THIS WEEK'S PROGRAM

We will be dark today and everyone that goes to the District Conference in Palm Springs will have a make-up. Anyone who will not be able to attend, be sure and visit some other club before next Wednesday.

President Cliff has called a meeting for all the Past Presidents for today at noon at Morigi's so that they can start planning for the celebration of the 10 year anniversary of our Club's charter, May 6, 1955.

THE WEEK THAT WAS

Mr. Tom Cleary, Director of Program Management for Litton Systems, Inc., gave a talk about Litton Industries and stated that Litton was in the San Fernando Valley to stay. He killed all the rumors about Litton moving to Texas and elsewhere. He also stated that Litton has had a tremendous growth in the last ten years. The stock is worth 85 times what it was originally.

Larry Viole won the five bucks in the raffle and the second prize donated by Harry Pierpont was won by E. Montel!

DISTRICT CONFERENCE

The time has arrived! April 1, 2, 3, and 4 are four days that our Club and the whole District 526 has been looking forward to. Our Club will have one of the biggest turnouts (percentage wise) in the District. We won't go into detail about all the events and speakers, but you can be assured that they will all be top-notch.

Our Club will again have a hospitality room complete with refreshments.

One of the big highlights will be the demotion of Gov. Leon, and I know that all of us will want to shake his hand and congratulate him on his outstanding job as Governor of District 526 for this past year.

Arrive early and stay late -- learn a little more about Rotary and live a little more Rotary!

THE MAN WITH THE FIGURES

Dean L. Beisner was born on July 30, 1926, in the metropolis of Beatrice, Nebraska! Dean married his better half, Barbara, over sixteen years ago and she is a native Californian from North Hollywood. They have two children; Cindy, 13; and Gayle, 12.

Dean moved to California in 1942 and graduated from North Hollywood High School. He then went on and graduated from Glendale Junior College in 1948, and Woodbury Business College in 1951. Dean also served two World War II years in the Navy

as gunners Mate 3-c in the South Pacific -- the Phillippines and Okinawa.

Dean is a licensed public account and has had 7 years accounting experience with various corporations -- and 5 years in his own practice. He has been associated as accountant and treasurer for 5 years with none other than our President of this year, Clif, who owns Cliffdale Mfg.

Dean is our Club Treasurer this year and has been elected to serve again next year. Good work! He would like to see some expansion of the Rotary youth guidance program.

Dean enjoys fishing trips in the High Sierra's when time permits.

ROLE OF RESPONSIBILITY

That club is strong where its members fill the role of responsibility, individually as well as collectively. A Rotarian, filling his role of responsibility, carries it with him into the community, into every phase of his business and personal life. Responsibility becomes a part of him, and he is a part of the strength of Rotary.... Governor, District 530....Clipsheet

SCUTTLEBUT

Our gossippers have been pretty lax lately, but we hope for plenty of information after the District Conference!

The Kinsman Klan has a new poodle puppy. President Clif and Rotary Ann Susie were able to combine business and pleasure and spend a day in San Louis Obispo. How many of us can say that we not only have our own personal car, but a special car just for our dogs? Griff and Ann can -- Griff was showing off his beautiful Great Danes the other day! Roger finally got an afternoon of bowling in with Roy and George. We understand that Mert Cooke is becomming an outstanding golfer -- ask Mike! Don't know which is best -- the fines the Club is collecting from President Clif for not moving the black jack tables from Vincent's garage, or the inconvienece of not being able to drive into same! That Fat Man's Club is collecting fines right and left -- but it's not fair, Larry, to take your boots off when you weigh in! On to Palm Springs -- and more scuttlebut!
