Vol. IX, No. 50

### THIS WEEK'S PROGRAM

Dr. Robert E. Kinsman, Jr., our local tooth puller, with the help of our Community Service Chairman, Mike Ragusin, will be in charge of presenting the annual recognition to the students who have achieved the "Service above Self" Awards. We now present these awards to all of the elementary schools and the Chatsworth High School. This is always a big event not only for the students but ourselves, so let's have 100 per cent attendance for this meeting.

### THE WEEK THAT WAS

Our program was all about the new Busch Gardens being built by Anheuser-Busch here in the San Fernando Valley at 15800 Roscoe Boulevard. There will be seventeen and a half acres of Gardens together with all kinds of birds, boat rides, monorail, etc. This will be completed by the end of 1965 and opened in 1966--a five million dollar improvement.

Roger Kirkpatrick won the five dollars in the raffle. A second prize donated by Polk Jennings, our local postmaster, was won by our insurance man Griff McKeeby--looked like a roll of stamps!

An announcement was made by Larry Viole that the club is starting a golf tournament at Clarence and Doug's place, beginning June 6, and that the fellows will play each Monday night at seven o'clock. A lot of guys have signed up to play and it looks like they will not only have fun playing golf but will have a ball, with all the fellowship. Its not too late to join if you missed the first outing.

Len Chenard finally showed up at our meeting! He has been busy running around the district making meetings and friends at the other clubs. (Our ambassador of fellowship!) Good to see you there, Len, and thanks for finally paying your birthday fine.

### DARK ON JUNE 16, 1965

We will be dark on June 16 so that everyone can attend the demotion party for President Clif. We know that this will be another fine demotion party because Vice-President Len is in charge of the show. We understand that Len has everything under control and all arrangements made.

By the way, this event has already been paid for with your dues, so, outside of refreshments, you and your wife will have a "free" evening on the club!

## HAPPY BIRTHDAY

Our egg man, Joe, has another year behind him on June 11, and our good Reverend Jim has another year gone by on the 15th. Congratulations--but who will lead in the vocal salute? Since we will be dark on the 16th, let's also take time to wish Clarence Palmer, our golf man, a happy birthday on the 22nd of June.

Speaking of important events, we shouldn't forget Tom and Ginnie Craig's Wedding Anniversary on June 19th and Curly and Dorothy Alward's Wedding Anniversary on the 20th of June .

## SCALPEL? SPONGE? FINE?

A certain Dr. Fred Gruneck mentioned to your editor that he never saw his personal history written up in the Rotochat. It did appear in print on January 20, Fred, and for a small fee, I am sure that you could get another copy!

## 'SPUT'

The new president of Rotary International is a mighty interesting fellow--right down to his nickname. Just how do you suppose this distinguished physician from the Netherlands came by such a cognomen? Well, that's just one of the things you'll learn about C. P. H. Teenstra in "Speaking of 'Sput'," a biographical sketch of the president written by his countryman and fellow Rotarian, G. J. (Bob) Portielje, for The Rotarian Magazine for July.

This issue will also bring you a challenge from "Sput" himself, in his keynote message, "A Unity of Desire." . . . Clipseet

Social hour starts at 7:00 p.m. sharp and dinner will be served at 8:00 sharp. See everyone at 7:00 p.m. at the Chatsworth Center building.
