instead of Sergeant-at-Arms Doug. After the meeting several of the members took advantage of a special tour of the campus.

MARK YOUR CALENDAR

The Ninth Annual Business Conference will be held on **November 11, 1964** at the Castaways in Burbank. Our Club will be dark on this date so that every one of us can attend. This year the Business Conference will also be open to non-Rotarians and each Rotarian is welcome to bring a guest. The names of several outstanding people have been rumored as speakers, but rather than print them until confirmation, enough said now that this has always been a very enlightening session (especially for those who have never been able to attend). As always, Rotary Ann's may attend this conference and there also will be a dinner meeting, a good excuse to take our wives out-on-the-town!

Though it's farther in the future, please mark December 19th as our club's Annual Christmas party, to be held again this year at the Chatsworth Community Center. This has always been a wonderful party, and this year we hear rumors that there will be an entertainment committee to plan something a little extra for us. While we're on the subject, please remember that there is always a cocktail and social hour before the dinner hour, so any Rotarian planning to have a private cocktail party during the Holiday Season, it would be appreciated that they would plan it on some

other day besides December 19. Fellowship is a great part of Rotary so let's all plan to have our fellowship together.

Another important date is November 3, Election Day. No matter what your choice will be at the polls, this is one of our great and envied freedoms as Americans. Let's all be good Rotarians and VOTE.

HAPPY BIRTHDAY, MIKE

Our birthday boy for this week is Mike Ragusin, the greatest Real Estate Salesman in town, bar one! The eventful day occurred on November 2, 1923, somewhere in New Jersey. After horsing around, he finally managed to graduate from Lodi High in New Jersey.

While winning World War II in San Diego for the United States Navy, he nevertheless had time to become acquainted and marry his better half, Cele. All kidding aside, Mike did take part in one of the major battles off Midway Island.

Mike came to North Hollywood in 1948 working in an auto body repair shop pounding fenders. He settled in Chatsworth in 1951 when it dawned on him that it was easier to make estimates and let someone else pound fenders! Mike bought and built his own building on Canoga Avenue—remember the rainy night years ago when the Rotary Club had it's Fun Night there? Mike didn't like Canoga Avenue paved and improved—now one of the best streets in Chatsworth. And is Mike enjoying the fruits of his labor? No! Mike sold out and got into the Real Estate business in 1962.

Mike has always been an active worker for our Rotary Club and our community, and has served on the Board of Directors. Mike and Cele have a double interest in Rotary this year because Cele is President of the Rotary Anns. They have two boys, Steven, 15 and Nile 12. Mike's hobbies are fishing, camping, and gambling.

Congratulations on your birthday, Mike. Don't celebrate too much on the night of the 2nd, because the next day being Election Day, we hope that you, too, will be able to vote intelligently!
