THIS WEEK'S PROGRAM

We will have as our speaker today our own dentist, Robert E. Kinsman, who will give us a craft talk that also will include picture slides. This should be another outstanding program as our own members always do an excellent job. Let's all be there to hear Rapid Robert.

THE WEEK THAT WAS

Mr. Gerald M. Foglesong of Smith-Kline and French Laboratories told us all about the great medical achievements of the past few years. A very interesting program.

We met for the first time at the Rocket Bowl and it was good to see our old waitress, Louise, again. The meeting place is much larger and the food was also excellent. The turn-out was almost 100 per cent from our Club.

The five dollars was won by Clif in the raffle and he gave it back to the Club. The second prize was donated by Dr. Fred Grun-
eck and won by Treasurer Dean Beisner.

Hank thanked the Club for the plaque that was given to him at our ten-year anniversary party. The Club sang Happy Birthday to Ray Hultman and would have sung for Bruce Pegg, but he had to leave the meeting early. (Maybe that's why!)

TEN YEAR CELEBRATION

The ten-year anniversary party was indeed a great success. It was sure fun to see all the former Rotarians and to enjoy their friendship and fellowship. P. D. G. Russel Quissenberry made a wonderful talk and all the Past Presidents gave short speeches. Our Charter President Hank Crowley received a plaque which in effect thanked him for his ten years with the Chatsworth Club.

Dr. E. M. Miner did a great job with all the arrangements for the program and decorations, and Dr. George Lorbeer did another outstanding job as M. C. A thanks, too, to Len Chenard for arranging for the space, the food, and only one orchestra! The whole evening was a delight and one of the best events in the ten-year history of the Chatsworth Rotary Club.

SCUTTLEBUT

There's a cowboy in our Club who is so used to just leaving his horse at the hitching post that he doesn't realize times have

changed. An accomplished practical jokester slipped into the driver's seat of Roy's M. G. where he had left it double parked and with the motor running, and drove it behind Tom's Liquor Store--with his little black car squished in the front and back -- Bob says that the guy hit him from the rear, but we don't see any brace on Bob's neck. Has anyone noticed the new white Falcon station wagon that belongs to the Tally-Ho Liquor and Delicatessen? Mike Ragusin played off the championship gin rummy tournament with the Granada Hills Rotary that all began in Palm Springs. Who won the trophy, Mike? Len Chenard has come up with a new pancake syrup. Apple anyone? President Cliff and Susie took a trip up the coast. Guess you don't need to worry anymore about competition, Joe -- George Lorbeer has only one chicken left. He said the cat got the rest. The Fat Man's Club is getting fatter -- we mean the bank account and a few of the members who misunderstand why they joined!

SUPPORT YOUR CHAMBER

On Tuesday, May 11, there were nine Rotarians and two Rotary Anns that turned up at our Chamber of Commerce meeting. Bruce had a wonderful speaker and claims he will have another on June 8. Let's try and make this meeting and take an active interest in our community and Chamber of Commerce. Congratulations to Bruce Pegg for the great job he is doing for the Chamber.

HAPPY BIRTHDAY

May 23 is the day that our Manager of the Bank of America will celebrate his birthday. Congratulations, Roger Kirkpatrick!

Don't forget, Doug -- besides clipping Roger, we haven't collected from Len and Bruce.
