

ROTOCHAT OF CHATSWORTH ROTARY CLUB

Editor:

Vol. IX, No. 41

THIS WEEK'S PROGRAM

We will have a fellow worker of Roger's, Mr. Cyrus Harold "Cy" Philips, business development representative of Bank of America, who will speak to us on "Historical Background of American Coinage".

This should especially interest Bob Boggis -- a fellow numismatist. Mr. Philips holds membership in the American Numismatic Association and is a charter member of the Southern California association. In 1947, Mr. Phillips was awarded a certificate of recognition for his efforts in preparing coin displays for public viewing during annual "National Coin Week"

THE WEEK THAT WAS

We all know that that was "Palm Springs" -- but that Rotochat went to press before we could tell about it.

Our Club had eight couples attend that gala VISA program at the San Fernando State College last March 27. There was a large turnout of both Rotarians and foreign students, and those of you who weren't able to be there were the losers.

Our congratulations to Bob James and all the other Rotarians who were responsible for organizing this grand event. The exceptional buffet dinner was preceded by a social half-hour which we hope next year will be an hour. What fun it was to introduce yourself to the individual students and talk to them about their land and their intended vocations. Some of the students then put on a program for us which was more than entertaining.

This was by far one of the best VISA parties held in our District. With a party such as this, each and every Rotarian in the District will be anxious to attend the program next year. We're looking forward to it!

OUR CHAMBER PRESIDENT

Bruce T. Pegg was born on May 17, 1927 at Kalamazoo, Michigan. He has a son, Robert, who is 11 year years old.

Bruce graduated from San Diego State College and then served in the U. S. Navy in World War II. Then he was in the U. S. Air Force as an aviation cadet. He also served with the Atomic Energy Commission at Eniwetok Atoll for a year. (If the war had lasted longer, Bruce may have tried the Marines, the Coast Guard and the Paratroopers!

Bruce has quite a history in the finance field. He served three

years with Public Finance Corporation, three years with the United California Bank, two years with Beverly Hills Federal Saving and Loan, three years with Sentry Mortgage Company and has been with Wilshire Federal Saving and Loan Association for two years.

Bruce came to Chatsworth in September 1963 to open and manage the new branch of Wilshire Federal. He was elected to fill the job of President of the Chatsworth Chamber of Commerce when former Rotarian and then-president John Konigsfield moved to Hemet. Bruce was then elected last year to serve our community for another year as President of the Chamber.

Bruce's employer, Wilshire Federal, is now building a new building at the corner of Vassar and Devonshire. It should be open in the next few weeks.

Bruce has been in Rotary for over a year. He says his hobbies are swimming, water skiing, drinking, etc.

MARK IT DOWN

This event will only happen once in a lifetime -- don't miss it at all costs! Saturday evening, May 8, at 7:00 p.m., we'll see you at the Chatsworth Chamber building for the gala celebration of our Club's Tenth Anniversary!

All the Past Presidents of the Chatsworth Rotary Club met last Wednesday to organize his party. Looks like there'll be highlights of each year's achievements and amusements, and maybe some photographic displays and home movies. What could be fore fun?

Past President E. Montel Miner is in charge of the event, with George Lorbeer as M. C. Invitations will be sent to all the former members of our club and to all the Past District Governors for that time. You may bring guests if you wish. Dinner will be served at 8:00 p.m. for a very nominal charge of \$6 per person that will include the feast catered by the Chase house and a live orchestra.

Because of the limited space available for this undertaking this will have to be on a first come, first serve basis; please let President Clif know at the meeting today if you are planning to come, and how many guests you would like to bring.
