THIS WEEK'S PROGRAM

Rotarian Mike Hayes will give a craft talk today. Polk had Mike lined up before for this program, but Mike caught the flu and wasn't able to talk. Today we are all anxious to hear about Mike's business, especially since we have had a preview of his workmanship -- the two beautiful black-jack tables he made for Fun Night. (By the way, these tables, though beautiful, are large and are still sitting in Vincent's garage; therefore, if the Rotarian who promised to pick them up and store them doesn't do so by today's meeting, we should get a good-sized fine for our treasury!)

THE WEEK THAT WAS

Mr. Don L. Grubbs, District 526 International Service Chairman, gave a very engrossing talk about the use of high ethics and high ideals in American business. He feels, and we agree, that if everyone in business would follow Rotary's Four Way Test, the buyer and the seller would both be more satisfied in their relationship than they are now. Very excellent program.

We also had the honor of having as our guest, Governor Leon's Zone 2 Representative, Mr. Robert James, a member of the San Fernando Rotary Club. Mr. James told the Club about the big VISA program that will be held on the 27th of March at the Valley State College. The VISA Students will all be there in their colorful native dress. Mr. James said that the fellowship hour will start at 6:30 p.m. and the diner at 7:00 p.m. Wives, friends, and children are invited and the cost is only \$4.25. President Clif gave the tickets to Harold Allen and Tom Craig -- so contact either Harold or Tom, as this is an event that every Rotarian and Rotary Ann will want to attend.

Larry Viole had as his guest Mr. Tom Carney of Chatsworth, and Tom won the five dollar first prize. The second prize was donated by Dean Beisner and won by our egg man, Joe Traffica.

THREE CHEERS!

Our Club elections were held last week and the proposed slate was unanimously approved. Again our congratulations to: George Lorbeer, President; Clif Parchman, Vice President; Mert Cooke, Secretary; Dean Beisner, Treasurer; and Harold Allen, Mike Ragusin, and Ted Todd, Directors!

NEW MEMBER

A great big welcome to our newest member, Ray Skevington, who is the owner of the Shell Station at 21924 Devonshire -- at the corner of Topanga Canyon. Ray's Rotary Ann is Alice and they live at 11257 Danabe Avenue, Granada Hills. Ray's business phone is 341-6742 and his home number is 365-7653. Drop in and say hello to Ray and ask him to fill 'er up!

WHAT DOLLS!!!

Joe Trafficanda, our Club's Committeeman for Crippled Children, says that our Rotary Anns are the "bestest with the mostest"! These galls dispensed with the more important gossiping (!) and stuffed with Easter Seals every one of the 10,000 envelopes at their disposal, to aid us in another Community Service Project.

A special thanks to Cele and Billye who took charge of the project for us and to all their willing stuffers: Eve, Strausie, Maxine, Ginnie, Audrey, Pat Kirkpatrick and Pat Minardi, Marie Miner and Marie Trafficanda, Rose, Lucille, Susie, Millie, and Charlie. No wonder we love 'em!

ANOTHER SLATE

Richard L. Evans, a Rotarian since 1938 and famous radio broadcaster from Salt Lake City, Utah, is the choice of the Nominating Committee for President of Rotary International in 1966-67. Mr. Evans is well known within our District having, on several occasions, addressed various district and club activities. Our congratulations!

President of Rotary International in 1965-66 will be C. P. H. Teenstra, of Hilversum, The Netherlands, who was elected at the 1964 Convention of Rotary International. Rotarian Teenstra will assume the duties of the office July 1, 1965.
