THIS WEEK'S PROGRAM

We are expecting Mr. Gerald M. Foglesong of Smith-Kline and French Laboratories who will speak on the Great Medical Achievements of the past few decades. An alternate, should Mr. Foglesong not return from a trip East, will be Bob Kinsman!

Remember our meeting place has been changed to the Rocket Bowl, 9171 De Soto Avenue.

INTERNATIONAL SERVICE

One of the finest programs that Rotary has developed to promote International Understanding and Goodwill is the Rotary Foundation Fellowship Program. Through this program outstanding graduate students are awarded scholarships to study in a foreign country of their choice.

Since 1947 a total of \$5,227,853 has been awarded to send 1998 students on this mission of learning and goodwill. For the year of 1965-1966 there will be \$436,000 on 151 fellowship awards.

PRESIDENT CLIF SAYS ...

This week marks the beginning of our second decade. This past ten years have been years of many wonderful experiences. The friendships made through Rotary have given us many happy hours together. It has helped, too, to make us feel as though we are a part of the community.

Through our club we have had the opportunity to serve our fellow men in our many community service activities as well as our vocational and international service projects. In working on these projects we not only enjoy a great personal satisfaction but we also develop a better understanding of our fellow men.

We in our club have done much in the past 10 years that we can be proud of. During this time we have grown and have acquired a lot of experience. There is no reason why we can't continue to grow and to serve better in the years to come. Let us **LIVE ROTARY**. You will be the one that benefits.

HAPPY BIRTHDAY

Now is the time to sing our song again, Joe. This time for Ray Hultman and Bruce Pegg. Ray's birthday is on the 17th and Bruce's is on the 16th of May. Our congratulations to both of you!

SCUTTLEBUT

Mert Cooke has become quite a golfer, in fact he spends half his time on the golf course. Tom Craig has a new store -- or at least it looks like one. It is the same address but has been remodeled. Drop in and see for yourself how nice it looks. Ross told Mike how he can park his car downtown free. Bruce Pegg has moved into his new mansion at the corner of Vassar and Devonshire. Looks real good, Bruce. Mike Ragusin thought he was better on a surf board than his boys but found out different when he could not even sit on one! It was found out that Len Chenard knows the phone numbers of a lot of orchestras. Roger had a vacation last week and learned how to be a painter.

One of our Rotarians who usually enjoys a drink before his lunch was observed recently having a glass of plain 7-Up. We believe his name is Doug. When questioned about this, Doug explained that he had a dental appointment immediately after lunch and didn't want to offend one of his fellow Rotarians with liquor on his breath while said Rotarian was working on his teeth. Now - - no man can ask for more consideration than that. By the way, the dentist was seen enjoying a plate of highly-seasoned Lasagna at that same luncheon!

ATLANTIC CITY, AHOY!

The May issue of The Rotarian contains late news about the 1965 Convention of Rotary International, and about the 1965 convention city, Atlantic City, New Jersey, U.S.A. Be sure to see the special convention features, "You Are on the Program," by Ernest Breitholtz, and "A Hand of Welcome," by Francis J. Quigley . . . Clipseet.

WHERE TO MAKE-UP 100% Attendance Each Month

Monday
Reseda, 12:10, West Valley YMCA,
